PREFACE

Thank you for selecting us for your payment processing needs. Accepting numerous payment options provides a convenience to your customers, increases your customers' ability to make purchases at your establishment, and helps speed payment to your account.

Your Merchant Processing Application will indicate the types of payments and Services you have elected to accept. These Program Terms and Conditions (“**the Program Guide**”) presents terms governing the acceptance of Visa,[®] MasterCard[®] and Discover[®] Network Credit Card and Non-PIN Debit Card payments and American Express[®] Card transactions and applicable to Non-Bank Services.

This Program Guide, your Merchant Processing Application and the schedules thereto (collectively, the “Agreement”), including, without limitation, the Interchange Qualification Matrix and American Express Program Pricing and one of the Interchange Schedules, as applicable to your pricing method as set forth in the Merchant Processing Application, contains the terms and conditions under which Processor and/or Bank and/or other third parties, will provide services. We will not accept any alterations or strike-outs to the Agreement and, if made, any such alterations or strike-outs shall not apply. Please read this Program Guide completely.

You acknowledge that certain Services referenced in the Agreement may not be available to you.

IMPORTANT INFORMATION ABOUT BANK'S RESPONSIBILITIES:

Discover Network Card Transactions, American Express Card Transactions and other Non-Bank Services are not provided to you by Bank, but are provided by Processor and/or third parties.

The provisions of this Agreement regarding Discover Network Card Transactions, American Express Card Transactions and other Non-Bank Services constitute an agreement solely between you and Processor and/or third parties. Bank is not a party to this Agreement insofar as it relates to Discover Network Card Transactions, American Express Card Transactions and other Non-Bank Services, and Bank is not responsible, and shall have no liability, to you in any way with respect to Discover Network Card Transactions, American Express Card Transactions and Non-Bank Services.

OTHER IMPORTANT INFORMATION:

Cards present risks of loss and non-payment that are different than those with other payment systems. In deciding to accept Cards, you should be aware that you are also accepting these risks.

Visa U.S.A., Inc. (“**Visa**”) MasterCard Worldwide (“**MasterCard**”), DFS Services LLC (“**Discover Network**”), and American Express Company, Inc. (“**American Express**”) are payment card networks that electronically exchange Sales Drafts and Chargebacks for Card sales and Credits. Sales Drafts are electronically transferred from banks (in the case of MasterCard and Visa transactions) or network acquirers (in the case of Discover Network transactions) that acquire them from merchants such as yourself through the appropriate Card Organization, to the Issuers. These Issuers then bill their Cardholders for the transactions. The Card Organizations charge the Acquirers interchange fees, pricing and/or assessments for submitting transactions into their systems. A substantial portion of the Discount Rate or Transaction Fees that you pay will go toward these interchange fees, pricing and assessments.

In order to speed up the payment process, the Issuer transfers the funds back through the Card Organization to the Acquirer at approximately the same time that the Issuer receives the electronic Sales Drafts. Even though the payments under this system are made simultaneously, all payments made through the Card Organizations are conditional and subject to reversals and adjustments.

Each Card Organization has developed Card Organization Rules that govern their Acquirers and Issuers and the procedures, responsibilities and allocation of risk for this process. Merchants are also bound by Card Organization Rules and applicable laws and regulations. The Card Organization Rules and applicable laws and regulations give Cardholders and Issuers certain rights to dispute transactions, long after payment has been made to the merchant, including Chargeback rights.

We do not decide what transactions are charged back and we do not control the ultimate resolution of the Chargeback. While we can attempt to reverse a Chargeback to the Issuer, we can only do so if the Issuer agrees to accept it or the Card Organization requires the Issuer to do so after a formal appeal process. Sometimes, your customer may be able to successfully charge back a Card transaction even though you have provided your goods or services and are otherwise legally entitled to payment from your customer. While you may still be able to pursue claims directly against that customer, neither we nor the Issuer will be responsible for such transactions.

You will be responsible for all Chargebacks and adjustments associated with the transactions that you submit for processing.

Please refer to the Glossary for certain capitalized terms used in the Agreement, including this Preface (if not defined above).

Capitalized terms not otherwise defined in the Agreement may be found in the Card Organization Rules.

A. OPERATING PROCEDURES

This part of the Program Guide (through Section 14) describes the procedures and methods for submitting Credit Card transactions for payment, obtaining authorizations, responding to Chargebacks and Media Retrieval Requests, and other aspects of the operations of our services.

Processor is a full-service financial transaction processor dedicated, among other processing services, to facilitating the passage of your Sales Drafts back to the thousands of institutions who issue the MasterCard®, Visa® and Discover® Network Cards carried by your customers, as well as to the independent Issuers of American Express®. The Operating Procedures contained in this part seek to provide you with the principles for a sound Card program; however, you should consult the Card Organization Rules for complete information and to ensure full compliance with them. They are designed to help you decrease your Chargeback liability and train your employees. (In the event we provide authorization, processing or settlement of transactions involving Cards other than MasterCard, Visa, Discover Network and American Express, you should also consult those independent Issuers' proprietary rules and regulations.)

The requirements set forth in these Operating Procedures will apply unless prohibited by law. You are responsible for following any additional or conflicting requirements imposed by your state or local jurisdiction.

I. MasterCard, Visa, Discover Network and American Express Card Acceptance

I.1. Card Descriptions. At the point of sale, the Card must be carefully examined to determine whether it is a legitimate and valid Card and not visibly altered or mutilated. The name of the Card (e.g., Visa, MasterCard, Discover Network or American Express) should appear in bold letters on the Card. For all MasterCard and Visa Cards and for some Discover Network Cards, the Issuer (e.g., XYZ Bank, etc.) should also appear in bold letters on the Card. The following is a description of the authorized Visa, MasterCard, Discover Network and American Express Card designs:

Visa: The Visa Brand Mark must appear in blue and gold on a white background in either the bottom right, top left, or top right corner. Embossed/Unembossed or Printed Account Number on valid cards begins with "4." All digits must be even, straight, and the same size. The Four to Six Digit Bank Identification Number (BIN) must be printed directly below the account number. This number must match exactly with the first four digits of the account number. The Expiration or "Good Thru" date should appear below the account number. The Mini-Dove Design Hologram may appear on the back of the card. The three-dimensional dove hologram should appear to move as you tilt the card. The Magnetic-Stripe is encoded with the card's identifying information. The Card Verification Value 2 (CVV2) is a three-digit code that appears either in a white box to the right of the signature panel, or directly on the signature panel. Portions of the account number may also be present on the signature panel. CVV2 is used primarily in card-absent transactions to verify that customer is in possession of a valid Visa card at the time of the sale. The Signature Panel must appear on the back of the card and contain an ultraviolet element that repeats the word "Visa®." It may vary in length. The words "Authorized Signature" and "Not Valid Unless Signed" must appear above, below, or beside the signature panel. If someone tried to erase the signature panel; the word "VOID" will be displayed. Chip cards contain a small embedded microchip that is virtually impossible to copy or counterfeit. Chip Antenna for contactless cards, the interface can be an antenna embedded into the back of the card and connected to the chip. A contactless transaction works at terminals through the radio frequency wave between the card and the terminal. You are required to familiarize yourself with the new design by consulting the document entitled "Card Acceptance Guidelines for Visa Merchants and Chargeback Management Guidelines for Visa Merchants". You may download the document from Visa's website at <http://www.visa.com/merchant> or order a hardcopy to be mailed to you for a nominal charge by telephoning Visa Fulfillment at 800-VISA-311.

MasterCard: The MasterCard symbol appears on the front or back of the Card. The global hologram is three dimensional with a repeat "MasterCard" printed in the background. In addition, the words Classic, Preferred, Gold or Business may appear. When rotated, the hologram will reflect light and appear to move. MasterCard account numbers are sixteen (16) digits, and the first digit is always a five (5). The first four digits of the account must be printed directly below the embossed number. The signature panel is tamper evident with the word "MasterCard" printed in multiple colors at a 45° angle. For magnetic swiped transactions, remember to compare the signature on the back of the card with the cardholder's signature on the receipt. The 4 digits printed on the signature panel must match the last 4 digits of the account number, followed by the 3 digit indent printed CVC2 number. A Chip may be present on the card. The cardholder will be prompted to enter a unique personal identification number or PIN when the card is inserted into a chip capable payment terminal. PayPass® contactless payment technology may be present on card. A signature is not required for PayPass® "tapped" transactions below a specified limit. You are required to familiarize yourself with the new design by consulting a document "MasterCard Card Identification Features." You may download the document from MasterCard's website at www.mastercard.us/merchants.

Discover Network: The Discover Network includes Discover, Diners Club International, domestic JCB, UnionPay, BCard, and Dinacard. Valid standard, rectangular plastic Cards bearing a Discover® Acceptance Mark include the following common characteristics and distinctive features:

- The Discover Acceptance Mark may appear on the lower right corner of the front, back, or both sides of the Card.
- Cards display either a three-dimensional hologram on the front or back of the Card OR a three-dimensional holographic magnetic stripe on the back of the Card. Valid Cards do not display holograms on both front and back.
- Card Numbers may be embossed or unembossed and will appear on either the front or back of a Card. Card Numbers begin with the number "6" and are composed of 16 digits that should be clear and uniform in size and spacing.
- The Cardholder name, and if applicable, business name, may be embossed or unembossed and will appear on either the front or back of the Card.
- The "Valid Thru" date may be embossed or unembossed and will appear on either the front or back of a Card in mm/yy format that indicates the last month in which the Card is valid.
- The words "DISCOVER" or "DISCOVER NETWORK" appears on the front of the Card under an ultraviolet light.
- The signature panel displays the words "DISCOVER" or "DISCOVER NETWORK" and may vary in size. Cards may contain a panel that includes an ultraviolet image of the word "DISCOVER." An underprint of "void" on the signature panel becomes visible if erasure of the signature is attempted.
- The last four digits of the Card Number may be displayed on the back of the Card and are commonly printed in reverse indent printing on the signature panel.
- On embossed Cards, a security character, displayed as an embossed stylized "D" may appear on the front of the Card.
- The 3-digit CID is printed on the back of the Card in a separate box to the right of the signature panel.

NOTE: Valid Cards may not always be rectangular in shape (e.g., Discover 2GO Cards). Certain valid unembossed Cards or Contactless Payment Devices approved by us for use in accessing Card Accounts (e.g., contactless stickers, key fobs, and Mobile Commerce Devices) and to conduct Contactless Card Transactions may not display the same features described above. Card expiration date and other features listed above are not displayed on such Contactless Payment Devices.

NOTE: For unembossed Cards used to conduct a Card Present Card Sales, Merchants must obtain an Authorization Response electronically using a POS Device. A Card Sale involving an unembossed Card may be subject to Dispute if the Merchant "key enters" Card information into a POS Device and does not use the electronic Authorization procedures.

The features indicated below are found on valid Contactless Chip Payment Devices approved for use in accessing Card Accounts and to conduct Contactless Card Transactions:

- Standard, plastic rectangular Cards that are also Contactless Chip Payment Devices bear the security features described above.
- Contactless Chip Payment Devices other than Mobile Payment Devices bear the Contactless Indicator.

NOTE: Some valid Cards bearing a Diners Club International Acceptance Mark display a printed, unembossed Card number. If a Card sale involving a Diners Club International Card with an unembossed Card number cannot be completed by swiping the card through the POS Device, the card should not be accepted. If submitted, such card sale may be subject to Dispute.

UnionPay:

- A 16 – digit Card number starting with "622," "624," "625," "626," or "628" is embossed on the front of the Card.
- Embossed digits on the Card should be clear and uniform in size and spacing.
- The embossed expiration date appears in mm/yy format and indicates the last month in which the Card is valid.
- The Card contains a magnetic stripe.
- A three-dimensional hologram image of Heaven Temple in the foreground with Chinese characters in the background appears on the front of all such Cards. The hologram reflects light as it is rotated.
- "Valid Thru" and the Cardholder name (which may not be in English) are embossed on the front of the Card.
- The CID appears on the upper right corner of the signature panel.

NOTE: Text on Cards bearing a UnionPay Acceptance Mark may not be printed in English.

JCB:

- Card Numbers are made up of 16 digits, starting with “35” embossed or printed on the front of the Card.
- Embossed digits on the Card should be clear and uniform in size and spacing within groupings.
- The Cardholder name and, if applicable, business name embossed on the front of the Card.
- A JCB Acceptance Mark appears on the front of the Card.
- A three-dimensional hologram image of rising sun, rainbow, and “JCB” in micro lettering appears on either the front or the back of the Card. The hologram reflects light as it is rotated.
- The embossed expiration date appears in mm/yy or mm/dd/yy format on the front of the Card and indicates the last month in which the Card is valid.
- The Card contains a magnetic stripe on the back of the Card.
- The name “JCB” appears in ultraviolet ink on the left bottom of the front of the Card when held under an ultraviolet light.
- The first four digits of the Card number match the 4-digit number pre-printed just below the embossed Card number of the front of the Card.
- The first four digits of the Card number displayed on the signature panel on the back of the Card match the last four digits of the Card number that appears on the front of the Card.
- The last four digits of the Card number on the back of the Card followed by the 3-digit CID.
- An overprint on the signature panel reads “JCB” in two colors, blue and green.
- Some Cards have an embedded integrated circuit chip on the front of the Card.
- The words “Good Thru,” “Valid Dates,” “Valid Thru,” or “Expiration Date” must be printed near the expiration date. The corresponding words in the language of the country where the JCB Card is issued may also be printed. The words “Month/Year” or the corresponding words in the language of the country where the JCB Card is issued may be printed above or below the expiration date.

NOTE: Some valid Cards bearing the JCB Acceptance Mark will have a printed, unembossed Card number on the Card. If a Card sale involving a valid, JCB Card with an unembossed Card number cannot be completed by swiping the Card through the POS Device, the Card should not be accepted. If you accept a Card that displays a printed, rather than embossed, Card number, you are required to obtain a Card imprint, the Card sale may be subject to dispute.

American Express:

- All American Express Card Numbers start with “37” or “34.” The Card number appears embossed on the front of the Card. Embossing must be clear, and uniform in sizing and spacing. Some Cards also have the Card Number printed on the back of the Card in the signature panel. These numbers, plus the last four digits printed on the Sales Draft, must match.
- Pre-printed Card Identification (CID) Numbers must always appear above the Card Number on either the right or left edge of the Card.
- Only the person whose name appears on an American Express Card is entitled to use it. Cards are not transferable.
- Some Cards contain a holographic image on the front or back of the plastic to determine authenticity. Not all American Express Cards have a holographic image.
- Some Cards have a chip on which data is stored and used to conduct a charge.

The signature on the back of the Card must match the Cardholder’s signature on the Credit Draft, and must be the same name that appears on the front of the Card. The signature panel must not be taped over, mutilated, erased or painted over. Some Cards also have a three-digit Card Security Code (CSC) number printed on the signature panel.

1.2. Effective/Expiration Dates. At the point of sale, the Card should be carefully examined for the effective (valid from) (if present) and expiration (valid thru) dates which are located on the face of the Card. The sale date must fall on or between these dates. When an expiration date is expressed in a month/year format, MasterCard transactions are valid through and including the last day of the month and year. When the valid date is expressed in a month/year format, MasterCard transactions that occur before the first day of the month and year are invalid. Do not accept a Card prior to the effective date or after the expiration date. If the Card has expired, you cannot accept it for a Card sale unless you have verified through your Authorization Center that the Card is in good standing, otherwise, you are subject to a Chargeback and could be debited for the transaction.

When a MasterCard PayPass enabled keyfob or mobile phone is presented for payment, verifying a valid expiration date is not required.

1.3. Valid Signature. Check the back of the Card. Make sure that the signature panel has not been disfigured or tampered with in any fashion (an altered signature panel may appear discolored, glued or painted, or show erasure marks on the surface). The signature on the back of the Card must compare favorably with the signature on the Sales Draft. However, comparing the signature on the Card with the signature on the transaction receipt is not applicable when an alternate Card form (MasterCard PayPass keyfob or mobile phone) is presented. The Sales Draft must be signed by the Card presenter in the presence of your authorized representative (unless a Card Not Present Sale) and in the same format as the signature panel on the Card; e.g., Harry E. Jones should not be signed H.E. Jones. The signature panels of Visa, MasterCard and Discover Network Cards have a 3-digit number (CVV2/CVC2/CID) printed on the panel known as the Card Validation Code.

Visa, MasterCard, Discover Network, and American Express: If the signature panel on the Card is blank, in addition to requesting an Authorization, you must do all the following:

- Review positive identification bearing the Cardholder’s signature (such as a passport or driver’s license that has not expired) to validate the Cardholder’s identity.
- Indicate the positive identification, including any serial number and expiration date, on the Credit Draft or Sales Draft; provided that you must effect PAN Truncation, and must not include the expiration date on the copy of the Sales Draft or Credit Draft that you provide to the Cardholder, or as required by applicable law, the Sales Draft or Credit Draft you retain.
- Require the Cardholder to sign the signature panel of the Card prior to completing the Transaction.
- When a MasterCard PayPass enabled keyfob or mobile phone is presented for payment, validating the customer’s signature is not required.

1.4. Users Other Than Cardholders. A Cardholder may not authorize another individual to use his/her Card for purchases. Be sure the signature on the Card matches with the one on the Sales Draft. Furthermore, any Card having two signatures on the back panel is invalid and any sale made with this Card can result in a Chargeback. For Cards bearing a photograph of the Cardholder, ensure that the Cardholder appears to be the person depicted in the picture which appears on the Card. If you have any questions, call the Voice Authorization Center and request to speak to a Code 10 operator.

1.5. Special Terms. If you limit refunds or exchanges or impose other specific conditions for Card sales, you must provide proper disclosure to the Cardholder at the time of transaction in accordance with applicable law. If applicable, the words “No Exchange, No Refund,” etc. must be clearly printed (in 1/4” letters) on the Sales Draft near or above the Cardholder’s signature. The Cardholder’s copy of the Sales Draft, as well as your copy, must clearly display this information near or above the Cardholder’s signature. Applicable disclosures may vary by transaction type.

During a liquidation and/or closure of any of your outlets, locations and/or businesses, you must post signs clearly visible to customers stating that “All Sales Are Final,” and stamp the Sales Draft with a notice that “All Sales Are Final.”

Generally, do not give cash, check or in-store Credit refunds for Card sales. Visa allows for the following exclusions: A cash refund to the Cardholder for a Visa Easy Payment Service Transaction, a cash refund, Credit, or other appropriate form of Credit to the recipient of a gift purchased as a Mail/Phone Order transaction, or a cash refund or in-store Credit for a Visa prepaid card transaction if the Cardholder states that the Visa prepaid card has been discarded.

NOTE: A disclosure does not eliminate your liability for a Chargeback. Consumer protection laws and Card Organization Rules frequently allow the Cardholder to dispute these items notwithstanding such disclosures.

1.6. Delayed Delivery or Deposit Balance. In a delayed delivery transaction where a Cardholder makes a deposit toward the full amount of the sale, you should execute two separate Sales Drafts (each completed fully as described in Section 3.1), the first for a deposit and the second for payment of the balance upon delivery of the merchandise or the performance of the services.

Visa: You must obtain an authorization for each Sales Draft on each transaction date. You must assign the separate authorization numbers to each Sales Draft, respectively. You must note on such Sales Drafts the words “delayed delivery,” “deposit” or “balance,” as appropriate, and the authorization dates and approval codes.

MasterCard: For MasterCard transactions, you must obtain an Authorization for each Sales Draft on each Transaction date. You must note on both Sales Drafts the words “delayed delivery,” “deposit” or “balance,” as appropriate, and the authorization date and approval code.

Discover Network: For Discover Network transactions, you must label one Sales Draft “deposit” and the other “balance,” as appropriate.

You shall submit Authorization requests you receive and await receipt of the Authorization Response prior to completing the Card sale. A positive Authorization Response will remain valid for thirty (30) calendar days from the date of the Authorization response for Card sales in the car rental industry, airline and passenger railway industries, the lodging industry and other travel MCCs including passenger transport **and all International Card sales.** A positive Authorization response will remain valid for ten (10) calendar days from the date of the Authorization response for Card sales in all other industries and MCCs.

In addition, you must complete Address Verification at the time of the “balance” authorization, and you must obtain proof of delivery upon delivery of the services/merchandise purchased. You may not submit sales data relating to the “balance” to us for processing until the merchandise/service purchased has been completely delivered.

American Express: For American Express Card transactions, you must clearly disclose your intent and obtain written consent from the Cardholder to perform a delayed delivery transaction before you request an Authorization. You must obtain a separate Authorization Approval for each delayed delivery transaction on their respective Charge dates and clearly indicate on each record that the Charge is either for the deposit or for the balance of the transaction. You must submit the delayed delivery transaction record for the balance of the purchase only after the items have been shipped, provided or services rendered. For deposits, submission must be on the date the Cardholder agreed to pay for the deposit for the purchase. For balances, submission must be on the date the items are shipped, provided or services rendered. You must submit and Authorize each delayed delivery transaction under the same Merchant Account Number and treat deposits on the Card no differently than you treat deposits on all other payment products.

Advance Payment Charges for American Express Transactions.

An advance payment Charge is a Charge for which full payment is made in advance of you providing the goods and/or rendering services to the Cardholder and such Charges carry

higher risk. American Express may withhold settlement for part or all of such Charges until it is determined that the risk has diminished.

You must follow the procedures below if you offer Cardholders the option or require them to make advance payment Charges for the following types of goods and/or services:

- Custom-orders (e.g., orders for goods to be manufactured to a customer's specifications)
- Entertainment / ticketing (e.g., sporting events, concerts, season tickets).
- Tuition, room and board, and other mandatory fees (e.g., library fees) of higher educational institutions.
- Airline tickets, vehicle rentals, rail tickets, cruise line tickets, lodging, travel-related services (e.g., tours, guided expeditions).

For an advance payment Charge, you must:

State your full cancellation and refund policies, clearly disclose your intent and obtain written consent from the Cardholder to bill the Card for an advance payment Charge before you request an Authorization. The Cardholder's consent must include his or her agreement to all the terms of the sale (including price and any cancellation and refund policies), and a detailed description and the expected delivery date of the goods and/or services to be provided (including, if applicable, expected arrival and departure dates).

- Complete a Sales Draft. If the advance payment Charge is a Card Not Present Charge, you must also ensure that the Sales Draft contains the words "Advance Payment;" and within twenty-four (24) hours of the Charge being incurred, provide the Cardholder written confirmation (e.g., email or facsimile) of the advance payment Charge, the amount, the confirmation number (if applicable), a detailed description and expected delivery date of the goods and/or services to be provided (including expected arrival and departure dates, if applicable) and details of your cancellation/ refund policy.

If you cannot deliver goods and/or services (e.g., because custom-ordered merchandise cannot be fulfilled), and if alternate arrangements cannot be made, you must immediately issue a Credit for the full amount of the advance payment Charge which cannot be fulfilled.

In addition to other Chargeback rights, a Chargeback may be exercised for any disputed advance payment Charge or portion thereof if the dispute cannot be resolved in your favor based upon unambiguous terms contained in the terms of sale to which you obtained the Cardholder's written consent.

1.7. Recurring Transaction and Preauthorized Order Regulations. If you process recurring transactions and charge a Cardholder's account periodically for recurring goods or services (e.g., monthly insurance premiums, yearly subscriptions, annual membership fees, etc.), the Cardholder shall complete and deliver to you a Cardholder approval for such goods or services to be charged to his account. The approval must at least specify the Cardholder's name, address, account number and expiration date, the transaction amounts, the timing or frequency of recurring Charges and the duration of time for which the Cardholder's permission is granted. For Discover Network transactions, the approval must also include the total amount of recurring Charges to be billed to the Cardholder's account, including taxes and tips and your Merchant Account Number.

If the recurring transaction is renewed, the Cardholder must complete and deliver to you a subsequent written request for the continuation of such goods or services to be charged to the Cardholder's account. You may not complete a recurring transaction after receiving a cancellation notice from the Cardholder or Issuer or after a request for authorization has been denied.

If we or you have terminated this Agreement, you may not submit authorization requests or sales data for recurring transactions that are due after the termination date of this Agreement, and you must inform Cardholders for which you have submitted the recurring transactions that you no longer accept the Card.

You must obtain an Authorization for each transaction and write "Recurring Transaction" (or, "P.O." for MasterCard transactions/"Signature on File" for American Express transactions) on the Sales Draft in lieu of the Cardholder's signature. A positive authorization response for one recurring transaction Card Sale is not a guarantee that any future recurring transaction authorization request will be approved or paid.

For all Discover recurring transactions, you should submit the 3-digit CID with the first authorization request, but not subsequent authorization requests. Discover Network Card Organization Rules specifically require that you follow this CID procedure for Discover Network recurring transactions.

Also, for Discover Network recurring transactions, the Sales Draft must include a general description of the transaction, your merchant name and a toll-free customer service number that the Cardholder may call to obtain customer assistance from you or to cancel the written approval for the recurring transaction.

For American Express recurring transactions, you should periodically verify with Cardholders that their information (e.g., Card Number, expiration date, billing address) is still accurate. This will improve the likelihood of obtaining an approval to an Authorization request.

The method to secure consent for recurring Charges must contain a disclosure that you may receive updated Card account information from the Issuer. You must retain evidence of consent to receive updated Card account information from the Issuer for twenty-four (24) months from the date you submit the last recurring billing Charge. If you offer Cardholders the option to make recurring billing Charges, you must:

- Ensure that your process for cancellation of recurring billing is simple and expeditious;
- Clearly and conspicuously disclose all material terms of the option, including, if applicable, the fact that recurring billing will continue until the option is cancelled by the Cardholder;

- Offer their American Express customers the option to receive written notification for the recurring transaction(s) at least (10) ten days prior to submitting, or any time the Charge amount exceeds a maximum amount that has been set by the Cardholder;
- Within twenty-four (24) hours of incurring the first recurring billing Charge, provide the Cardholder written confirmation (e.g., email or facsimile) of such Charge, including all material terms of the option and details of your cancellation/refund policy; and
- Where the material terms of the option change after submission of the first recurring billing Charge, promptly notify the Cardholder in writing of such change and obtain the Cardholder's express written consent to the new terms prior to submitting another recurring billing Charge.

The cancellation of an American Express Card constitutes immediate cancellation of that Cardholder's consent for recurring Charges. American Express will not have any liability from such cancellation. If an American Express Card is cancelled or a Cardholder withdraws consent to recurring Charges, you are responsible for arranging another form of payment with the Cardholder.

All recurring transactions or preauthorized orders may not include partial payments for goods or services purchased in a single transaction.

You may not impose a finance charge in connection with a Recurring Transaction or Preauthorized Order.

If you process recurring payment transactions, the Recurring Payment Indicator must be included in each authorization request, and as applicable, each Batch submission entry. Penalties can be assessed by the Card Organizations for failure to use the Recurring Payment Indicator.

1.8. Certain Rules and Requirements. The following rules are requirements strictly enforced by Visa, MasterCard and Discover Network:

- Your minimum Credit Card acceptance amount cannot exceed \$10.00. Such minimum amount must be established to all Credit Cards regardless of Card Issuer or Card brands. Unless you are a federal government entity or institution of higher learning, you may not establish a maximum amount as a condition for accepting a Card, except that for Discover transactions, you may limit the maximum amount a Discover Network Cardholder may spend if, and only if, you have not received a positive authorization response from the Issuer. Setting a minimum transaction amount limit for Debit Cards (Pin Debit or Non-PIN Debit) is prohibited.
- You cannot impose a surcharge or fee for accepting a Debit Card.
- You cannot establish any special conditions for accepting a Card.
- You cannot require the Cardholder to supply any personal information (e.g., home or business phone number; home or business address including zip code; or driver's license number) unless instructed by the Authorization Center. The exception to this is for mail/telephone/Internet order or delivery-required transactions, or as otherwise permitted by applicable law. Any information that is supplied by the Cardholder must not be in plain view when mailed.
- Any tax required to be collected must be included in the total transaction amount and not collected in cash.
- You cannot submit any transaction representing the refinance or transfer of an existing Cardholder obligation deemed uncollectible.
- You cannot accept a Visa Consumer Credit Card or Commercial Visa Product, issued by a U.S. Issuer, to collect or refinance an existing debt.

NOTE: Visa Consumer debit and Visa Business debit Card products including prepaid card type can be accepted to collect or refinance an existing debt.

- You cannot submit a transaction or sale that has been previously charged back.
- You must create a Sales Draft or Credit Draft for each Card transaction and deliver at least one copy of the Sales Draft or Credit Draft to the Cardholder.
- You cannot submit a transaction or sale to cover a dishonored check.
- If you accept Card checks, your Card check acceptance policy must treat the acceptance of checks from all payment card brands that you accept equally (e.g., if you accept MasterCard, Visa and Discover Network, your check acceptance policy must treat checks for all three payment card brands equally). You should handle these Card checks like any other personal check drawn upon a bank in the United States.
- Failure to comply with any of the Card Organization Rules may result in fines or penalties.

U.S. Merchants may engage in any of the following:

- You may direct customers to a particular brand or type of general purpose card or a particular form of payment. U.S. merchants may also encourage customers who initially present a Visa Card to use a payment card with a different network brand, a different type of payment card or a different form of payment.
- You may provide a discount/incentive for a consumer to pay with cash, check, Credit Card, Debit Card, etc., however, you must clearly and conspicuously disclose the discount to consumers. Also, you must offer the discount to all consumers and you cannot discriminate based upon Card brand or Card Issuer. However, you may choose not to accept either U.S. issued Debit Cards or U.S. issued Credit Cards under the terms described in Section 1.9.
- You may offer a discount or rebate, including an immediate discount or rebate at the point of sale;
- You may offer a free or discounted product, service or enhanced service
- You may offer an incentive, encouragement, or benefit;
- You may express a preference for the use of a particular brand or type of general purpose card or a particular form of payment;

- You may communicate to a customer the reasonably estimated or actual costs incurred by the merchant when a customer uses a particular brand or type of general purpose card or a particular form of payment or the relative costs of using different brands or types of general purpose cards or different forms of payment.

NOTE: Visa Consumer Debit and Visa Business Debit Card products including prepaid Card type can be accepted to collect or refinance an existing debt; or

You may engage in any other practices substantially equivalent to the above.

- You will inform the Cardholder that you are responsible for the Card transaction including your goods and services and for related customer service, dispute resolution and performance of the terms and conditions of the transaction.

1.9. Card Acceptance. If you have indicated either in the Merchant Processing Application or by registering with us at least thirty (30) days in advance that, as between Non-PIN Debit Card transactions and Credit Card transactions, you will limit your acceptance to either (i) only accept Non-PIN Debit transactions; or (ii) only accept Credit Card transactions, then the following terms in this Section 1.9 will apply:

1.9.1. You will be authorized to refuse to accept for payment either Non-PIN Debit Cards or Credit Cards that are issued within the United States. You will, however, continue to be obligated to accept all foreign issued Credit Card or Debit Cards issued by MasterCard, Visa or Discover Network so long as you accept any type of MasterCard, Visa or Discover Network branded Card.

1.9.2. While many Debit Cards include markings indicating debit (such as “Visa Checkcard, Visa Buxx, Gift Card, DEBIT, or Mastermoney”), many Debit Cards may not include any such markings. It will be your responsibility to determine at the point of sale whether a Card is of a type that you have indicated that you will accept. You agree to institute appropriate systems and controls to limit your acceptance to the Card types indicated. You may purchase a table of ranges of numbers currently associated with Debit Card transactions upon execution of confidentiality/non-disclosure agreements required by the Card Organizations. You will be responsible for updating your systems to utilize such tables and to obtain updated tables. You must safeguard BIN information provided by us. If you share our provided BIN information with a third party to use on your behalf, you must require they safeguard it also and use it only for card type identification at the POS.

1.9.3. To the extent that you inadvertently or unintentionally accept a transaction that you are not registered to accept, such transaction will downgrade and you will be charged the Non Qualified Rate or, if you are utilizing the Enhanced Recovery Reduced Discount option, you will be charged the Enhanced Recovery Reduced Rate on the volume of said transaction that Client was not registered to accept, in addition to the difference between the MasterCard/ Visa/Discover Network Qualified Rate agreed to in Section 9 of the Service Fee Schedule and the actual interchange rate assessed to the downgraded transaction.

1.9.4. Based upon your choice to accept only the Card types indicated in the Application, you must remove from your premises any existing signage indicating that you accept all Visa, MasterCard or Discover Network Cards and use approved specific signage reflecting your policy of accepting only Non-PIN Debit or Credit Cards.

1.9.5. Even if you elect not to accept Non-PIN Debit Card transactions as provided above, you may still accept PIN Debit Card transactions if you have signed up for PIN Debit Card Services.

1.9.6. If a MasterCard Card is presented, you must use your best efforts, by reasonable and peaceful means, to retain the card while making an authorization request. In a face-to-face environment, you must give a MasterCard Cardholder the option of a signature based transaction. Unless the Cardholder uses a PIN, the Cardholder must sign the transaction receipt.

1.9.7. MasterCard revised standards related to the use of Mobile POS (MPOS) terminals. Merchants with less than \$100,000 in annual MasterCard transaction volume may use Chip-only MPOS terminals:

- That do not support magnetic stripe capture and cannot print a paper Transaction receipt
- Have a contact chip reader and magnetic stripe-reading capability but does not support PIN as a Cardholder Verification Method (CVM) for Contact Chip Transactions
- Chip-only MPOS Terminal

Merchants with less than \$100,000 in annual MasterCard transaction volume may use MPOS terminals or Chip-only MPOS solutions that do not support electronic signature capture to complete a transaction without obtaining a CVM.

PLEASE NOTE: Merchants with more than \$100,000 in annual transactions may use MPOS terminals if the MPOS terminal complies with MasterCard’s requirements for POS terminals or hybrid POS terminals (if chip cards are accepted).

1.10. Deposits of Principals. Owners, partners, officers and employees of your business establishment, and the guarantors who signed the Application, are prohibited from submitting Sales Drafts or Credit Drafts transacted on their own personal Cards, other than transactions arising from bona fide purchases of goods or services in the ordinary course of your business. Such use in violation of this Section 1.10 is deemed a cash advance, and cash advances are prohibited.

1.11. Merchants in the Lodging Industry.

1.11.1. Generally. There are additional rules and requirements that apply to merchants in the lodging industry for practices including, but not limited to, Guaranteed Reservations and Charges for no shows, advance deposits, overbookings, and priority checkout. If you are a merchant in the lodging industry, you must contact us for these additional rules and requirements. Failure to do so could result in additional charges or termination of this Agreement.

If a Cardholder requests a written confirmation of the cancellation, Merchant must forward this confirmation within three (3) Business Days of the Cardholder’s request. The cancellation confirmation must contain: Cardholder’s reference that Charges were placed on the Card, if applicable, or a guarantee that a “no-show” Charge will not be placed on the Card.

- Cardholder’s name as it appears on the Card, if present.
- Card Number, truncated as required by applicable law to you or us.
- Card expiration date, if present, unless prohibited by applicable law to you or us.

1.12. Customer Activated Terminals and Self-Service Terminals. Prior to conducting Customer Activated Terminal (“CAT”) transactions or Self-Service Terminal transactions for MasterCard, Visa, or Discover **you must contact us for approval and further instructions, rules and requirements that apply to CAT and Self-Service Terminal transactions. Failure to do so could result in additional charges or termination of this Agreement.**

You may not indicate that Visa, MasterCard, and Discover Network, or any other Card Organization endorses your goods or services.

Your right to use the program Marks of the Card Organizations terminates upon the earlier of (i) if and when your right to accept the Cards of the respective Card Organization terminates (e.g., if your right to accept Discover Network Cards terminates, you are no longer permitted to use Discover Network Program Marks), (ii) delivery of notice by us or the respective Card Organization to you of the termination of the right to use the Mark(s) for that Card Organization, or (iii) termination of the license to use the program Marks by the respective Card Organization to us.

American Express: If you elected to accept the American Express Card on your Application, whenever payment methods are communicated to customers, or when customers ask what payments are accepted, you must indicate your acceptance of the American Express Card and display the American Express Marks (including any Card application forms provided to you) as prominently and in the same manner as you do for any other Card or payment products. You must not use the American Express Marks in any way that injures or diminishes the goodwill associated with the American Express Marks, nor (without prior written consent from us) indicate that American Express endorse your goods or services. You shall only use the American Express Marks as permitted by the Agreement and shall cease using the American Express Marks upon termination of the Agreement.

1.13.1. Discover Network Sublicense to Use Discover Network Program Marks. You are prohibited from using the Discover Network Program Marks, as defined below, other than as expressly authorized in writing by us. “Discover Network Program Marks” means the brands, emblems, trademarks and/or logos that identify Discover Network Cards, including, without limitation, Diners Club International Cards, JCB, UnionPay, BCCard, and Dinacard. Additionally, you shall not use the Discover Network Program Marks other than as a part of the display of decals, signage, advertising and other forms depicting the

You recognize that you have no ownership rights in the Discover Network Program Marks. You shall not assign to any Person any of the rights to use the Program Marks.

1.13.2. American Express sublicense to Use American Express Marks. You shall only use the American Express Marks as reasonably necessary to perform your obligations under the Agreement. The guidelines listed below apply to the Merchant's use of the American Express "Blue Box" logo.

You may not make any cash disbursements or cash advances to a Cardholder as part of a Card transaction unless you are a financial institution with express authorization in writing in advance from Servicers. For Discover, cash advances in authorized jurisdictions other than the United States may be conducted in an originating currency provided that cash advances may be subject to dispute and/or Acquirer fees.

You may issue Cash Over in connection with a Discover Network Card sale, provided that you comply with the provisions of this Agreement, including the following requirements:

- The Sales Draft must include both the purchase amount and the Cash Over amount, and you may not use separate Sales Drafts for the purchase amount and Cash Over amount.
- Cash Over may only be offered with a Card Present Card Sale that includes a purchase of goods or services by the Cardholder. You must not issue Cash Over as a stand-alone transaction. - The maximum amount of cash that you may issue as Cash Over is \$100.00.

(Cash Over may not be available in certain markets. Contact us for further information).

1.16. Telecommunication Transactions. Telecommunication Card Sales occur when a telephone service provider is paid directly using a Card for individual local or long-distance telephone calls. (**NOTE:** Pre-paid telephone service cards are not and do not give rise to Telecommunication Card Sales). Prior to conducting Telecommunication transactions you must contact us for approval and further instructions, rules and requirements. Failure to do so could result in additional charges or termination of this Agreement.

2. Suspect Transactions

If the appearance of the Card being presented or the behavior of the person presenting the Card is suspicious in nature, you must immediately call the Voice Authorization Center and ask to speak to a Code 10 operator. Answer all their questions and follow their instructions. While not proof that a transaction is fraudulent, the following are some suggestions to assist you in preventing fraudulent transactions that could result in a Chargeback:

Ask yourself, does the Customer:

- appear nervous/agitated/hurried?
- appear to be making indiscriminate purchases (e.g., does not care how much an item costs, the size, etc.)?
- make purchases substantially greater than your usual customer (e.g., your average transaction is \$60, but this transaction is for \$360)?

- insist on taking the merchandise immediately (e.g., no matter how difficult it is to handle, is not interested in free delivery, alterations, etc.)?
- appear to be purchasing an unusual amount of expensive items or the same items?
- take an unusual amount of time to sign the Sales Draft, or look at the back of the Card as he signs?
- talk fast or carry on a conversation to distract you from checking the signature?
- take the Card from a pocket instead of a wallet?
- repeatedly come back, in a short amount of time or right before closing time, to make additional purchases?
- cause an unusual, sudden increase in the number and average sales transactions over a one- to three-day period?
- tell you he has been having some problems with his Issuer and request that you call a number (that he provides) for a "special" handling or authorization?
- have a previous history of disputed Charges?
- place orders to be shipped to an address other than the billing address, or use anonymous/free email domains?
- place orders sent to zip codes or countries where you show a history of fraudulent claims?
- frequently make purchases and then return goods for cash?
- use a prepaid Card to purchase other prepaid Cards?
- use a large numbers of prepaid Cards to make purchases?

Does the Card:

- have characters the same size, height, style and all within alignment?
- appear to be re-embossed (the original numbers or letters may be detected on the back of the Card)?
- have a damaged hologram?
- have a Magnetic Stripe on the back on the Card?
- have an altered Magnetic Stripe?
- have an altered signature panel (e.g., appear discolored, glued or painted, or show erasure marks on the surface)?
- have "valid from" (effective) and "valid thru" (expiration) dates consistent with the sale date?

If you use an electronic terminal and swipe the Card, make sure the account number displayed on the terminal and/or the Sales Draft matches the number on the Card. If you cannot or do not verify the account number and accept the sale, you are subject to a Chargeback and could be debited for the amount of the transaction. IF THE NUMBERS DO NOT MATCH, DO NOT ACCEPT THE CARD AS A FORM OF PAYMENT, EVEN THOUGH AN AUTHORIZATION CODE FOR THE MAGNETICALLY SWIPED CARD NUMBER MAY BE RECEIVED.

Fraud-Prone Merchandise Tips:

- Gift Cards, jewelry, video, stereo, computer and camera equipment, shoes, and men's clothing are typically fraud-prone because they can easily be resold.
- Be suspicious of high dollar amounts and transactions with more than one fraud-prone item, e.g., two VCRs, three gold chains, etc.

If you suspect fraud:

- Call the Voice Authorization Center and ask to speak to a Code 10 operator.
- If the terminal does not display the Card number, call the POS Help Desk for terminal assistance.

REMEMBER: AN AUTHORIZATION CODE ONLY INDICATES THE AVAILABILITY OF A CARDHOLDER'S CREDIT AT THE TIME OF THE TRANSACTION. IT DOES NOT WARRANT THAT THE PERSON PRESENTING THE CARD IS THE RIGHTFUL CARDHOLDER. IF PROPER PROCEDURES ARE NOT FOLLOWED AT THE TIME OF THE TRANSACTION, YOU ARE SUBJECT TO A CHARGEBACK AND YOUR ACCOUNT MAY BE DEBITED FOR THE AMOUNT OF THE TRANSACTION.

3. Completion of Sales Drafts and Credit Drafts

You must prepare a Sales Draft or Credit Draft, as applicable, for each Card transaction and provide a copy of it or a transaction receipt or copy of the Draft to the Cardholder at the time the Card transaction is completed.

3.1. Information Required. All of the following information must be contained on a single page document constituting a Sales Draft:

- Cardholder's account number must appear on the Credit Draft or Sales Draft in the manner required by applicable law and Card Organization Rules.

NOTE: The copy of the Sales Draft or Credit Draft you provide to a Cardholder must not include the Cardholder's Card expiration date or any more than the last four digits of the Cardholder's Card number. Some states have similar requirements that also apply to the Sales Drafts or Credit Drafts you retain. MasterCard requires that Card expiration dates be excluded from the Sales Drafts or Credit Drafts your business retains. You are solely responsible to determine the Card account number truncation requirements and Card expiration date exclusion requirements for your state/jurisdiction;

- Clear imprint of the Card. Whenever the term "imprint" is used it refers to the process of using a manual imprinting machine to make an impression of the Card on the same side of a signed Sales Draft; it does not include the printout from a printer attached to an electronic device. If you use a device (e.g., authorization/draft capture terminal, cash register, POS Device, etc.) to electronically capture the card information (magnetic swipe,

chip or contactless data), you do not have to imprint the Card. HOWEVER, IF THE ATTENDED POS DEVICE FAILS TO READ THE MAGNETIC STRIPE OR IF YOU ARE REQUIRED TO OBTAIN A VOICE AUTHORIZATION, THEN YOU MUST IMPRINT THE CARD. IN ADDITION, THE SALES DRAFT MUST HAVE THE CARDHOLDER'S SIGNATURE. FAILURE TO FOLLOW THESE PROCEDURES WILL PREVENT YOU FROM DEFENDING A TRANSACTION IN THE EVENT THAT IT IS CHARGED BACK UNDER A CLAIM THAT THE RIGHTFUL CARDHOLDER DID NOT AUTHORIZE THE PURCHASE. ENTERING INFORMATION INTO A TERMINAL MANUALLY WILL NOT PREVENT THIS TYPE OF CHARGEBACK. FOR MAIL, TELEPHONE, INTERNET AND OTHER CARD NOT PRESENT ORDERS SEE SECTION 3.2; IF THE PHYSICAL CARD IS NOT PRESENT ANOTHER FORM OF PAYMENT MUST BE REQUESTED;

- Cardholder's signature. However, eligible merchants participating in MasterCard's Quick Payment Service Program, Visa's No Signature Required Program, American Express No Signature Program, and Discover Network's No Signature Program, and/or certain Discover Network transactions (see note below) are not required to obtain the Cardholder's signature under certain conditions set forth by each program;
- Date of the transaction;
- Amount of the transaction (including the approved currency of the sale);
- Description of the goods and/or services involved in the transaction (if there are too many items, combine them into one description; e.g., "clothing" instead of "one pair of pants, one shirt"). Do not carry information onto a second Sales Draft;
- Description of your merchandise return and Credit/refund policy;
- A valid authorization code; and
- Merchant's Doing Business As ("D/B/A") name and location (city and state required) and Merchant Account Number.

When imprinting Sales Drafts, do not alter the Cardholder account number, circle or underline any information on the Sales Draft or alter a Sales Draft in any way after the transaction has been completed and signed. Stray marks and other alterations on a Sales Draft may render it electronically unscannable, unreadable or illegible. This may result in a Chargeback or Summary Adjustment to your account.

For Discover Network sales using a paper Sales Draft (as opposed to Electronic Draft Capture), the paper Sales Draft must also contain the initials of your representative or employee that conducted the transaction. For Discover Network Credits, the Credit Draft must contain the signature of your authorized representative or employee that conducted the transaction.

Discover Card Sales in an amount more than \$50.00 including sales taxes, tip, surcharge and/or Cash Over amount are not eligible for treatment as No Signature Card Sales and you may lose a dispute of such a Card Sale if the Merchant fails to obtain the Cardholder's Signature on the Sales Draft.

Eligible merchants participating in Visa Easy Payment Service ("VEPS") (Visa's No Signature Required Program), Quick Payment Service and/or Small Ticket are only required to provide the Cardholder with the completed Sales Draft when requested by the Cardholder.

NOTE: For Visa, MasterCard and Discover Network transactions, if you are a merchant operating under certain merchant category codes ("MCC") approved by Visa, MasterCard and Discover Network, you are not required to obtain the Cardholder's signature so long as the full track data is transmitted in the authorization request and the sale amount is below the applicable program floor limit (MasterCard/Discover/American Express is \$50 or less. Visa's program limit remains at \$25 or less excluding U.S. grocery stores (MCC 5411) and discount stores (MCC 5310) where the limit has been raised to \$50.

For MasterCard, if you are operating vending machines under MCC 5499 (Miscellaneous Food Stores-Convenience Stores, Markets, Specialty Stores), you need not provide a receipt at the time a transaction is conducted. If a vending machine cannot provide a printed receipt, you must disclose and post instructions advising customers how a receipt may be obtained.

Sales Drafts for American Express Transactions.

You must create a Sales Draft for every Charge. For each Charge submitted electronically, you must create an electronically reproducible Sales Draft. The Sales Draft (and a copy of the customer's receipt) must disclose your return and/or cancellation policies.

If the Cardholder wants to use different Cards for payment of a purchase, you may create a separate Sales Draft for each Card used. However, if the Cardholder is using a single Card for payment of a purchase, you shall not divide the purchase into more than one Charge, nor shall you create more than one Sales Draft.

- Submit the Charge to American Express directly, or through your Processor, for payment.
- Retain the original Sales Draft (as applicable) and all documents evidencing the Charge, or reproducible records thereof, for the timeframe listed in our country-specific policies.
- Provide a copy of the Sales Draft to the Cardholder.

You may be able to create more than one Sales Draft if the purchase qualifies for a delayed delivery Charge. The retention time frame for Sales Drafts is twenty-four (24) months from the date you submitted the corresponding Charge to us. Pursuant to applicable law, truncate the Card number and do not print the Card's expiration date on the copies of Sales Drafts delivered to Cardholders. Truncated Card number digits must be masked with replacement characters such as "x," "*" or "#," and not blank spaces or numbers.

If you submit Charges on paper, you must create a Sales Draft containing all of the following required data:

- Full Card number and expiration date (pursuant to applicable law), and if available, Cardholder name.
- The date the Charge was incurred.

- The amount of the Charge, which must be the total price for the purchase of goods and services (plus applicable taxes and gratuities) purchased on the Card.
- A clear description of the goods or services purchased by the Cardholder.
- An imprint or other descriptor of you name, address, Merchant Account Number and, if applicable, store number.
- The words "no refunds" if you have a no refund policy, and you return and/or cancellation policies.

American Express No Signature.

You may participate in the American Express No Signature Program. This No Signature Program allows establishments not to request a signature from Cardholders on the Sales Draft. To qualify for the No Signature Program, both the establishment and each Charge must meet the following criteria:

Establishment Criteria.

If your establishment is classified in an industry that accepts in-person Charges, then the establishment may participate in the No Signature Program with the exception of the following categories:

- Merchants who do not conduct in-person Charges (i.e., internet, mail order or telephone order).
- Prohibited transactions as set forth in Section 14.4 or illegal transactions or activity, as described in Section 39.2.
- High Risk Merchants (e.g., establishments whose business type has had historically high occurrences of fraud and disputed charges with American Express or as compared to other similarly situated merchants (or both); examples include internet electronic services or nightclubs/lounges) as determined by American Express in its sole discretion.
- Merchants placed in our Fraud Full Recourse Program.

Charge Criteria:

- The amount or Charge must meet the threshold established in American Express' country specific policy.
- The Charge Submission must include the appropriate indicator to reflect that the Card and the Cardholder were present at the point of sale.
- The Charge Submission must include a valid approval.

Under the No Signature Program, Chargebacks will not be exercised for such Charges based solely on the establishment's failure to obtain the Cardholder's signature at the point of sale. If a disproportionate amount or a number of disputed Charges under the No Signature Program occur, you must cooperate to reduce the amount or number of disputed Charges. If such efforts fail, you may be placed in American Express Chargeback programs (see American Express Card Organization Rules regarding "chargeback programs"), or your establishment's participation in the No Signature Program may be modified or terminated. The established threshold for charges to qualify under the No Signature Program is \$50.00 or less.

3.2. Mail / Telephone / Internet (Ecommerce) Orders and Other Card Not Present Sales. You may only engage in mail/telephone/Internet orders provided they do not exceed the percentage of your total payment Card volume reflected on your Application. Failure to adhere to this requirement may result in cancellation of your Agreement. Merchants conducting Internet transactions using MasterCard or Visa Cards must have special codes (an "Electronic Commerce Indicator") added to their authorization and settlement records. Discover Network does not use an Electronic Commerce Indicator. Failure to register as a merchant conducting Internet transactions can result in fines imposed by the Card Organizations.

Mail, Telephone, Internet and other Card Not Present transactions have a substantially higher risk of Chargeback. Since you will not have an imprinted or magnetically swiped transaction and you will not have the Cardholder's signature on the Sales Draft as you would in a face-to-face transaction, you will assume all risk associated with accepting a mail/telephone/ Internet or other Card Not Present transaction. The following procedures, while they will not eliminate Chargebacks, are useful in reducing them and should be followed by you:

- Obtain the expiration date of Card.
- On the Sales Draft, clearly print the Cardholder's account number; effective and expiration dates; date of transaction; description of the goods and services; amount of the transaction (including shipping, handling, insurance, etc.); Cardholder's name, billing address and shipping address; authorization code; and merchant's name and address (city and state required); provided, that you must effect PAN Truncation, and must not include the expiration date, on the copy of the Sales Draft or Credit Draft that you provide to the Cardholder, or as required by applicable law, the Sales Draft or Credit Draft you retain.
- For mail orders, write "MO"; for telephone orders, write "TO" on the Cardholder's signature line.
- If feasible, obtain and keep a copy of the Cardholder's signature on file on a form authorizing you to submit telephone and mail order transactions.
- You should utilize the Address Verification Service for all Card Not Present Transactions (see note below). Address Verification is specifically required for all Discover Network Card Not Present Transactions. **If you do not receive a positive match through AVS, you may not process the Discover Network Card Not Present Transaction. If you do not have AVS, contact us immediately.**
- You should obtain the 3- or 4 digit Card Validation Code number and include it with each authorization request. Discover Network Card Organization Rules specifically

require that you submit the Card Validation Code with the authorization request for all Discover Network Card Not Present Transactions.

- For telephone orders, it is recommended that written verification of the sale be requested from the Cardholder (sent by mail or fax).
- You may not submit a transaction for processing until after the merchandise has been shipped or the service has been provided to the customer. (The Card Organizations will permit the immediate billing of merchandise manufactured to the customer's specifications [i.e., special/custom orders] provided the Cardholder has been advised of the billing details.)
- You should provide a copy of the Sales Draft to the Cardholder at the time of delivery. You must also obtain proof of delivery of the goods or services to the address designated by the Cardholder (i.e., by getting a signature of the Cardholder or person designated by the Cardholder through the delivery carrier). If the Cardholder visits one of your locations to receive the goods or services purchased, obtain an imprint of the card and the Cardholder's signature.
- Notify the Cardholder of delivery time frames and special handling and/or cancellation policies. Merchandise shipping dates must be within seven (7) days of the date authorization was obtained. If, after the order has been taken, additional delays will be incurred (e.g., out of stock), notify the Cardholder. If you have not shipped the product by the seventh day, you must reverse the original authorization then reauthorize the transaction.
- You may not require a Cardholder to complete a postcard or other document that displays the Cardholder's account number in clear view when mailed.
- If you accept orders via the Internet, your web site must include the following information in a prominent manner:
 - Complete description of the goods or services offered;
 - Description of your merchandise return and Credit/refund policy;
 - Customer service contact, including email address and/or telephone number;
 - Transaction currency (U.S. dollars, unless permission is otherwise received from Servicers);
 - Any applicable export or legal restrictions;
 - Delivery policy;
 - Consumer data privacy policy;
 - A description of the transaction security used on your website;
 - The sale or disclosure of databases containing Cardholder account numbers, personal information, or other Card transaction information to third parties is prohibited;
 - Your identity at all points of interaction with the Cardholder;
 - Address of merchant including country;
 - Cancellation policy; and
 - Date any free trial period ends.
- You may not accept Card Account Numbers through Electronic Mail over the Internet.

NOTE: AVS (and other fraud mitigation tools such as Verified by Visa, MasterCard Secure Code, CVV2, CVC2 and CID verification) does not guarantee against Chargebacks, but used properly, it assists you in reducing the risk of fraud by confirming whether certain elements of the billing address provided by your customer match the billing address maintained by the Issuer. AVS also may help you avoid incurring additional interchange expenses. AVS is a separate process from obtaining an Authorization and will provide a separate response. A transaction may not match addresses when submitted for AVS and still receive an Authorization. It is your responsibility to monitor the AVS responses and use the information provided to avoid high-risk transactions.

American Express Internet Charges.

Processing a Card Not Present Charge for American Express Transactions you must:

- Submit the Charge to American Express;
- For Card Not Present Charges, you must create a Sales Draft and ask the Cardholder to provide:

- Card number;
- Card expiration date;

In addition, it is recommended that you ask for:

- Name as it appears on the Card,
- Cardholder's billing address, and
- Ship-to address, if different from the billing address.

American Express will not Chargeback for such charges based solely upon a Card- member claim that he or she did not receive the disputed goods if you have:

- Verified the address to which the goods were shipped was the Cardholder's full billing address.
- Provided proof of delivery signed by the Cardholder or an authorized signer of the Card indicating the delivery of the goods or services to the Card- member's full billing address.

American Express will not be liable for actual or alleged fraudulent transactions over the internet and will have the right to Chargeback for those charges.

For Internet Orders, you must:

- Use any separate merchant numbers (seller ID) established for your internet orders in all of your requests for Authorization and Submission of charges.

- Provide us with at least one (1) month's prior written notice of any change in your internet address.
- Comply with any additional requirements that American Express provides from time to time. Additionally, if a disputed Charge arises involving a Card Not Present Charge that is an internet electronic delivery Charge, American Express may exercise Chargeback for the full amount of the Charge and place you in any of its Chargeback programs.

3.2.1. Discover Network Protocol for Internet Transactions. Each Internet Discover Network Card transaction accepted by you and submitted to us shall comply with Discover Network standards, including, without limitation, Discover Network standards governing the formatting, transmission and encryption of data, referred to as the "designated protocol." You shall accept only those Internet Discover Network Card transactions that are encrypted in accordance with the designated protocol. As of the date of these Operating Procedures, the designated protocol for the encryption of data is Secure Socket Layer (SSL). We may, at our discretion, withhold Settlement until security standards can be verified. However, the designated protocol, including any specifications with respect to data encryption, may change at any time upon thirty (30) days advance written notice. You shall not accept any Internet Discover Network Card transaction unless the transaction is sent by means of a browser which supports the designated protocol.

4. Data Security

THE FOLLOWING IS IMPORTANT INFORMATION REGARDING THE PROTECTION OF CARDHOLDER DATA. PLEASE REVIEW CAREFULLY AS FAILURE TO COMPLY CAN RESULT IN SUBSTANTIAL FINES AND LIABILITIES FOR UNAUTHORIZED DISCLOSURE AND TERMINATION OF THIS AGREEMENT.

4.1. Payment Card Industry Data Security Standards (PCI DSS). Visa, MasterCard, Discover Network, JCB and American Express aligned data security requirements to create a global standard for the protection of Cardholder data. The resulting Payment Card Industry Data Security Standards (PCI DSS) defines the requirements with which all entities that store, process, or transmit payment card data must comply. PCI DSS is the name used to identify those common data security requirements. The Cardholder Information Security Program (CISP) is Visa USA's data security program, the Site Data Protection (SDP) program is MasterCard's data security program, Discover Network Information Security and Compliance (DISC) is Discover Network's data security program, and the Data Security Operating Policy (DSOP) is American Express' data security program, each based on the PCI DSS and industry aligned validation requirements. PCI DSS compliance validation is focused on Merchant Equipment (as defined below) where Cardholder data is processed, stored or transmitted, including:

- All external connections into your network (i.e., employee remote access, third party access for processing, and maintenance);
- All connections to and from the authorization and settlement environment (i.e., connections for employee access or for devices such as firewalls, and routers); and
- Any data repository outside of the authorization and settlement environment.

For the purposes of this Section 4, "Merchant Equipment" means any and all equipment you use in connection with Card authorization, clearing, completing, settling, transmitting or other related processing, including, without limitation, all telecommunication lines and wireless connections and software, systems, point-of-sale terminals, card readers, merchandise and card scanners, printers, PIN pad devices and other hardware, whether owned by you, Merchant Providers or other Persons used by you.

The Card Organizations or we may impose fines or penalties, or restrict you from accepting Cards if it is determined that you are not compliant with the applicable data security requirements. We may in our sole discretion, suspend or terminate Services under this Agreement for any actual or suspected data security compromise. You agree that you will not request any Authorizations, submit any Sales Drafts or Credit Drafts until you have read and understood the PCI DSS, CISP, SDP and DISC for which you acknowledge we have provided you sufficient information to obtain, and you will be deemed to have done so upon our receipt of your request or submission of any Authorizations, Sales Drafts or Credit Drafts.

You must comply with the data security requirements described in this Section 4.1, including, without limitation, PCI DSS, SDP, CISP, DSOP and DISC, and any additional Card Organization requirements applicable to payment applications and PIN transactions. Detailed information about PCI DSS can be found at the PCI DSS Council's website: www.pcisecuritystandards.org.

Detailed information about Visa's CISP program can be found at Visa's CISP website: www.visa.com/cisp.

Detailed information about MasterCard's SDP program can be found at the MasterCard SDP website: www.mastercard.com/sdp.

Detailed information about DISC can be found at Discover Network's DISC website: <http://www.discovernetwork.com/merchants/data-security/disc.html>.

Detailed information about DSOP can be found at American Express' DSOP website: www.americanexpress.com/datasecurity.

4.2. Data Security Requirements. You must comply with the data security requirements shown below:

- You must install and maintain a secure network firewall to protect data across public networks.
- You must protect stored data and data sent across networks, using methods indicated in the PCI DSS.
- You must use and regularly update anti-virus software and keep security patches up-to-date.
- You must restrict access to data by business "need to know," assign a unique ID to each person with computer access to data and track access to data by unique ID.
- You must not use vendor-supplied defaults for system passwords and other security parameters.
- You must regularly test security systems and processes.
- You must maintain a policy that addresses information security for employees and contractors.
- You must restrict physical access to Cardholder information.
- You may not transmit Cardholder account numbers to Cardholders for Internet transactions.
- You cannot store or retain Card Validation Codes (three-digit values printed in the signature panel of most Cards, and a four-digit code printed on the front of an American Express Card) after final transaction authorization.
- You cannot store or retain Magnetic Stripe data, PIN data, chip data or AVS data. Only Cardholder account number, Cardholder Name and Cardholder expiration date can be retained subsequent to transaction authorization.
- You must destroy or purge all Media containing obsolete transaction data with Cardholder information.
- You must keep all systems and Media containing Card account, Cardholder, or transaction information (whether physical or electronic) in a secure manner so as to prevent access by, or disclosure to any unauthorized party.
- For Internet transactions, copies of the transaction records may be delivered to Cardholders in either electronic or paper format.
- You must use only services and Merchant Equipment that have been certified as PCI-DSS compliant by the Card Organizations.

4.3. Compliance Audits. You may be subject to ongoing validation of your compliance with PCI DSS standards. Furthermore, we retain the right to conduct an audit at your expense, performed by us or a Person designated by us to verify your compliance, or that of your agents or Merchant Providers, with security procedures and these Operating Procedures.

4.4. Immediate Notice Required. In the event that transaction data is known or suspected of having been accessed or retrieved by any unauthorized Person, you must contact us immediately, and in no event more than 24 hours after becoming aware of such activity.

4.5. Investigation. You must, at your own expense (i) perform or cause to be performed an independent investigation, including a forensics analysis performed by a certified forensic vendor acceptable to us and the Card Organizations in accordance with Card Organization standards, of any data security breach of Card or transaction data, (ii) provide a copy of the certified forensic vendor's final report regarding the incident to us and the Card Organizations, (iii) perform or cause to be performed any remedial actions recommended by any such investigation, and (iv) cooperate with us in the investigation and resolution of any security breach. Notwithstanding the foregoing, if required by a Card Organization, we will engage a forensic vendor approved by a Card Organization at your expense. You must cooperate with the forensic vendor so that it may immediately conduct an examination of Merchant Equipment, and your and Merchant Providers' procedures and records and issue a written report of its findings.

4.6. Required Information for Discover Network Security Breaches. For security breaches involving Discover Network transactions and/or track data, you must provide us and/or Discover Network with the following information: (i) the date of breach; (ii) details concerning the data compromised (e.g., account numbers and expiration dates, Cardholder names and addresses, etc.); (iii) the method of such breach; (iv) your security personnel contacts; (v) the name of any person (including law enforcement) assisting you with your investigation of such breach; and (vi) any other information which we reasonably request from you concerning such breach, including forensics reports. You shall provide such information as soon as practicable, and the items listed in (i)-(v) shall be provided to us in any event within 48 hours of your initial notification to us of the breach.

4.7. Merchant Providers. The data security standards set forth in this Section 4 also apply to Merchant Providers. Before you engage any Merchant Provider, you must provide to us in writing (a) the Merchant Provider's legal name, (b) contact information, and (c) intended function. You acknowledge and agree that you will not use, or provide Cardholder data access to, any Merchant Provider until you receive our approval and, if required, confirmation of our registration of that Merchant Provider with applicable Card Organizations. You must ensure that you and Merchant Providers: (i) comply with the registration process which can involve site inspections, background investigations, provision of financial statements, and any other information required by a Card Organization; (ii) comply with

the periodic and other reporting required by a Card Organization; and (iii) comply with all applicable Card Organization Rules, including without limitation, those requiring security of Cardholder data. You may allow Merchant Providers access to Cardholder data only for purposes authorized under and in conformance with the Card Organization Rules. You are responsible for all our costs and expenses associated with our review, approval, certification (and recertification as may be required by us or the Card Organization Rules) and registration of any Merchant Providers.

Your use of the Services, equipment, software, systems, materials, supplies or resources of third parties regarding your Card transactions processing, including, without limitation, Merchant Providers and any third party lessors or licensors, will not affect your obligations under this Agreement to us which will apply to the same extent as if you had not used them. We have no liability or responsibility to you or others regarding these third parties, even if we referred them to you. These third parties are your agents, and you are solely responsible for (i) determining whether they can meet your needs and standards, (ii) their actions, inactions and compliance with the terms of this Agreement and the Card Organization Rules and (iii) any and all fees, costs, expenses and other obligations owed to them by you or owed by them to us or to Card Organizations.

4.8. Noncompliance Fees. If we have not received receipt of your validation of compliance with your PCI DSS standards within the first 90 days of the date of the Agreement, you will be charged a monthly non-receipt of PCI Validation fee as set forth in the Application or as otherwise communicated to you, for the period beginning upon expiration of the 90 day period, until such time as you are compliant or this Agreement is terminated, whichever comes first. This monthly non-receipt of PCI Validation fee is in addition to any and all other fees for which you are responsible related to your failure to be compliant as required hereunder.

4.9. Costs. If you or a Merchant Provider (or other Person used by you) are determined by any Card Organization, regardless of any forensic analysis or report, to be the likely source of any loss, disclosure, theft or compromise of Cardholder data or Card transaction information, or caused Cardholder data to be put at risk (together, "Compromised Data Events") and regardless of your belief that you have complied with the Card Organization Rules or any other security precautions and are not responsible for the Compromised Data Event, you must promptly pay us for all related expenses, claims, assessments, fines, losses, costs, and penalties and Issuer reimbursements imposed by the Card Organizations against us (together, "Data Compromise Losses"). In addition to the foregoing, you must also pay us promptly for all expenses and claims made by Issuers against us alleging your responsibility for the Compromised Data Event, apart from any claim procedures administered by the Card Organizations.

5. Authorizations

Each authorization request you submit to us must fully comply with the applicable provisions of this Agreement. Submission of an authorization request that does not fully comply may result in assessment of additional fees to you, a declined authorization response or a Chargeback to you.

An Authorization Approval Code only indicates the availability of Credit on an account at the time the Authorization is requested. It does not guarantee or warrant that the person presenting the Card is the rightful Cardholder, the Charge is in fact valid or bona fide, nor is it a promise or guarantee that you will be paid for the Charge and not be subject to a Chargeback.

You must obtain an Authorization Approval Code from us (or as authorized, pursuant to Section 5.4) for all transactions. A positive authorization response for MasterCard remains valid for seven (7) days for electronic processed transactions. A positive authorization response for Visa will remain valid for thirty (30) calendar days from the date the Issuer provides the Authorization response for Card Sales in the car rental industry, airline and passenger railway industries, the lodging industry, and other travel MCCs including passenger transport and ten (10) days from the date of the Authorization response for Card Sales by Merchants in all other industries and MCCs. A positive Authorization response for Discover Network transactions remains valid for ten (10) days for Non T&E transactions and thirty (30) days for T&E transactions. A positive Authorization response for American Express Non T&E transactions are good for seven (7) days, American Express T&E transactions are good for thirty (30) days. Failure to obtain an Authorization Approval Code for a sales transaction may result in a Chargeback and/or the termination of your Agreement. Authorization Approval Codes can be obtained through your POS Terminal or a Voice Response Unit ("VRU"). Any fees related to authorizations will be charged per each request for an Authorization Approval Code, whether or not the transaction is approved.

Do not attempt to obtain an Authorization Approval Code provided by someone other than us except as described in Section 5.4. If a Cardholder or another service provider provides you with either an authorization number or with a telephone number for obtaining authorizations, the Authorization Approval Code you receive may not be valid. Even if the transaction is initially processed and funded, it may be charged back at a later date. Also, if you receive a purported Authorization Approval Code from someone other than us, we will not have the supporting records and will be unable to verify that you received the authorization if that is later questioned in a Chargeback.

If you obtain Address Verification, you must review the AVS response separately from the authorization response and make your own decision about whether to accept the transaction. A transaction can receive an Authorization Approval Code from the Issuer even if AVS is unavailable or reflects that the address provided to you does not match the billing address on file at the Issuer. If the authorized Cardholder disputes such a transaction, you will be responsible for the resulting Chargeback.

If you receive a Referral response to an attempted authorization, you may not submit the transaction without calling for and receiving a voice authorization. After receiving a Referral response you may not attempt another authorization on the same Card through your POS Terminal.

If you fail to obtain an Authorization Approval Code or if you submit a Card transaction after receiving a decline (even if a subsequent authorization attempt results in an Authorization Approval Code), your transaction may result in a Chargeback and may be assessed fines or fees by the Card Organizations for which you will be responsible. These currently range from \$25 to \$150 per transaction. To avoid these costs and related Chargebacks, always obtain an Authorization Approval Code directly from your terminal before submitting a transaction for settlement.

You may not attempt to obtain multiple authorizations for a single transaction. If a sale is declined, do not take alternative measures with the same Card to obtain an approval of the sale from other authorization sources. Instead, request another form of payment. If you accept and process a transaction that was declined, or attempt multi-transactions and/or multi-authorizations, you are subject to a Chargeback, Card Organization fines and/or cancellation of your Agreement. Do not discuss reason for decline with a Cardholder rather refer them to the customer service number on the back of the Card.

For Visa, MasterCard and Discover transactions, automated fuel dispensers must ensure that completion messages are submitted for such Card transactions within 60 minutes of the Authorization.

For Discover transactions, Merchants operating in the petroleum industry that conduct Card Sales at Automated Fuel Dispensers (AFDs), may submit an Authorization Request for \$1.00 to verify the validity of the Card presented. Under such circumstances, you must submit an Authorization Advice Message for the actual amount of the Card Sale within sixty (60) minutes of completion of fuel delivery regardless of whether you previously received a Partial Authorization Response or a positive Authorization Response for any other amount. If you do not complete the Card Sale following receipt of an approved Authorization Response for any amount, a request to cancel the Authorization Request must be submitted within sixty (60) minutes of the completion of fuel delivery.

5.1. Card Not Present Transactions. You must obtain the 3- or 4 digit Card Validation Code (CVV2, CVC2, CID) and submit this Code with all authorization requests with respect to transactions where the Card is not present (e.g., telephone, mail or internet sales). However, for recurring transaction authorizations you should submit the Card Validation Code with the first authorization request only, and not with subsequent recurring transaction authorization requests. (See Section 1.7). **NOTE:** For each Card Not Present Discover Network transaction, you must also verify the name and billing address of the Discover Network Cardholder using the Address Verification System (AVS), and if you do not receive a positive match, do not process the Discover Network Card Not Present transaction.

5.2. Authorization via Telephone (Other Than Terminal/Electronic Device Users).

- Call your designated voice authorization toll free number and enter the authorization information into the VRU using a touch tone phone or hold for an authorization representative.
- If advised to pick up a Card, use reasonable and peaceful means to do so, and do not take any action that will alarm or embarrass the Card presenter. You will bear all responsibility for claims, liabilities, costs and expenses as a result of any action by you, your employees, vendors or agents, that attempt to retain a Card without the Issuer's direct request or failure to use reasonable, lawful means in retaining or attempting to retain the Card. Forward the Card to: Attn: Rewards Department, P.O. Box 5019, Hagerstown, MD 21740. You may be paid a reward for the return of the Card.
- On occasion, the Authorization Center will ask you to obtain identification from the Cardholder before issuing an approval code. If you are instructed to do so, clearly write the appropriate identification source and numbers in the space provided on the Sales Draft unless otherwise prohibited by law.
- If the sale is declined, please remember that our operators are only relaying a message from the Issuer. The fact that a sale has been declined should not be interpreted as a reflection of the Cardholder's creditworthiness. The Cardholder should be instructed to call the Issuer.

5.3. Authorization via Electronic Devices.

- If you use an electronic terminal to obtain an Authorization Approval Code, all sales should be authorized through this equipment. Authorizations through other methods will result in additional charges to you.
- If your terminal malfunctions, refer to your Quick Reference Guide, if necessary, or call the POS Help Desk. The problem will either be corrected promptly or may require terminal programming or replacement. During the period in which your terminal is not functioning, remember to check it periodically since most terminal problems are temporary in nature and are quickly corrected.
- If a terminal is moved or if wires are disconnected, causing malfunction, call the POS Help Desk immediately and follow their instructions. You may be responsible for any service charges incurred for reactivation of the terminal.
- Until the terminal becomes operable, you must call your designated voice authorization toll free number and enter authorization information into the VRU using a touchtone phone. During this time, each transaction must be imprinted using a manual Imprinter machine. Failure to obtain an Authorization Approval Code and to imprint these transactions could result in a Chargeback to your account.

5.4. Third Party Authorization System. If you have contracted with another authorization network to obtain Credit Card authorization, i.e., your terminal can Split Dial,

liability resulting from discrepancies with that network must be resolved between you and that network. We will not research Chargebacks resulting from Authorization Approval Codes obtained from another authorization service organization. Such Chargebacks will be passed through to you for resolution. If an authorization provided by a third party authorization system is challenged in a Chargeback, you must obtain proof (e.g., third party authorization logs) from the authorization source and submit it to us within the time frame specified on the Chargeback documentation.

IF YOU CONTRACTED TO USE ONE OF OUR AUTHORIZATION SERVICES, DO NOT USE ANOTHER THIRD PARTY SYSTEM WITHOUT NOTIFYING CUSTOMER SERVICE. OTHERWISE, WE WILL BE UNABLE TO SUCCESSFULLY RESEARCH AND DEFEND ANY AUTHORIZATION RELATED CHARGEBACKS ON YOUR BEHALF. THIS DELAY WILL SIGNIFICANTLY DECREASE YOUR TIME TO RESEARCH AND PROVIDE PROOF OF AUTHORIZATION, THUS REDUCING YOUR OPPORTUNITY TO REVERSE A CHARGEBACK.

If you utilize another authorization network, you will be responsible for the downgrade of any transactions to a higher cost interchange that result from a mismatch of information to our systems and those of third party authorization networks (see Section 19.1).

If you use a third party authorization network, you must also comply with Section 4.7.

Call the following for other Card types:

American Express Direct	1-800-528-5200
JCB, International	1-800-522-9345

TeleCheck	1-800-366-5010
Voyager	1-800-987-6589
WEX	1-800-842-0071

Available 24 hours/day; 7 days/week.

All approved sales authorized in this manner must be entered manually as "post authorization" transactions into the terminal, once the terminal becomes operational. All Credit transactions must be entered into the terminal for data capture. You may be subject to a Chargeback if you receive a Referral and subsequently receive an approval. To reduce the risk of such a Chargeback, the Card should be imprinted using a manual Imprinter machine. (For specific procedures on Electronic Data Capture, refer to the Terminal Operating Instructions/Users Guide.) If the terminal malfunctions for more than twenty-four (24) hours, contact Customer Service for further instructions on processing your transactions.

5.5. Automated Dispensing Machines. Records must be produced for all transactions whose origin and data capture are automated dispensing machines or Limited Amount Terminals. Records should include the Cardholder account number, merchant's name, terminal location, transaction date and amount.

5.6. Pre-Authorization for T&E (Travel & Entertainment) and Restaurant Merchants. If you are a business engaged in providing travel and/or entertainment services (e.g., car rentals, hotels, motels, etc.) or a restaurant business, and engage in the practice of "pre-Authorization" you must comply with the following general procedures:

- A hotel, motel, or car rental merchant may obtain an estimated Visa, MasterCard or Discover Network authorization at the time of check-in or reservation.
- Restaurants must not add an estimated tip amount to the authorization request beyond the value of the goods provided, or services rendered, plus any applicable tax.
- You must notify the Cardholder of the dollar amount you intend to "Pre-Authorize."
- If the customer decides to use another form of payment (e.g., cash, check, etc.) you must promptly call the Voice Authorization Response Unit to delete the authorization hold. Provide the Cardholder's account number, original dollar amount and date of the transaction, and the authorization code. If a new transaction takes place, a new imprinted and signed Sales Draft for the exact amount and a new authorization code for that amount must be obtained.
- VEHICLE RENTAL PROVIDERS MAY NOT INCLUDE POTENTIAL VEHICLE DAMAGE OR INSURANCE DEDUCTIBLES IN ANY PREAUTHORIZATIONS.
- If you receive a decline on a transaction, you must wait twenty-four (24) hours before attempting to reauthorize. If you reauthorize prior to this time frame and receive an approval, you may be subject to a Chargeback and a fine imposed by the Card Organizations.
- Hotels, motels, and car rental merchants are allowed up to a 15% variance above the amount authorized. If the final amount charged to the Cardholder exceeds the original estimate by more than 15% above the preauthorization, you must authorize any additional amounts, and all incremental authorization codes must be written in the authorization area along with the date of authorization and the amount authorized.
- Pre-Authorization for certain establishments, are allowed up to a 20% (instead of 15%) variance above the amount authorized. If the final amount exceeds the amount "preauthorized" by more than 20%, you must authorize the additional amount. Estimating the Authorization amount to include a tip is prohibited. The authorization request should include only the amount associated with the bill presented to the consumer.
- You should obtain an authorization for the initial estimated charges and then monitor the charges to ensure that the actual charges made do not exceed the estimated charges. If the actual charges exceed the amount of the initial estimated authorization (and any subsequent estimated authorizations), then you must secure a positive authorization for the additional amount.

NOTE: Subsequent authorizations should only be for the additional amount of total charges and not include amounts already authorized.

- The estimated amount of any pre-authorization for lodging accommodations must be based on (i) the intended length of stay; (ii) the room rate; (iii) applicable taxes and service charges; and (iv) other miscellaneous charges as dictated by experience.
- If an authorization request is declined, no charges occurring after that date will be accepted for that Cardholder.
- You do not need to obtain a final authorization if the total sum of charges (the final amount) does not exceed 20% of the previously authorized charges. You must record the dates, authorized amounts, and their respective Authorization Approval Codes on the Sales Draft(s).

5.7. Discover Network Procedure for Request for Cancellation of Authorization.

If a Discover Network Card sale is cancelled or the amount of the transaction changes following your receipt of authorization for the sale, you must call your Authorization Center directly and request a cancellation of the authorization. An authorization may be cancelled at any time within ten (10) days of your receipt of the authorization, but must be cancelled before the sales data relating to the transaction is submitted to us, after which the authorization cannot be changed. For an authorization cancellation, you must provide us with the following information, in this order:

- The Discover Network Merchant Account Number used in the authorization;
- The Card number;
- The original amount of the authorization being cancelled;
- The new amount of the total transaction (if any);
- The original authorization code for the authorization being cancelled;
- The expiration date of the Card; and
- A brief reason for the authorization cancellation.

5.8. Partial Authorization and Authorization Reversal. Partial authorization provides an alternative to a declined transaction by permitting an Issuer to return an authorization approval for a partial amount, an amount less than the transaction amount requested by the merchant when the available card balance is not sufficient to approve the transaction in full. The Cardholder is able to use up the remaining funds on the card and select another form of payment (i.e., another payment card, cash, check) for the remaining balance of the transaction. For MasterCard transactions, partial authorization is optional for batch authorized e-commerce transactions, mail order, telephone order transactions and recurring payment transactions. For Discover transactions, partial Authorization support is optional for Card Not Present transactions. If you support partial authorizations, a partial authorization indicator must be included in each authorization request. It is a requirement for all U.S. and U.S. Territory merchants that provide cash-back at Point of Sale to support Visa Partial Authorization.

An authorization reversal must be submitted if the authorization is no longer needed, a partial amount of the total authorized is submitted for the settled transaction, or the Cardholder elects not to complete the purchase. The transaction sent for settlement must be no more than the amount approved in the partial authorization response. In the event that you wish to support the partial authorization functionality, you must contact Processor for additional rules and requirements. An authorization reversal may only be submitted if the transaction has not settled. Once the transaction has settled, only a Credit or refund can occur.

6. Submission/Deposit of Sales Drafts and Credit Drafts

6.1. Submission of Sales for Merchants Other Than Your Business. You may present for payment only valid charges that arise from a transaction between a bona fide Cardholder and your establishment. If you deposit or attempt to deposit transactions that arise from sales between Cardholders and a different business than the one approved by us in our Agreement with you, then the transaction may be charged back, we may suspend or debit funds associated with all such transactions, and we may immediately terminate your account and the Agreement.

6.1.1. Factoring. Factoring is considered merchant fraud and strictly prohibited. Factoring is the submission of authorization requests and/or Sales Drafts by a merchant for Card transactions transacted by another business. If you submit Sales Drafts on behalf of another person, you will suffer any losses associated with the disputes of any such Sales Draft and/or transaction. Also if any fraud is involved, you could face criminal prosecution.

6.2. Timeliness. In order to qualify for the lowest interchange Discount Rate, all Sales and Credit Drafts must be properly completed and submitted daily. If you have not received payment for submitted Sales Drafts after one (1) week from your normal payment date, contact Customer Service. Late Submission of Sales or Credit Drafts may result in increased interchange rates or fees or in a Chargeback to you.

6.3. Electronic Merchants: Daily Batching Requirements & Media Submission. Batches must be transmitted to us by the time indicated in Section A.2. of Part IV, of this Agreement) in order to be processed on the date of transmission. Additionally, if you deposit via magnetic tape, electronic transmissions, or Electronic Data Capture terminal, and have contracted to send the actual Sales Drafts and Credit Drafts to us for imaging and retrieval, the Media must be batched daily by register/terminal following the procedures below. Failure to do so may result in a processing fee and/or a Chargeback due to our inability to retrieve the Media as requested by the Issuer.

- A register/terminal Batch header form must be filled out for each Batch of Media.
- The Batch header must be imprinted with your Merchant Identification Card, and all areas completed properly (i.e., Batch number, date, amount, number of items, etc.).

- The Batch/deposit total must match to the settled/reconciled amount displayed on the terminal upon closing the Batch.
- Any discrepancies between the actual Media and electronic display must be reconciled and corrected before storing the Media (for merchants who contract to hold their Media) or before sending us the copies of the deposit. Otherwise, transactions may appear to be a new Submission and may be manually keyed (causing duplicate billing to Cardholders and resulting in Chargebacks) or we may not be able to retrieve an item when requested by the Issuer.
- It is your responsibility to ensure that the actual Media is batched correctly and, depending on the terms of your Agreement, either stored at your location or sent to Processor. (In some cases, the actual Media is sent daily to your head office, and forwarded to Processor for imaging.)
- You must confirm that your equipment has transmitted your Batches to us at least once daily. Even if your equipment is designed or programmed to close and submit Batches without your intervention, it is ultimately your responsibility to confirm that the Batches have been transmitted to us for processing.

NOTE: A batch is defined as: Sales Drafts and Credit Drafts received per day, per transaction date, per location. (maximum 500 documents per batch)

7. Settlement

Except as otherwise set forth in this Program Guide, Your funds for MasterCard/Visa/Discover Network and American Express transactions will ordinarily be processed and transferred to your financial institution within two (2) Business Days from the time a Batch is received by Processor if your financial institution is the Bank. If your financial institution is not the Bank, your MasterCard/Visa/Discover transactions will ordinarily be processed via the Federal Reserve within two (2) Business Days from the time a Batch is received by Processor. The Federal Reserve will transfer such amounts to your financial institution.

If you have been classified by Discover Network as having a Discover Direct Strategic Relationship with Discover Network, we will not acquire your Discover Network transactions and they will be subject to your agreement with Discover Network.

You acknowledge and agree that if we have not agreed to or do not acquire transactions for any Card type (i) we have no liability or responsibility whatsoever for the settlement of or disputes regarding those transactions and (ii) you will pursue directly with the related Card Organization all claims and disputes regarding those transactions. You agree to pay us for per item processing, authorization and other fees in the Application for any non-acquired transaction services you receive from us. For the avoidance of doubt, with respect to the payments you have elected to accept on your Merchant Processing Application, you authorize us to submit Card transactions to, and receive settlement for such transactions from, the applicable Card Organizations on your behalf.

8. Refunds/Exchanges (Credits)

8.1. Refunds.

- You must promptly complete and submit a Credit Draft for the total amount of the Credit, which must include the following information:
 - The account number and expiration date;
 - The Cardholder's name;
 - Your name, city, state and Merchant Account Number;
 - A description of the goods or services;
 - The transaction date of the Credit;
 - The total amount of the Credit; and
 - For Discover Network transactions, the approved currency used and the signature of your authorized representative or employee.
- You cannot process a Credit transaction that does not correspond to a previous transaction on the original Sales Draft.
- Full refunds must be for the exact dollar amount of the original transaction including tax, handling charges, etc. (You must identify the shipping and handling charges incurred.) The refund amount may not be for more than the original Card sale amount.
- All dollar amounts and other handwritten information must be clearly written. (Stray marks on the Credit Draft will render it unscannable/illegible.)
- Do not circle or underline any information on the Credit Draft.
- Imprint the Credit Draft with the same Card used by the Cardholder to make the original purchase when applicable. You should not credit an account that differs from the account used for the original transaction.
- Never give cash or check Credit refunds for Card sales.
- Have the Cardholder sign the Credit Draft, give the Cardholder the appropriate copy, and deposit the Credit Draft immediately. Failure to process a Credit within five (5) calendar days may result in a Chargeback.
- Authorization is not required for Credits.
- You cannot intentionally submit a sale and an offsetting Credit at a later date solely for the purpose of debiting and crediting your own or a customer's account.
- You are responsible for paying all refunds submitted to us on your merchant account. We assume no responsibility for verifying any Credits or refunds.
- Do not process a Credit transaction once a Chargeback is received. Credits issued after a Chargeback has been received may not be recoverable and the merchant would be financially responsible for the credit as well as the Chargeback.

- YOU ARE RESPONSIBLE TO SECURE YOUR TERMINALS AND TO INSTITUTE APPROPRIATE CONTROLS TO PREVENT EMPLOYEES OR OTHERS FROM SUBMITTING CREDITS THAT DO NOT REFLECT BONA FIDE RETURNS OR REIMBURSEMENTS OF PRIOR TRANSACTIONS.

8.1.1. Processing a Credit for American Express Transactions.

These are additional requirements for a Credit for purchases or payments made on an American Express Card.

To issue a Credit, you must:

1. Compare the last four digits on the Sales Draft against the Card presented (when applicable).
2. Have the Cardholder sign the Credit Draft (when applicable).
3. Provide a copy of the Credit Draft to the Cardholder.

You must not issue a Credit when there is no corresponding Charge, nor issue a Credit in exchange for cash or other consideration from a Cardholder. You must submit all Credits under the establishment where the Credit originated. A Credit must be issued in the currency in which the original Charge was submitted to us. You must issue Credits to the Card used to make the original purchase; however, if the Credit is for the return of a gift by someone other than the Cardholder who made the original purchase, apply your usual refund policy.

If the Cardholder indicates that the Card on which the purchase was originally made is no longer active or available, do the following:

- For all Cards except Prepaid Cards, advise the Cardholder that you must issue the Credit to that Card. If the Cardholder has questions, advise him or her to call the customer service number on the back of the Card in question.
- If the inactive or unavailable Card is a Prepaid Card, apply your usual refund policy for returns.

If you issue a Credit, American Express will not refund the discount or any other fees or assessments previously applied on the corresponding Charge. The discount on Chargebacks will not be refunded.

Your return and cancellation policies must be fair and clearly disclosed at the time of sale in compliance with applicable law. Your policies must be conveyed to the Cardholder prior to completion of the Charge and printed on a copy of a receipt or Sales Draft. Your refund policy for purchases on the American Express Card must be at least as favorable as your refund policy for purchases made with other payment products or other payment methods.

Return Policy recommendations.

Provide clear return instructions for your customers, including the following information:

- Customer service telephone number.
- Reference number for the return.
- Expected processing time for the Credit.
- Return address, preferably on a pre-formatted shipping label (if applicable).

You must submit all Credits to us within seven (7) days of determining that a Credit is due.

Cancellation Policy Recommendations.

- Provide document cancellation policy and terms and conditions on the contract the Cardholder signs, or on your website, as applicable.
- Provide Cardholder with a cancellation number that can be tracked in your records.

American Express Return Policy For Prepaid Products.

If your return policy for the purchase of prepaid products is different from your standard return policy, you must ensure that such prepaid product-specific return policy is clearly disclosed to the Cardholder at the time of purchase in accordance with applicable law and also coded to print on all receipts and copies of Sales Drafts you provide to Cardholders.

8.2. Exchanges.

- No additional paperwork is necessary for an even exchange. Just follow your standard company policy.
- For an uneven exchange, complete a Credit Draft (follow the procedures outlined in Section 8.1) for the total amount of only the merchandise returned. The Cardholder's account will be credited for that amount. Then, complete a new Sales Draft for the total amount of any new merchandise purchased.

9. Retention of Records For Retrievals and Chargebacks

9.1. Retain Legible Copies.

For Visa: You must securely retain legible copies of all Sales Drafts and Credit Drafts or any other transaction records for a period of thirteen (13) months from the date of each transaction and a period of five (5) years for the retention of healthcare Sales Drafts and Credit Drafts. The Sales Drafts you retain must comply with all requirements (see Section 3.1).

For MasterCard: You must securely retain legible copies of all Sales Drafts and Credit Drafts or any other transaction records for a period of thirteen (13) months from the date of each transaction and a period of five (5) years for the retention of healthcare Sales Drafts and Credit Drafts. The Sales Drafts you retain must comply with all requirements (see Section 3.1).

For Discover Network: You must securely retain legible copies of all Sales Drafts and Credit Drafts or any other transaction records for the longer of (i) 365 days or (ii) the resolution of any pending or threatened disputes, claims, disagreements or litigation involving the

Card transaction. You must also keep images or other copies of Sales Drafts for no less than three (3) years from the date of the Discover Network transaction.

For American Express: You must submit the Credit to American Express directly, or through your Processor, for payment. You must securely retain legible copies of all Sales Drafts and Credit Drafts or any other transaction records for 24 months from the date you submitted the corresponding Credit to us. You must also provide a copy of the Credit Draft to the Cardholder or as required by applicable law, truncate the Card Number and do not print the Card's expiration date on copies of Credit Drafts delivered to the Cardholder.

9.2. Provide Sales and Credit Drafts. You must provide all Sales Drafts and Credit Drafts or other transaction records requested by us within the shortest time limits established by Card Organization Rules. You are responsible for any deficiencies in Card transaction data transmitted or otherwise delivered to us.

10. Chargebacks, Retrievals and Other Debits

10.1. Chargebacks.

10.1.1. Generally. Both the Cardholder and the Issuer have the right to question or dispute a transaction. If such questions or disputes are not resolved, a Chargeback may occur. As a result, we will debit your Settlement Account or settlement funds for the amount of each Chargeback. It is strongly recommended that, whenever possible, you contact the Cardholder directly to resolve a disputed transaction or Chargeback, unless the dispute involves a Discover Network Cardholder, in which case Discover Network rules and regulations expressly prohibit you from contacting the Discover Network Cardholder regarding the dispute. You are responsible for all Chargebacks, our Chargeback fees, and related costs arising from your transactions.

10.1.2. Transaction Documentation Requests. In some cases, before a Chargeback is initiated, the Issuer will request a copy of the Sales Draft, via a request for transaction documentation. We will forward the request to you. You must respond to the request within the time frame and manner set forth in the request. We will then forward your response to the Issuer. If you fail to timely respond, we will so notify the Issuer and a Chargeback may result. Upon receipt of a transaction documentation request, immediately retrieve the requested Sales Draft(s) using the following guidelines:

- Make a legible copy, centered on 8-1/2 x 11-inch paper (only one (1) Sales Draft per page).
- Write the 'case number' from the request for transaction documentation on each copy/page.
- If applicable, make copies of a hotel folio, car rental agreement, mail/phone/internet order form, or other form of receipt.
- If a Credit transaction has been processed, a copy of the Credit Draft is also required.
- Letters are not acceptable substitutes for Sales Drafts.
- Fax or mail legible copies of the Sales Draft(s) and Credit Drafts, if applicable, to the fax number or mail address provided on the request form.
- If you fax your response, please set your fax machine to print your fax number and name on the documents that you send. We can use this information to help determine where the documentation received originated from should additional research be required.
- Additionally, please set the scan resolution on your fax machine to the highest setting. The higher resolution setting improves the clarity of characters and graphics on the documentation transmitted and helps reduce the number of illegible fulfillments and/or Chargebacks.

If we do not receive a clear, legible and complete copy of the transaction documentation within the timeframe specified on the request, you may be subject to a Chargeback for which there may be no recourse.

A handling fee may be charged by the Issuer and will be debited from your Settlement Account or settlement funds if, a transaction documentation request results from a difference in the following information on the Sales Draft and the transmitted record: Merchant name or an incorrect city, state, foreign country and/or transaction date.

10.1.3. Chargeback Process. Regardless of whether you respond to a transaction documentation request, a Chargeback may be debited to your Settlement Account for numerous reasons (see below). If the Issuer submits a Chargeback, we will send you a Chargeback notification, which may also include a request for transaction documentation.

Due to the short time requirements imposed by MasterCard, Visa, Discover Network and American Express, it is extremely important that you respond to a Chargeback notification and transaction documentation request within the time frame set forth in the notification. Do not process a Credit transaction once a Chargeback is received; the Issuer will credit the Cardholder's account. Credits issued after a Chargeback has been received may not be recoverable and you may be financially responsible for the Credit as well as the Chargeback. If the information you provide is both timely and, in our sole discretion, sufficient to warrant a representation of the transaction and/or reversal of the Chargeback, we will do so on your behalf. However, representation and/or reversal is/are ultimately contingent upon the Issuer and/or Cardholder accepting the transaction under applicable Card Organization guidelines. Representation or reversal is not a guarantee that the Chargeback has been resolved in your favor.

For Visa Chargebacks: If we reverse the Chargeback and represent the transaction to the Issuer, the Issuer, at its sole discretion, may elect to submit the matter for arbitration before Visa. Visa currently charges a \$250 filing fee and a \$250 review fee. You will be responsible for all such fees and charges whether or not a decision is made in your favor, and any other applicable fees and charges imposed by Visa, as they may change from time to time. Such fees and charges will be debited from your Settlement Account or settlement funds, in addition to the Chargeback.

For MasterCard Chargebacks: If we reverse the Chargeback and represent the transaction to the Issuer, the Issuer, at its sole discretion, may elect to resubmit the Chargeback. In such event, at the discretion of Processor, we will debit your Settlement Account or settlement funds for the Chargeback. However, if you feel strongly that it is an invalid Chargeback, we may, on your behalf and at your request, submit the matter for arbitration before MasterCard. MasterCard currently charges a \$150 filing fee and a \$250 review fee. You will be responsible for all such fees and charges whether or not a decision is made in your favor and any other applicable fees and charges imposed by MasterCard as they may change from time to time. Such fees and charges will be debited from your Settlement Account or settlement funds, in addition to the Chargeback.

For Discover Network Chargebacks: If Discover Network rejects our representation request and you feel strongly that the Chargeback is invalid, we may, at the discretion of Processor and on your behalf and at your request, submit the matter for dispute arbitration before Discover Network. Discover Network charges fees for representation requests and an arbitration fee as published in their fee schedule.

For American Express Chargebacks: You may request a Chargeback reversal if the Chargeback was applied in error. In order for us to consider your request, you must have responded to the original inquiry within the specified timeframe set forth in your dispute notification, and provide all supporting documentation to substantiate the error.

If the Chargeback is not disputed within the applicable time limits set forth by MasterCard, Visa, Discover Network and American Express rules and regulations, reversal rights are forfeited. Our only alternative, for Visa and MasterCard non-fraud Chargeback reason codes, is to attempt a “good faith collection” from the Issuer on your behalf. This process can take up to six (6) months and must meet the Issuer’s criteria (e.g., at or above a set dollar amount). Good faith collection attempts are not a guarantee that any funds will be collected on your behalf. Issuers normally charge good faith collection fees, which are deducted from the transaction amount if accepted in addition to any processing fees that are charged by us.

NOTE: Discover Network and American Express do not offer good faith collection for Acquirers.

MasterCard and Visa Card Organization Rules require that a merchant make a good faith attempt and be willing and able to resolve any disputes directly with the Cardholder. Discover Network rules and regulations, however, prohibit you and/or us from contacting the Cardholder directly regarding dispute(s) or any other matter, except as required for acceptance of Discover Network transactions, and require you and/or us to submit any responses to dispute notices directly to Discover Network.

Due to Card Organization Rules, you may not re-bill a Cardholder after a Chargeback is received for that transaction, even with Cardholder authorization.

We strongly recommend that you include a detailed rebuttal letter along with all pertinent documents when responding to a transaction request or a Chargeback notification (e.g., rental agreement, imprinted portion of the invoice or Sales Draft; the portion signed by the Cardholder; and the area where the authorization codes, with amounts and dates, are located).

Due to the short time frames and the supporting documentation necessary to successfully (and permanently) reverse a Chargeback in your favor, we strongly recommend the following:

- Avoid Chargebacks by adhering to the guidelines and procedures outlined in these Operating Procedures.
- If you do receive a Chargeback, investigate, and if you dispute the Chargeback, submit the appropriate documentation within the required time frame.
- Whenever possible, contact the Cardholder directly to resolve the dispute, unless the dispute relates to a Discover Network Cardholder, in which case direct contact with the Discover Network Cardholder regarding the dispute is prohibited by Discover Network Card Organization Rules.
- If you have any questions, call Customer Service.

10.1.4. Chargeback Reasons. This section outlines the most common types of Chargebacks. This list is not exhaustive. For ease of understanding, we have combined like Chargebacks into six groupings. We have included recommendations on how to reduce the risk of Chargebacks within each group. These are recommendations only, and do not guarantee that you will be able to prevent Chargebacks.

1. Authorization Issues: Proper Authorization procedures were not followed and valid Authorization was not obtained.

The following scenarios could cause an Authorization Related Chargeback to occur:

- Authorization not obtained.
- Authorization was declined.
- Transaction processed with an expired card and Authorization was not obtained.
- Transaction was processed with an invalid account number and Authorization was not obtained.
- Card Recovery Bulletin (CRB) or Exception File was not checked (transactions below floor limit).

To reduce your risk of receiving an Authorization Related Chargeback:

- Obtain valid Authorization on the day of the transaction.
 - Card Present Transactions-Authorization must be obtained on the transaction date for the amount settled.
 - Card Not Present Transactions-Authorization must be obtained on the transaction date for the amount settled. However, if merchandise is being shipped, Authorization must be obtained within seven calendar days of the transaction ship date.

- If a declined response is received, then request another form of payment from the Cardholder.
- If a Referral response is received, then follow proper voice procedures to obtain a valid Authorization and obtain an imprint of the card.
- “Pick-up” response indicates that the Issuer is requesting for the card to be retained and returned back to them. The Card should not be accepted for payment. Additionally, you can choose to retain the Credit Card and return it to the Acquirer.
- Merchants should not exceed any predetermined thresholds for specific terminal types as specified by each Card Organization.

2. Cancellations and Returns: Credit was not processed properly or the Cardholder has cancelled and/or returned items.

The following scenarios could cause a Cancellation and Return Related Chargeback to occur:

- Cardholder received damaged or defective merchandise.
- Cardholder continued to be billed for cancelled recurring transaction.
- Credit transaction was not processed.

To reduce your risk of receiving a Cancellation and Return Related Chargeback:

- Issue Credit to the Cardholder for the same account as the purchase in a timely manner.
 - Do not issue Credit to the Cardholder in the form of cash, check or in-store/merchandise Credit as we may not be able to recoup your funds in the event the transaction is charged back.
- Ensure customers are fully aware of the conditions for recurring transactions. Cancel recurring billings as soon as notification is received from the Cardholder or as a Chargeback, and Issue the appropriate Credit as needed to the Cardholder in a timely manner.
- Pre-notify the Cardholder of billings within 10 days (Domestic) and 15 (International) prior to billing, allowing the Cardholder time to cancel the transaction.
- Provide proper disclosure of your refund policy for returned/cancelled merchandise, or services to the Cardholder at the time of transaction in accordance with applicable law.
 - Card present, Cardholder signed the Sales Draft containing disclosure.
- If applicable, the words “NO EXCHANGE, NO REFUND,” etc. must be clearly printed in 1/4-inch lettering on the Sales Draft near or above the Cardholder signature.

 - Card Not Present, provide cancellation policy at the time of the transaction.
 - Provide cancellation numbers to Cardholder’s when lodging services are cancelled.
- Ensure delivery of the merchandise or services ordered to the Cardholder.

3. Fraud: Transactions that the Cardholder claims are unauthorized; the account number is no longer in use or is fictitious, or the merchant was identified as “high risk.”

The following scenarios could cause a Fraud Related Chargeback to occur:

- Multiple transactions were completed with a single card without the Cardholder’s permission.
- Counterfeit card was utilized and proper acceptance procedures were not followed.
- Authorization was obtained; however, full track data was not transmitted.
- Cardholder states that they did not authorize or participate in the transaction.

NOTE: Visa Fraud Chargebacks: Chargeback representation rights do not exist if you failed to fulfill a key entered retrieval request and/or provide a sales slip that contains all required data elements. To preserve Chargeback representation rights, respond to all retrieval requests with a clear legible copy of the transaction document that contains all required data elements within the required timeframe that is specified by the retrieval request.

To reduce your risk of receiving a Fraud Related Chargeback:

Card Present Transactions:

- Pre-notify the Cardholder of billings within ten (10) days
- American Express customers have the option to receive written notification of the recurring transaction at least (10) days prior to submitting, or any time the Charge amount exceeds a maximum amount that has been set by the cardholder.
- Obtain an Authorization for all transactions.
- If you are utilizing an electronic device to capture card information, swipe, dip or wave all Card transactions through your electronic authorization device to capture Cardholder information. When applicable ensure the displayed Cardholder number matches the number on the Card.
- If you are unable to electronically capture the Card or if a Referral response is received, imprint the Card using a valid imprinting device that will capture the embossed Card and merchant information. Do not alter the imprint in any way. Manually entering the information into the terminal does not protect you from this type of Chargeback. All pertinent information relating to the transaction must be written on the manually imprinted draft (transaction date, dollar amount, authorization code and merchandise description) along with the Cardholder signature.

NOTE: Do not imprint on the back of a signed Sales Draft. The imprint must be on the transaction document that contains all transaction elements to prove the Card was present at the time of the transaction.

- Obtain the Cardholder signature for all transactions; ensure the signature on the Sales Draft matches the signature on the back of the Card.
- Process all transaction one time and do not Batch out transactions multiple times.
- Educate staff on procedures to eliminate point of sale (POS) fraud.

Card Not Present Transactions:

- Participation in recommended fraud mitigation tools:
 - Verified by Visa Program
 - MasterCard SecureCode
 - Address Verification Services
 - CVV2, CVC2 and CID Verification

NOTE: While transactions utilizing these tools may still be disputed, the service may assist you with your decision to accept the Card for the transaction.

- Ensure you ship to the AVS confirmed address (bill to and ship to should match).
- Obtain Authorization for all transactions.
- Ensure merchant descriptor matches the name of the business and is displayed correctly on the Cardholder statement.
- Ensure descriptor includes correct business address and a valid customer service number.

American Express offers fraud mitigation tools for both Card Present and Card Not Present transactions to help verify that a Charge is valid. These tools help you mitigate the risk of fraud at the point of sale, but are not a guarantee that a Charge is in fact valid or bona fide, or that you will not be subject to a Chargeback. For optimal use of the tools, please visit American Express' Fraud Prevention Information at: www.americanexpress.com/fraudinfo.

- Cardholder billed for a transaction that was not part of the original transaction document.
- The Cardholder claims to have been sold counterfeit goods.
- The Cardholder claims the terms of sale were misrepresented by the merchant.

To reduce your risk of receiving a Cardholder Dispute Related Chargeback:

- Provide Services or Merchandise as agreed upon and described to the Cardholder; clearly indicate the expected delivery date on the sales receipt or invoice.
- Contact the Cardholder in writing if the merchandise or service cannot be provided or is delayed, and offer the Cardholder the option to cancel if your internal policies allow.
- In the event that the Cardholder received defective merchandise or the merchandise received was not as described; resolve the issue with the Cardholder at first contact.
- If the merchandise is being picked up by the Cardholder, have them sign for the merchandise after inspection that it was received in good condition.

- Do not bill Cardholder for loss, theft or damages unless authorized by the Cardholder.

- Cardholder initially presented Card as payment for the transaction; however Cardholder decided to use an alternate form of payment.
- Limited amount or self-service terminal transaction was processed for an amount which is over the pre-determined limit.

To reduce your risk of receiving a Processing Error Related Chargeback:

- Process all transactions within the Card Organization specified timeframes.
- Ensure all transactions are processed accurately and only one time.

NOTE: In the event that a transaction was processed more than once; immediately issue voids, transaction reversals or Credits.

- Ensure that credit transaction receipts are processed as Credits and sale transaction receipts are processed as sales.

- Do not alter transaction documentation or make any adjustments unless the Cardholder has been contacted and agrees to any modifications of the transaction amount.
- Ensure limited amount, self-service and automated fuel dispenser terminals are set properly to conform to the pre-determined limits.

10.2. Summary (Deposit) Adjustments/Electronic Rejects. Occasionally, it is necessary to adjust the dollar amount of your summaries/Submissions (deposits) and credit or debit your Settlement Account or settlement funds accordingly. The following is a list of the most frequent reasons for Summary (Deposit) Adjustments/Electronic Rejects:

- Your summary reflected an arithmetic error.
- Submitted sales not included in your Agreement (e.g., American Express).
- The dollar amount is unreadable/illegible.
- The Cardholder's account number is unreadable/illegible.
- Duplicate Sales Draft submitted.
- Card number is incorrect/incomplete.
- Summary indicated credits, but no credits were submitted.

10.3. Disputing Other Debits and Summary Adjustments. In order to quickly resolve disputed debits and Summary Adjustments, it is extremely important that the items listed in this section be faxed or sent to the address listed on the notification.

If the Summary Adjustment is for an unreadable or incorrect Cardholder account number, resubmit the corrected Sales Draft with your next deposit. Also, if the transaction is over thirty (30) calendar days old, you must reauthorize and obtain a valid Authorization Approval Code.

A clear and legible copy of the Sales Draft containing the following should be obtained from your files:

- Date of sale/Credit;
- Cardholder's account number, name and signature;
- Total amount of the sale and description of goods and services; and
- Date and Authorization Approval Code.

Include a dated cover letter detailing the reasons for requesting a review of the debit or Summary Adjustment and documentation to support your dispute. If a Customer Service Representative informs you that additional documentation is required in order to fully review the item, please immediately submit your rebuttal and transaction documentation to the fax number or address listed on the debit notification.

In the event you exceed the guidelines or engage in practices that could circumvent such monitoring programs or submit suspicious transactions as identified by a Card Organization or any related program or reports, you may be subject to: (i) operating procedure requirement modifications; (ii) Chargebacks and/or increased fees; (iii) settlement delay or withholding; (iv) termination of your Agreement; or (v) audit and imposition of fines.

14. Special Provisions for American Express

The provisions in this Section 14 apply to American Express Card acceptance and Transactions.

14.1. Card Acceptance. If you elect to accept American Express Cards under the Agreement, You must accept the American Express Card as payment for goods and services sold (other than those goods or services identified under "Prohibited Uses of the American Express Card" below), or (if applicable) for charitable contributions made, at all of your establishments, except as expressly permitted by applicable law. You are jointly and severally liable for the obligations of your establishments under the Agreement.

14.2. Arbitration Agreement for Claims Involving American Express. In the event that you or we are not able to resolve a Claim this Section 14.2 explains how Claims may be resolved through arbitration. You or we or American Express may elect to resolve any Claim by binding individual arbitration. Claims will be decided by a neutral arbitrator.

If arbitration is elected by any party to resolve a Claim, the parties understand and agree that neither you nor we nor American Express will have the right to litigate or have a jury trial on that Claim in court. Further, you, we, and American Express understand and agree that the parties will not have the right to participate in a class action or in a representative capacity or in a group of persons alleged to be similarly situated pertaining to any Claim subject to arbitration under this Agreement. Arbitrator's decisions are final and binding, with very limited review by a court, and once confirmed by a court of competent jurisdiction, an arbitrator's final decision on a Claim is generally enforceable as a court order. Other rights you, we, or American Express would have in court may also not be available in arbitration

i. Initiation of Arbitration. Claims may be referred to either JAMS or AAA, as selected by the party electing arbitration. Claims will be resolved pursuant to this Section 14.2 and the selected arbitration organization's rules in effect when the Claim is filed, except where those rules conflict with this Agreement. Contact JAMS or AAA to begin an arbitration or for other information. Claims may be referred to another arbitration organization if all parties agree in writing, if [American Express or we, on one hand, selects the organization and you, on the other hand,] select the other within 30 days thereafter or if an arbitrator is appointed pursuant to section 5 of the Federal Arbitration Act, 9 U.S.C. §§ 1-16 (FAA). Any arbitration hearing will take place in New York, NY.

ii. Limitations on Arbitration. If any party elects to resolve a Claim by arbitration, that Claim will be arbitrated on an individual basis. No Claim is to be arbitrated on a class or purported representative basis or on behalf of the general public or other persons allegedly similarly situated. The arbitrator's authority is limited to Claims between you, us, and American Express. An arbitration award and any judgment confirming it will apply only to the specific case brought by you, us or American Express and cannot be used in any other case except to enforce the award as between you, us and American Express. This prohibition is intended to, and does, preclude you from participating in any action by any trade association or other organization against American Express. Notwithstanding any other provision in this Section 14.2, if any portion of these Limitations on Arbitration set forth in this Section 14.2 (ii) is found invalid or unenforceable, then the entire Section 14.2 (other than this sentence) will not apply, except that you, we, and American Express do not waive the right to appeal that decision.

iii. Previously Filed Claims/No Waiver. You, we, or American Express may elect to arbitrate any Claim that has been filed in court at any time before trial has begun or final judgment has been entered on the Claim. You, we, or American Express may choose to delay enforcing or to not exercise rights under this Section 14.2, including the right to elect to arbitrate a claim, without waiving the right to exercise or enforce those rights on any other occasion. For the avoidance of any confusion, and not to limit its scope, this Section 14.2 applies to any class-action lawsuit relating to the "Honor All Cards," "non-discrimination," or "no steering" provisions of the American Express Merchant Regulations, or any similar provisions of any prior American Express Card acceptance agreement, that was filed against American Express prior to the effective date of the Agreement to the extent that such claims are not already subject to arbitration pursuant to a prior agreement between Merchant and American Express.

iv. Arbitrator's Authority. The arbitrator will have the power and authority to award any relief that would have been available in court and that is authorized under this Agreement. The arbitrator has no power or authority to alter the Agreement or any of its separate provisions, including this Section 14.2.

v. Split Proceedings for Equitable Relief. You, we, or American Express may seek equitable relief in aid of arbitration prior to arbitration on the merits if necessary to preserve the status quo pending completion of the arbitration. This Section 14.2 shall be enforced by any court of competent jurisdiction.

vi. Small Claims. American Express will not elect arbitration for any Claim you properly file in a small claims court so long as the Claim seeks individual relief only and is pending only in that court.

vii. Governing Law/Arbitration Procedures/Entry of Judgment. This Section 14.2 is made pursuant to a transaction involving interstate commerce and is governed by the FAA. The arbitrator shall apply New York law and applicable statutes of limitations and honor claims of privilege recognized by law. The arbitrator shall apply the rules of the arbitration organization selected, as applicable to matters relating to evidence and discovery, not federal or any state rules of procedure or evidence, provided that any party may ask the arbitrator to expand discovery by making a written request, to which the other parties will have 15 days to respond before the arbitrator rules on the request. If your Claim is for \$10,000 or less, you may choose whether the arbitration will be conducted solely based on documents submitted to the arbitrator, through a telephonic hearing, or by an in-person hearing under the rules of the selected arbitration organization. At the timely request of a party, the arbitrator will provide a written opinion explaining his/her award. The arbitrator's decision will be final and binding, except for any rights of appeal provided by the FAA. Judgment on an award rendered by the arbitrator may be entered in any state or federal court in the federal judicial district where your headquarters or your assets are located.

viii. Confidentiality. The arbitration proceeding and all information submitted, relating to or presented in connection with or during the proceeding, shall be deemed confidential information not to be disclosed to any person not a party to the arbitration. All communications, whether written or oral, made in the course of or in connection with the Claim and its resolution, by or on behalf of any party or by the arbitrator or a mediator, including any arbitration award or judgment related thereto, are confidential and inadmissible for any purpose, including impeachment or estoppel, in any other litigation or proceeding; provided, however, that evidence shall not be rendered inadmissible or non-discoverable solely as a result of its use in the arbitration.

ix. Costs of Arbitration Proceedings. You will be responsible for paying your share of any arbitration fees (including filing, administrative, hearing or other fees), but only up to the amount of the filing fees you would have incurred if you had brought a claim in court. American Express will be responsible for any additional arbitration fees. At your written request, American Express will consider in good faith making a temporary advance of your share of any arbitration fees, or paying for the reasonable fees of an expert appointed by the arbitrator for good cause.

x. Additional Arbitration Awards. If the arbitrator rules in your favor against American Express for an amount greater than any final settlement offer American Express made before arbitration, the arbitrator's award will include: (1) any money to which you are entitled as determined by the arbitrator, but in no case less than \$5,000; and (2) any reasonable attorneys' fees, costs and expert and other witness fees incurred by you.

xi. Definitions. For purposes of this Section 14.2 only, (i) "American Express" includes its Affiliates, licensees, predecessors, successors, or assigns, any purchasers of any receivables, and all agents, directors, and representatives of any of the foregoing, (ii) "You" includes your Affiliates, licensees, predecessors, successors, or assigns, any purchasers of any receivables and all agents, directors, and representatives of any of the foregoing, and (iii) "Claim" means any allegation of an entitlement to relief, whether damages, injunctive or any other form of relief, against American Express or any other entity (including you or us) that American Express has the right to join, including any allegation involving a transaction using an American Express product or network or regarding an American Express policy or procedure.

14.3. Treatment of the American Express Brand. Except as expressly permitted by applicable law, you must not:

- indicate or imply that you prefer, directly or indirectly, any other payment products over the Card,
- try to dissuade Cardholders from using the Card,
- criticize or mischaracterize the Card or any of American Express' services or programs,
- try to persuade or prompt Cardholders to use any other payment products or any other method of payment (e.g., payment by check),
- impose any restrictions, conditions, disadvantages or fees when the Card is accepted that are not imposed equally on all other payment products, except for electronic funds transfer, or cash and check,
- suggest or require Cardholders to waive their right to dispute any transaction,
- engage in activities that harm the American Express business or the American Express Brand (or both),
- promote any other payment products (except your own private label card that you issues for use solely at your establishments) more actively than you promote the Card, or
- convert the currency of the original sale transaction to another currency when requesting Authorization or submitting transactions (or both).

You may offer discounts or in-kind incentives from your regular prices for payments in cash, ACH funds transfer, check, Debit Card or Credit Card, provided that (to the extent required by applicable law): (i) you clearly and conspicuously disclose the terms of the discount or in-kind incentive to your customers, (ii) the discount or in-kind incentive is offered to all of your prospective customers, and (iii) the discount or in-kind incentive does not differentiate on the basis of the issuer or, except as expressly permitted by applicable law and Card Organization (e.g., Visa, MasterCard, Discover, JCB, American Express). The

offering of discounts or in-kind incentives in compliance with the terms of this section will not constitute a violation of the provisions set forth in the above section "Treatment of the American Express Brand."

14.4. Prohibited Uses of the American Express Card. You must not accept the Card for any of the following:

- adult digital content sold via internet electronic delivery,
- amounts that do not represent bona fide sales of goods or services (or, if applicable, amounts that do not represent bona fide charitable contributions made) at your establishments. For example, purchases at your establishments by your owners (or their family members) or employees contrived for cash flow purposes, or payments that you have accepted in order to advance cash to Cardholders in connection with the transaction,
- amounts that do not represent bona fide, direct sales by your establishment to Cardholders made in the ordinary course of your business,
- cash or cash equivalent (e.g., gold, silver, platinum, and palladium bullion and/or bars). Collectible coins and jewelry are not prohibited,

- overdue amounts or amounts covering returned, previously dishonored or stop-payment checks (e.g., where the Card is used as a payment of last resort),

- sales made by third parties or entities conducting business in industries other than yours.
- other items of which either we or American Express notifies you of,
- You must not use the Card to verify a customer's age.

14.5. American Express Transaction Data. The transaction data you collect to facilitate the Charge must be or have been provided directly to you by the Cardholder. You must not accept or have accepted transaction data from, nor shall you provide or have provided transaction data to, any third parties other than your covered parties (as defined in the Data Security Operating Policy (DSOP)). If you fail to comply with this requirement, in addition to other rights and remedies regarding "monitoring," you may be charged a fee as indicated on the Merchant Processing Application, we may suspend Card acceptance privileges at your establishments, or terminate the Agreement. Where Cardholders pay you using payment or "e-wallet" accounts (which Cardholders may have created by providing Card-member information when the account was established), the transaction data collected to facilitate the Card Not Present Charge has already been provided directly by the Cardholder. You are not required to have the Cardholder re-enter the transaction data. All information required by American Express evidencing one or more transactions, including information obtained at the point of sale, information obtained or generated during Authorization and Submission, and any Chargeback.

14.6. Treatment of American Express Cardholder Information. You acknowledge that any and all American Express Cardholder information is confidential and the sole property of the Issuer, American Express or any of its Affiliates. Except as otherwise specified in the Agreement, you must not disclose Cardholder information, nor use nor store it, other than to facilitate transactions at your establishments in accordance with the Agreement.

14.7. Disclosure and Use of Data Collected Under Agreement. We may disclose to American Express data and information that you provide on your Application and that we collect as part of performing American Express payment processing services or transaction related services including information about you. American Express may use the information that you provide in the Application at the time of setup to screen and/or monitor you in connection with Card marketing and administrative purposes. American Express also may use such information to perform its responsibilities in connection with American Express Card acceptance, promote the American Express Network, perform analytics and create reports, and for any other lawful business purposes, including marketing purposes. American Express may otherwise use and share your information for business purposes and as permitted by Applicable Law. American Express uses reasonable administrative, technical and physical security measures to protect Program Merchant information consistent with the sensitivity of the information.

14.7.1. Consent for American Express to Contact You by Phone, eMail, Text or Facsimile. American Express may use the information you provide in the Application (as such information may be updated) to call you or send you communications or materials via email, SMS, text or facsimile regarding American Express products, services and resources available to you. You consent and agree to receive autodialed, automated and/or prerecorded calls and communications (which may include SMS or text messages) at the telephone number(s) you have provided. If you provide a fax number, you consent and agree to receiving fax communications from American Express. In connection with the foregoing, you understand that the calls made or communications sent to you by American Express may be subject to charges or fees by your telecommunications or other applicable service

provider that are your responsibility to pay. You understand that your consent under this Section 14.7.1 is not a condition of purchasing or receiving any product or service or entering into this Agreement.

Opt-Out: You may opt-out of receiving marketing related communications and materials from American Express by calling Processor at the Customer Service Number stated in Part IV, Section A.5 of the Program Guide. If you have opted-out, you may still receive messages or communications from American Express related to important information about your account.

14.8. Conversion to a Direct Relationship with American Express. You acknowledge and agree that upon written notice from us, you will be converted to a direct American Express Card acceptance relationship with American Express if and when the annual American Express Card charges that you submit under this Agreement are greater than \$1,000,000. You agree that, upon conversion, (i) you will be bound by American Express' then-current Card Acceptance Agreement with respect to American Express Transactions; (ii) American Express will set pricing and other fees payable by you for American Express Card acceptance; and (iii) you will no longer be able to submit American Express Card transactions under this Agreement, but this Agreement will continue in full force and effect with respect to other payments and services you elected to receive on your Application.

14.9. No Assignment of Payments. You acknowledge and agree that you shall not assign to any third party any payments due to you under this Agreement as the result of American Express Card transactions, and all indebtedness arising from American Express Card charges will be for bona fide sales of goods and services (or both) at your establishments and free of liens, claims, and encumbrances other than ordinary sales taxes; provided, however, that you may sell and assign future transaction receivables to us, our Affiliates and/or any other funding source that partners with us or our Affiliates.

14.10. Third Party Beneficiary Rights. American Express is a direct and intended third-party beneficiary of this Agreement, and may enforce any terms of this Agreement that apply to American Express, including American Express Card acceptance and transaction processing, directly against you.

14.11. Your Right to Opt Out of American Express Card Acceptance. In order to opt out you must complete the Limited Acceptance Form. To obtain a copy of this form you must call Processor at the Customer Service Number stated in Part IV, Section A.5 of the Program Guide.

14.12. Collections from American Express Cardholder. You may not bill or collect from any American Express Cardholder for any purchase or payment on the American Express Card unless a Chargeback has been exercised, you have fully paid for such Charge, and you otherwise have the right to do so.

14.13. Completing a Transaction at the Point of Sale. All valid transactions begin with a Cardholder's purchase at the point of sale. Whether the physical Card is used to facilitate a Card present Charge, or the Cardholder provides his or her Cardholder Information over the phone, via mail order, or the internet, the transaction must not be completed without the Card and/or information provided by the Cardholder. To accept the Card for charges at your establishments, at the point of sale, you must:

- Clearly and conspicuously, disclose all material terms of sale prior to obtaining an Authorization, and
- Clearly and conspicuously inform Cardholders at all points of interaction (e.g., sales conducted in person, over the internet, mobile or via mail or telephone order) what Entity is making the sales offer, so that the Cardholder can clearly distinguish you from any other party involved in the interaction (e.g., a vendor of goods or provider of services you may engage, or another merchant seeking to conduct business with the Cardholder).

The transaction data you collect to facilitate the Charge must be or have been provided directly to you by the Cardholder. You must not accept or have accepted transaction data from, nor shall you provide or have provided transaction data to, any third parties other than your covered parties (as defined in the Data Security Operating Policy (DSOP)). If you fail to comply with this requirement, you may be charged non-compliance or other fees as indicated on the Merchant Processing Application and/or have your Card acceptance privileges at required your establishments suspended or disentitled.

14.14. In Person Charges.

In-person charges refer to charges in which the Card and Cardholder are present at the point of sale. An example of this is when a Cardholder presents a Card to the merchant at a retail store. For all in-person charges, the Card must be presented. There are several ways in which you can conduct the in-person Charge. The steps you take vary according to how you go about conducting in-person charges: (electronic or key-entered charges).

14.15. Electronic charges.

Electronic Point of Sale Systems automatically capture required information from the Card so it can be used to request Authorization for the Charge. Electronic charges can be conducted in a variety of ways depending on the type of Card presented.

- Magnetic Stripe Cards – contain Card Member and Card account information on the stripe on the back of the Card, or in a contactless Chip embedded in the Card.
- Chip Cards – contain a Chip on which data is stored (including Card Member and Card account information), which the Point of Sale System can read in order to guide the processing of the Transaction.

Some Magnetic Stripe and Chip Cards may be read over the contactless interface of the Point of Sale System. The Charge Record is then created from the information captured during the electronic Charge.

14.16. Magnetic Stripe Card Charges

When presented with a Card at the point of sale you must:

- Verify that the Card is not visibly altered or mutilated
- Verify that the customer is the Cardholder (Cards are not transferable).
- Obtain an Authorization Approval
- Capture Magnetic Stripe data by swiping the Card (unless the Charge was already initiated by waving the contactless chip Card in close proximity to the point of sale system).
- Match the Card number and the expiration date on the Card to the same information on the Sales Draft.
- Ensure the name that prints on the Sales Draft matches the name on the front of the Card except when the Cardholder name is not captured on the Sales Draft or for prepaid Cards that do not show a name on their face.
- Validate the Card's presence by taking an imprint of the Card (the imprint is for your records). Failure to validate the Card's presence by taking an imprint of the Card can render merchant liable for Chargebacks if the Card-member disputes the Charge, except when the Cardholder name is not captured on the Sales Draft or for prepaid Cards that do not show a name on their face.

14.17. American Express Mobile Contactless Charges.

When presented with a contactless-enabled mobile phone, in addition to the "Magnetic Stripe Card Charges" requirements, you must:

- Capture Magnetic Stripe or chip Card data by waving the contactless-enabled mobile phone in close proximity to the contactless reader.
 - Compare the signature (when obtained) on the Sales Draft with the signature on the companion physical Card or a valid form of formal identification (e.g. driver's license). You must not record or store the information from such formal identification in any way.
- If a mobile contactless transaction cannot be processed for any reason, you should require that the Cardholder provide the companion physical Card to complete the transaction.

14.18. American Express Contact Chip Charges.

When presented with a chip Card to be inserted into a chip Card reader, in addition to the "Magnetic Stripe Card Charges" requirements, you must:

- Capture chip Card data by inserting the Card into the chip Card reader. The point of sale system will advise Cardholders to enter their PIN (a chip and PIN Charge) or sign for the Charge (a chip and signature Charge).
- Chip and PIN Charges. Cardholders will enter their PIN into the point of sale system using the keypad. If the chip and PIN Charge are unable to be completed due to a technical problem, the point of sale system will show an error message.
- Chip and signature Charge. Failure to obtain a signature, when required, can render you liable for Chargebacks if the Cardholder disputes the Charge. Obtaining a signature may not be required if merchant's establishment and the Charge qualify for the No Signature Program.

14.19. American Express Contactless Chip Charges.

When presented with a chip Card to be read via a contactless reader and the Charge qualifies for the No Signature Program, in addition to the "Magnetic Stripe Card Charges" requirements, you must:

- Capture Magnetic Stripe or chip Card data using the contactless reader.

For charges that do not qualify under the No Signature Program, follow the relevant Card acceptance procedures outlined in either:

- "Magnetic Stripe Card Charges," or
- "Contact Chip Card Charges."

14.20. American Express Key-Entered Charges.

If a Card cannot be read electronically, in addition to the "Magnetic Stripe Card Charges" requirements, you must:

- Key enter the data.

14.21. Keyed No Imprint for American Express Transactions.

- Your establishments may be eligible to participate in the American Express "Keyed No Imprint Program." The "Keyed No Imprint Program" allows you to submit in-person charges without taking an imprint of the Card if you meet the following Charge criteria:
- All Cards qualify for the "Keyed No Imprint Program."
- The Charge must be key-entered.
- The Charge Submission must include the appropriate indicator to reflect that the Card and the Cardholder were present at the point of sale.
- The Charge Submission must include a valid approval, and;
- The CID Number must be confirmed as a positive match. Under the "Keyed No Imprint Program," Chargebacks will not be exercised for such charges based solely on the establishment's failure to obtain an imprint of the Card. If a disproportionate amount or number of disputed charges under the "Keyed No Imprint Program" occurs, you must cooperate to reduce the number of disputed charges. If such efforts fail, you may be placed in any of American Express' Chargeback programs or your participation in the "Keyed No Imprint Program" may be modified or terminated.

14.22. Merchant Website Information Display Guidelines.

- An accurate description of the goods/services offered, including the currency type for the transaction (e.g., U.S. Dollars). Transaction currency must be in U.S. Dollars.
- Your physical address in the U.S.

- An email address and a telephone number for customer service disputes.
- Return/refund policy.
- A description of your delivery policy (e.g., No COD, No overnight).
- A description of your security practices (e.g., information highlighting security practices you use to secure transactions conducted on the internet).
- A statement of known export restrictions, tariffs, and any other regulations.
- A privacy statement regarding the type of personal information collected and how the information is used. Additionally, you must provide to customers the option to decline being included in marketing campaigns or having their personal information included on lists sold to third parties.

14.23. Aggregated Charges.

If you are classified as an internet industry, you may process aggregated charges, provided the following criteria are met:

- Clearly disclose your intent and obtain written consent from the Card-member that their purchases or refunds (or both) on the Card may be aggregated and combined with other purchases or refunds (or both) before you request an Authorization.
- Each individual purchase or refund (or both) that comprises the aggregated Charge must be incurred under the same merchant number and on the same Card.
- Obtain a pre-Authorization of no more than \$15.00
- Create a Sales Draft for the full amount of the aggregated Charge.
- The amount of the aggregated Charge must not exceed \$15 or the amount for which you obtained pre-Authorization.
- Submit each Sales Draft within our submission timeframe.
- Provide the Cardholder with an email containing the date, amount, and description of each individual purchase or refund (or both) that comprises the aggregated Charge, and the date and the amount of the aggregated Charge.

14.24. American Express Prepaid Card Security Features.

Although there are a number of unique prepaid Cards, all Prepaid Cards share similar features, except that Prepaid Cards may or may not be embossed, and the following features may appear on the front or back of the Card (or a combination of both):

- The American Express logo generally appears in the bottom right corner.
- The words PREPAID or INCENTIVE will generally be shown above the American Express logo.
- Cards pre-loaded with funds may show the dollar amount or the total points (reloadable Cards generally will not show a number).
- The CID Number will appear usually above the Card number or above the logo.
- The Card number appears on the Card.
- The valid date or expiration date appears on the Card.
- The recipient's name or company name may appear on the Card.

14.25. American Express Processing Prepaid Cards

Prepaid Cards are available for a variety of uses: gifting, travel, incentive, etc. All American Express prepaid Cards show the American Express "Blue Box" logo either on the face or back of the prepaid Card. Prepaid Cards may or may not be embossed. Most prepaid Cards can be used for both in-store and online purchases. Prepaid Cards are valid through the date on the Card. Simply swipe the Card at the point of sale just like any other Card. A prepaid Card must be tendered for an amount that is no greater than the funds available on the Card.

- Instruct Cardholders that, before making a purchase, they must check their remaining funds by calling the twenty-four (24) hour, toll-free number on the back of the Card, checking online or using the mobile app offered by their Issuer, where available.
- Because prepaid Cards are pre-funded, if you receive a decline when seeking Authorization, ask the customer to call the toll-free number on the back of the Card to confirm that the purchase price does not exceed the available funds on the prepaid Card.
- If the prepaid Card does not have enough funds to cover the purchase price, process a split tender transaction or request an alternative form of payment.
- You must create a Sales Draft for a prepaid Card as you would any other Card.
- Be on the lookout for Suspect Transactions.

14.26. American Express Policies and Procedures for Specific Industries. This Section 14.26 states additional American Express policies and procedures applicable to merchants classified in specific industries. All other provisions and requirements of this Agreement apply to these merchants as well. To the extent possible, the provisions of this Section 14.26 and the other provisions of the Agreement applicable to American Express transactions shall be interpreted to give each their full effect. However, if a conflict is deemed to exist between them, then the provisions of this Section 14.26 shall govern.

14.26.1. Auto dealers: This section applies to merchants classified in an auto dealer industry.

The following requirements will apply to charges for the down payment or the entire purchase price of new and used motor vehicles. You may accept the Card for down payment of a motor vehicle, subject to the following provisions:

- You must not submit a Charge for the down payment price of a used motor vehicle unless and until you have a written agreement/bill of sale signed by the Cardholder setting forth the terms of the sale, including down payment price, and your cancellation policy.
- In addition to its other Chargeback rights, American Express also has Chargeback rights for any portion of the Charge for the down payment price of a used motor vehicle which

is disputed by the Cardholder, if such disputed charge cannot be resolved in your favor based upon unambiguous language contained in the written agreement/bill of sale.

- Should a Cardholder exercise his or her right to rescind the written agreement/bill of sale during any rescission period set forth in the Cardholder's agreement with you or at law, you shall submit a Credit to us promptly.
- If American Express has classified you as an auto dealer of used motor vehicles exclusively, the down payment must not exceed 50% of the full purchase price of the motor vehicle.
- If the Cardholder denies making or authorizing the Charge, American Express will have Chargeback rights for such Charge in addition to our other Chargeback rights
- You may also accept the Card for the entire purchase price of a new or used motor vehicle, subject to the following provisions:
- You are classified as an auto dealer of new or new and used motor vehicles (i.e. Your dealership sells new motor vehicles exclusively or both new and used motor vehicles).
- The amount of the Charge does not exceed the total price of the motor vehicle after deduction of applicable discounts, taxes, rebates, cash down payments, and trade-in values.
- You must not submit a Charge for the entire purchase price of a new or used motor vehicle unless and until you have a written agreement/bill of sale signed by the Cardholder setting forth the terms of the sale, including purchase price, delivery date and your cancellation policy.
- In addition to other Chargeback rights, American Express also has Chargeback rights for any portion of the Charge for the entire purchase price of a new or used motor vehicle which is disputed by the Cardholder, if such disputed Charge cannot be resolved in your favor based upon unambiguous language contained in the written agreement/bill of sale.
- Should a Cardholder exercise his or her right to rescind the written agreement/bill of sale during any rescission period set forth in the Cardholder's agreement with you or at law, you shall submit a Credit to us promptly.
- If the Cardholder denies making or authorizing the Charge and you have not transferred title or physical possession of the motor vehicle to the Cardholder, American Express will have Chargeback rights for such Charge in addition to its other Chargeback rights.

14.26.2. Business-to-Business (B2B)/ Wholesale Distribution

If you are classified in the business-to-business (B2B) or wholesale distribution industries, and American Express determines that you are not in the telecommunications industry, then notwithstanding the prohibition in Section 14.4, "Prohibited Uses of the Card", you may accept the Card for overdue amounts to the extent that acceptance of overdue amounts is a common practice in your industry and does not constitute an attempt to obtain payment from the Cardholder whose prior methods of payment have, in American Express' reasonable judgment, been difficult to collect or uncollectible. An indicator of such difficulty, for example, may be the fact that you have sent a customer account to collections.

To minimize your risk of a Chargeback with B2B Charges, always:

- Obtain a signature for all in-person charges. For Card Not Present Charges, obtain Proof of Delivery, and
- Maintain clear and accurate records of orders and returns.

Notwithstanding the restriction in Section 6, you must not submit any Charge until the goods have been shipped or services have been provided to the Cardholder. To the extent that you have clearly disclosed your intentions to the Cardmember and the Cardholder agrees, then you may submit the following types of Charges to us before you ship the goods to the Card- member:

- Charges representing deposits on custom and special orders (so long as you comply with applicable law) or goods not in inventory at the time the order is placed.
- Charges representing advance, partial, or full payment for goods that the Cardholder requests you to ship at a later date.

14.26.3. Insurance

This section contains provisions specific to establishments that are classified in the insurance industry. If any of your goods or services are sold or billed by independent agencies, then you must provide to American Express a list of such independent agencies and notify us of any subsequent changes in the list. American Express may use this list to conduct mailings that encourage such independent agencies to accept the Card.

American Express may mention your name in such mailings, and you must provide us with a letter of endorsement or assistance as American Express may require.

You must use your best efforts to encourage independent agencies to accept the Card. American Express acknowledges that you have no control over such independent agencies. From time to time, and subject to prohibited uses of the Card, American Express may establish joint marketing campaigns that promote Card acceptance specifically at your establishments or, generally, at insurance companies. A necessary purpose for which you submit Cardholder Information that is responsive to such joint marketing campaigns includes American Express' use of that information to perform back-end analyses to determine the success of such joint marketing campaigns.

American Express undertakes no responsibility on your behalf for the collection or timely remittance of premiums. American Express will not be subject to any liability, under any circumstances, for any claim arising from, or related to, any insurance policy issued by you or your agencies.

If the Card is accepted as payment for fixed rate cash value life insurance policies or fixed rate annuities under the Agreement, you represent and warrant to Processor that the fixed rate cash value life insurance policies and fixed rate annuities for which the Card will be

accepted for premium payments are not securities requiring registration under the Securities Act of 1933.

14.26.4. Oil/Petroleum

If you are classified in the oil and petroleum industry, American Express may place you in the Fraud Full Recourse Program if you accept charges originating at a Customer Activated Terminal (CAT) gas pump. American Express will not exercise Chargeback up to a certain dollar amount for charges that qualify under the Oil Fraud Protection Program described below.

Oil/Petroleum Requirements

If you are classified in the oil and petroleum industry, you must:

- Obtain a unique Merchant Account Number for your CAT gas pump sales. If you conduct any other business at your establishment (e.g., convenience store sales, car washing services), you must obtain a unique Merchant Account Number for those lines of business.
- Submit dealer location data along with each Authorization request and each Submission file. Dealer location data consists of your business':
 - dealer number (store number)
 - name
 - street address
 - city
 - postal code

Oil/Petroleum Recommendations

American Express has implemented several policies and fraud prevention tools to assist in combating fraud at the gasoline pump.

American Express recommends that you:

- Set a pre-Authorization request of \$100 at your CAT gas pumps.
- For higher charges such as diesel, adjust the pre-Authorization amount to accommodate the higher charges.
- Set your CAT gas pumps to shut off when they reach the pre-Authorization amount.
- Request a separate Authorization for purchases that exceed the original pre-Authorization amount.

Oil Fraud Protection Program

The Oil Fraud Protection Program addresses counterfeit fraud Chargebacks at fuel pump CATs. Under this program, American Express will not exercise Chargeback for the amount of the Charge up to \$100 provided that both the establishment and each Charge meet the following criteria:

- The Authorization request meets the data requirements listed under CATs.
- The Authorization request must include the correct merchant category code (MCC) for "automated fuel dispensers" (5542),
- The Issuer determines that the Card used to initiate the Charge was counterfeit, and,
- The establishment qualified for Chargeback protection under the program at the time of the Charge, as follows:

For an establishment to qualify under the Oil Fraud Protection Program, it (i) must authorize and submit Transactions under the unique Merchant Account Number (Seller ID) assigned to the establishment, and (ii) must have, in a given month, a counterfeit fraud to Charge volume ratio below 1%. An establishment whose counterfeit fraud to Charge volume ratio rises to or exceeds 1% in a given month will not qualify under the Oil Fraud Protection Program until the ratio falls below 1% for three (3) consecutive months. Notwithstanding the foregoing, the Oil Fraud Protection Program does not apply to merchants that submit one Merchant Account Number (Seller ID) consolidated charges from multiple establishments (i.e., central submitters) or to the establishments that those merchants submit on behalf of. American Express offers a variety of fraud prevention tools which may enable merchants to reduce fraud in order to qualify and retain eligibility for the program.

14.26.5. Restaurants

If you are classified in the restaurant or bar industry, then the following Authorization procedures apply. If the final restaurant or bar Charge is no greater than the amount for which you obtained Authorization plus 20% of that amount, no further Authorization is necessary. If the final restaurant or bar Charge is greater than the amount for which you obtained Authorization by more than 20%, you must obtain Authorization for any additional amount of the Charge that is greater than the original Authorization. When submitting the Charge, only include the initial approval.

14.26.6. Telecommunications

If American Express classifies you in the Telecommunications industry, notwithstanding anything to the contrary in the Agreement, American Express may place you in one or more of the following Chargeback programs:

Partial Immediate Chargeback Program for an amount of \$50 or less; or Fraud Full Recourse Program

- American Express may establish audit procedures determined in American Express' discretion to ensure that no charges except for recurring billing charges are submitted under the Merchant Account Number designated for recurring billing charges.
- We may request that you provide us with a list of Affiliates and the list you provide must include any agency in the geographic area where you offer any telecommunications services.

14.26.7. Government/Utilities/Education

This section applies to merchants classified in the government, utilities, or certain education industries (i.e. higher education, private school - kindergarten to grade 12). Industry MCCs 4900 – Public Utility, 8211 – Elementary and Secondary Schools, 8220 – Colleges and Universities, 8244 – Business Schools, 8249 – Trade Schools, 9211 – Court Costs, 9222 – Fines, 9311 – Tax Payments, 9399 – Government Services.

Customers should feel free to use all forms of payment that you accept without being penalized for choosing a particular form of payment. To promote consumer choice, you are generally prohibited from imposing any restrictions, conditions, or disadvantages when the Card is accepted that are not imposed equally on all other payment products. See “Treatment of the American Express Brand”.

Merchants in these specific industries may assess convenience fees on charges, provided that they comply with the other requirements of this section, as follows:

- Merchants must not impose a higher convenience fee on charges than it imposes on other payment products, except for Automated Clearing House funds transfers, cash, and checks.
- Merchants classified as government Entities, including government utilities, and privately owned utilities may assess convenience fees on all Charges.
- Merchants classified as educational institutions may assess convenience fees only on charges for tuition, room and board, school lunch payments or other mandatory fees.
- You must clearly disclose the amount of convenience fees to the customer and give the customer the opportunity to cancel the Charge if the customer does not want to pay the convenience fee.

Any explanation, verbal or written, describing why the convenience fee is being assessed, or how it is calculated, must characterize the convenience fee as an assessment to cover your administrative costs and not as an assessment to cover your cost of accepting the Card.

You must obtain separate Authorizations and Approval codes for each of the principal charges and the convenience fee. Furthermore, the descriptor on the convenience fee must clearly state that it is a convenience fee (e.g., Official Payments – City of X (principal payment) and Official Payments Convenience Fee (convenience fee)).

Your third-party service provider can only assess a convenience fee when it accepts the Card for the foregoing charges in compliance with the requirements of this section.

14.26.8. Internet/Online Pharmacies

If it is determined that you are an internet/online pharmacy merchant that accepts the Card for sales of prescription medications (as defined by applicable law) in the Card Not Present environment:

- You must be certified by the Verified Internet Pharmacy Practice Sites program of the National Association of Boards of Pharmacy (www.nabp.net), or
- You or your authorized representative must attest that you comply with the licensing and inspection requirements of (i) U.S. federal law and the state in which you are located and (ii) each state to which you dispense pharmaceuticals.

Upon request, you must promptly provide documentation that you fulfill the foregoing requirements. Failure to provide this documentation promptly may result in suspension or disentanglement of Card acceptance privileges. Specific procedures exist for transaction processing by internet/online merchants.

Online/mail order tobacco retail

If you are classified or it is otherwise determined that you are an online or mail order (or both) tobacco or e-cigarette merchant, then you must provide the website address of the online store from which you sell your tobacco products. If your website facilitates tobacco sales, you will be required on request to provide an executed and notarized Affidavit of Compliance with Laws - Online/Mail Order Tobacco. If you fail to complete the Affidavit, Card acceptance privileges may be suspended. American Express may monitor your website.

14.27. American Express-Excessive Disputes. You may be subject to various fees and assessments as set forth on the Application, including fees for excessive disputes. Some fees and assessments are for special products or services, while others may be applied based upon non-compliance of American Express policies and procedures. Many non-compliance fees and assessments can be avoided by correcting the actions that are causing such non-compliance.

14.28. American Express Right to Modify or Terminate Agreement. American Express has the right to modify the Agreement with respect to American Express Card transactions or to terminate your acceptance of American Express Card transactions and to require Processor to investigate your activities with respect to American Express Card transactions.

However, for changes in the Card Organization Rules or for security reasons, certain changes in Card procedures may become effective on shorter notice. If there are any inconsistencies between the General Terms and the Operating Procedures, the General Terms will govern. You are responsible for staying apprised of all applicable changes to the Card Organization Rules and maintaining compliance with the Card Organization Rules. 17.1. We will only be required to settle Card transactions for Card types specified in your Application. Promptly after presentment of Sales Drafts pursuant to the Operating Procedures, we will initiate a transfer of the applicable settlement funds to you.

17.2. Unless otherwise agreed to in writing to the contrary, all discount fees are deducted daily. All settlements for Visa, MasterCard, Discover Network and American Express Card transactions will be net of Credits, Summary Adjustments, applicable discount fees when due, Chargebacks and any other amounts then due from you. 17.3. All credits to your Settlement Account or other payments to you are provisional and are subject to, among other things, our right to deduct our fees, our final audit, Chargebacks (including our related losses), and fees, fines and any other charge imposed on us by the Card Organizations as a result of your acts or omissions. You agree that we may debit or credit your Settlement Account for any deficiencies, overages, fees, pending Chargebacks and any other amounts owed to us or any of our respective Affiliates, or we may deduct such amounts from settlement funds or other amounts due to you from us, or our respective Affiliates. You further agree we can offset any amounts owed to us or our Affiliates related to activity in other accounts maintained in the name of or guaranteed by you, any of your principals, guarantors or authorized signors. Alternatively, we may elect to invoice you for any such amounts, net due 30 days after the invoice date or on such earlier date as may be specified.

17.4. We will not be liable for any delays in receipt of funds or errors in debit and credit entries caused by you or any Person.

17.5. In addition to any other remedies available to us under this Agreement, you agree that should any Event of Default (see Section 24.4) occur, we may, with or without notice, change processing or payment terms and/or suspend credits or other payments of any and all funds, money and amounts now due or hereafter to become due to you pursuant to the terms of this Agreement, until we have had reasonable opportunity to investigate such event.

17.6. You acknowledge and agree that transfers to and from the Settlement Account shall be based on the account number and routing number supplied by you. We are not responsible for detecting errors in any Settlement Account information you provide, including the account numbers and routing numbers, even if any of those numbers do not correspond to the actual account or financial institution identified by name.

17.7. This Agreement is a contract whereby we are extending financial accommodations to you within the meaning of Section 365(c) of the U.S. bankruptcy code. Your right to receive any amounts due or to become due from us is expressly subject and subordinate to Chargeback, setoff, lien, security interest and our rights to withhold settlement funds under this Agreement, without regard to whether such Chargeback, setoff, lien, security interest and the withholding of settlement funds rights are being applied to claims that are liquidated, unliquidated, fixed, contingent, matured or unmatured.

18. Exclusivity

During the term of this Agreement, you shall use us as your exclusive provider of all Services.

19. Fees; Adjustments; Collection of Amounts Due

19.1. In consideration of the Services provided by us, you shall be charged, and hereby agree to pay us any and all fees set forth in this Agreement (for the purposes of clarity, this includes the Application and any additional pricing supplements or subsequent communications), all of which shall be calculated and payable pursuant to the terms of this Agreement and any additional pricing supplements or subsequent communications.

If a transaction fails to qualify for your anticipated interchange levels or you inadvertently or intentionally accept a transaction other than the type anticipated for your account (including a different Card type), then, as applicable to your pricing method, you will be charged a higher interchange, Discount Rate or Non-Qualified Interchange Fee, as well as any applicable surcharge for that transaction, all as further described in Section A.3 of Part IV of this Agreement and in the Application. With respect to inadvertent or intentional acceptance of a transaction other than the type anticipated for your account (including a different Card type), you will also be subject to payment to us of our then-current transaction fee(s) with respect to such Card and/or transaction and be liable, obligated and responsible under this Agreement for any such transaction to the same extent as you would be if it was of a Card type elected and approved.

For more information on Visa's and MasterCard's interchange rates, please go to www.visa.com and www.mastercard.com.

19.2. All authorization fees will be charged for each transaction that you attempt to authorize. All capture fees will be charged for each transaction that you transmit to us for settlement. If you are being billed a combined fee for both the authorization and capture of a transaction, the authorization and capture must be submitted as a single transaction, otherwise the authorization and the capture will each be charged separately. You are responsible for utilizing software or services that will correctly submit these transactions to achieve the combined billing.

19.3. The fees for Services set forth in this Agreement are based upon assumptions associated with the anticipated annual volume and average transaction size for all Services as set forth in this Agreement and your method of doing business. If the actual volume or average transaction size are not as expected or if you significantly alter your method of doing business, we may adjust your discount fee and transaction fees without prior notice.

19.4. The fees for Services set forth in this Agreement may be adjusted to reflect increases, or new fees imposed by Card Organizations, including without limitation, interchange, assessments and other Card Organization fees, or to pass through increases or new fees charged to us by other Persons related to the Services. All such adjustments shall be your responsibility to pay and shall become effective upon the date any such change or addition is implemented by the applicable Card Organization or other Person as specified in our notice to you.

19.5. Subject to Section 24.3, we may also increase our fees or add new fees for Services for any reason at any time, by notifying you thirty (30) days' prior to the effective date of any such change or addition.

19.6. If you receive settlement funds by wire transfer, we may charge a wire transfer fee per wire.

19.7. To the extent the Automated Clearing House ("ACH") settlement process is used to effect debits or credits to your Settlement Account, you agree to be bound by the terms of the operating rules of the National Automated Clearing House Association, as in effect from time to time. You hereby authorize us to initiate credit and debit entries and adjustments to your account through the ACH network and/or through direct instructions to the financial institution where your Settlement Account is maintained for amounts due under this Agreement and under any agreements with us or our respective Affiliates for any products or services, as well as for any credit entries in error. You hereby authorize the financial institution where your Settlement Account is maintained to effect all such debits and credits to your account. This authority will remain in full force and effect until we have given written notice to the financial institution where your Settlement Account is maintained that all monies due under this Agreement and under any other agreements with us or our respective Affiliates for any products or services have been paid in full. You are solely responsible to inform us in writing if you want any fees or other adjustments to be debited from an account other than your Settlement Account.

19.8. You agree to pay any fines imposed on us by any Card Organization resulting from Chargebacks and all fees, fines and other charges imposed on us by a Card Organization with respect to your acts or omissions. You are also responsible for all fees, fines, and other charges imposed on us as a result of acts or omissions by your agents or third parties.

19.9. If your Chargeback percentage for any line of business exceeds the estimated industry Chargeback percentage, you shall, in addition to the Chargeback fees and any applicable Chargeback handling fees or fines, pay us an excessive Chargeback fee for all Chargebacks occurring in such month in such line(s) of business. Each estimated industry Chargeback percentage is subject to change from time to time by us in order to reflect changes in the industry Chargeback percentages reported by Visa, MasterCard, American Express or Discover Network. Your Chargeback Percentage will be calculated as the larger of (a) the total Visa, MasterCard, American Express and Discover Network Chargeback items in any line of business in any calendar month divided by the number of Visa, MasterCard, American Express and Discover Network transactions in that line of business submitted that month, or (b) the total dollar amount of Visa, MasterCard, American Express and Discover Network Chargebacks in any line of business received in any calendar month divided by the total dollar amount of your Visa, MasterCard, American Express and Discover Network transactions in that line of business submitted in that month.

19.10. You agree to promptly and carefully review your merchants statements or other documents provided or made available to you (physically, electronically or otherwise provided by Us or others) reflecting Card transaction activity, including, activity in your Settlement Account. If you believe any adjustments should be made with respect to your Settlement Account, you must notify us in writing within sixty (60) days after any debit or credit is or should have been effected or such shorter period as provided in the terms and conditions that govern such account. If you notify us after sixty (60) days, we shall have no obligation to investigate or effect any adjustments. Any voluntary efforts by us to assist you in investigating such matters shall not create any obligation to continue such investigation or any future investigation.

19.11. Unless you obtain written consents from us and each applicable Card Organization, Issuer and Cardholder, you must not use, disclose, store, sell or disseminate any Cardholder information obtained in connection with a Card transaction (including the names, addresses and Card account numbers of Cardholders) except for purposes of authorizing, completing and settling Card transactions and resolving any Chargebacks, Retrieval Requests or similar issues involving Card transactions, other than pursuant to a court or governmental agency request, subpoena or order. You shall use proper controls for and limit access to, and render unreadable prior to discarding, all records containing Cardholder account numbers and Card imprints. You may not retain or store Magnetic Stripe data or Card Validation Codes after a transaction has been authorized. If you store any electronically captured signature of a Cardholder, you may not reproduce such signature except upon our specific request.

22.2. You acknowledge that you will not obtain ownership rights in any information relating to and derived from Card transactions. Cardholder account numbers, personal information and other Card transaction information, including any databases containing such information, may not be sold or disclosed to a Person as an asset upon a bankruptcy, insolvency or failure of Client's business. Upon a bankruptcy, insolvency or failure of Client's business, all Card transaction information must be returned to Servicers or acceptable proof of the destruction of all Card transaction information must be provided to Servicers.

22.3. You will treat this Agreement, the Card Organization Rules and any information supplied or otherwise made accessible by us or our agents as confidential, including without limitation, (i) information about the products, services, operations, procedures, customers, suppliers, sales, pricing, business plans and marketing strategies of Servicers, their respective Affiliates and the customers, clients and suppliers of any of them; (ii) any scientific or technical information, design, process, procedure, formula, or improvement that is commercially valuable and secret in the sense that its confidentiality affords Servicers a competitive advantage over its competitors; and (iii) all confidential or proprietary concepts, documentation, reports, data, specifications, computer software, source code, object code, flow charts, databases, inventions, know-how, show-how and trade secrets, whether or not patentable or copyrightable and will not disclose the same to any third parties, provided, however, that these restrictions do not apply to information: (a) rightfully obtained on a non-confidential basis from a Person and your agents and representatives, which Person was not subject to a duty of confidentiality; (b) rightfully and independently known by you on a non-confidential basis prior to its disclosure or (c) generally available to the public other than through any disclosure by or fault of you, your agents or representatives.

22.3.1. Our confidential information shall be used by you only to exercise your rights and to perform your obligations hereunder. Client shall receive our confidential information in confidence and not disclose the confidential information to any third party, except as may be agreed upon in writing by us. Client shall safeguard all of our confidential information using a reasonable degree of care, but not less than that degree of care used by it in safeguarding its own similar information or material. Upon request by us or upon termination of this Agreement, Client shall return to us or destroy all of our confidential information in its possession or control.

22.3.2. The obligations of confidentiality and restrictions on use in this Section shall not apply to any confidential information that: (i) was in the public domain prior to the date of the Agreement or subsequently came into the public domain through no fault of Client; (ii) was received from a third party free of any obligation of confidence of Client to the third party and which third party, to Client's knowledge, was not under an obligation to keep the information confidential; (iii) was already in Client's possession prior to receipt from us; (iv) is required to be disclosed by law, regulation or court order after giving us as much advance notice as practical of the possibility of disclosure; or (v) is subsequently and independently developed by Client's employees, consultants or agents without use of or reference to our confidential information.

22.3.3. Except as specifically provided for herein, this Section does not confer any right, license, interest or title in, to or under our confidential information to Client. Except as specifically provided for herein, no license is hereby granted to Client under any patent, trademark, copyright, trade secret or other proprietary rights of ours.

22.3.4. Client acknowledges that breach of the restrictions on use or disclosure of any our confidential information would result in immediate and irreparable harm to us, and money damages would be inadequate to compensate for that harm. We shall be entitled to equitable relief, in addition to all other available remedies, to redress any breach.

22.4. We may use data collected as part of performing payment processing or other transaction-related services for you ("Transaction Data") for the purpose of providing additional products and services to you, other merchants, or third parties. This includes collecting, using, and de-identifying cardholder information, dates, amounts, and other Transaction Data to provide you with analytic products and services as well as collecting and using Transaction Data anonymized and aggregated with other merchants' transaction data to provide you, other merchants, and third parties with analytic products and services.

22.5. You shall not assign to any Person, the rights to use the Marks of Servicers, our agents or the Card Organizations.

22.6. All rights, title, and interest in and to all intellectual property related to the Services (including without limitation, the content of any materials, web screens, layouts, processing techniques, procedures, algorithms, and methods), owned, developed or licensed by us prior to, during the term of, or after the Agreement, or employed by us in connection with the Services and any updates, changes, alterations, or modifications to or derivative works from such intellectual property, shall be and remain, as among the Parties, our exclusive property.

22.7. Client agrees that we may obtain relevant information from any applicable telecommunications provider utilized by Client, as necessary to investigate any allegation of fraud, suspected fraud or other actual or alleged wrongful act by Client in connection with the Services.

23. Assignments

23.1. Any transfer or assignment of this Agreement by you, without our prior written consent, by operation of law or otherwise, is voidable by us. Any transfer of voting control of you or your parent shall be considered an assignment or transfer of this Agreement. Furthermore, you shall indemnify and hold us harmless from all liabilities, Chargebacks, expenses, costs, fees and fines arising from such transferee's or assignee's Submission of Card transactions to us for processing. For purposes of this Section 23, any transfer of voting control shall be considered an assignment or transfer of this Agreement.

23.2. The payment Services provided by us require access to a single bank account in which we may initiate both credits and debits. You may not enter into any agreement that would require, in any circumstance or event, the transfer of any payments or proceeds from Card transactions covered by this Agreement to the custody or control of any Person. You may not assign any rights, including the right of payment under this Agreement, to any other person. In the event that you make an assignment (or provide a security interest) of receivables covered by this Agreement, then we may, at our option, elect to (a) refuse to acknowledge such assignment unless accompanied by an Authorization to both initiate debits or credits to the bank account of the assignee, (b) terminate this Agreement

immediately, or (c) charge for any transfers that we are called upon to make manually to fulfill such an assignment at the rate of \$100 per transfer.

23.3. Another Visa and MasterCard member may be substituted for Bank under whose sponsorship this Agreement is performed with respect to Visa and MasterCard transactions. Upon substitution, such other Visa and MasterCard member shall be responsible for all obligations required of Bank for Visa and MasterCard transactions, including without limitation, full responsibility for its Card program and such other obligations as may be expressly required by applicable Card Organization Rules.

Subject to Card Organization Rules, we may assign or transfer this Agreement and our rights, duties and obligations hereunder and/or may delegate or subcontract our rights, duties and obligations hereunder, in whole or in part, to any Person, whether in connection with a change in sponsorship, as set forth in the preceding paragraph, or otherwise, without notice to you or your consent.

23.4. Except as set forth elsewhere in this Section and as provided in the following sentence, this Agreement shall be binding upon successors and assigns and shall inure to the benefit of the parties and their respective permitted successors and assigns. No assignee for the benefit of creditors, custodian, receiver, trustee in bankruptcy, debtor in possession, or other person charged with taking custody of a party's assets or business, shall have any right to continue, assume or assign this Agreement.

24. Term; Events of Default

24.1. This Agreement shall become effective upon the date this Agreement is approved by our Credit Department. You acknowledge that our Credit Department maintains a list of business types that are unqualified for our Services. We reserve the right to immediately terminate your account if it has been inadvertently boarded notwithstanding such Credit policies.

24.2. The initial term of this Agreement shall commence and shall continue in force for three years after it becomes effective. Thereafter, it shall continue until we or you terminate this Agreement upon written notice to the other, or as otherwise authorized by this Agreement. Should you fail to notify us in writing of your request to terminate you acknowledge and agree you will continue to be charged fees pursuant to this Agreement notwithstanding non-use of your account. If you have an equipment lease, termination of this Agreement does not terminate that equipment lease.

24.3. Notwithstanding the above or any other provisions of this Agreement, we may terminate this Agreement at any time and for any reason by providing 30 days' advance notice to you. We may terminate this Agreement immediately or with shorter notice upon an Event of Default as provided under Section 24.4 of this Agreement. In the event we provide notice to you of any new fees or increases in existing fees for Services, pursuant to Section 19.5, you may terminate this Agreement without further cause or penalty by notifying us that you are terminating this Agreement prior to the effective date of such new fees or increases. However, maintaining your merchant account, or your continued use of the Services after the effective date of any such fee changes shall be deemed your acceptance of such fee changes for the Services, throughout the term of this Agreement.

24.4. If any of the following events shall occur (each an "Event of Default"):

24.4.1. a material adverse change in your business, financial condition, or business prospects; or

24.4.2. any assignment or transfer of voting control of you or your parent; or

24.4.3. a sale of all or a substantial portion of your assets; or

24.4.4. irregular Card sales by you, excessive Chargebacks, noncompliance with any applicable data security standards, as determined by Servicers, or any Card Organization, or any other Person, or an actual or suspected data security breach, or any other circumstances which, in our sole discretion, may increase our exposure for your Chargebacks or otherwise present a financial or security risk to us; or

24.4.5. any of your representations, warranties or covenants in this Agreement are breached in any respect; or

24.4.6. you default in any material respect in the performance or observance of any term, condition or agreement contained in this Agreement, including, without limitation, the establishment or maintenance of funds in a Reserve Account, as detailed in Section 25; or

24.4.7. you default in any material respect in the performance or observance of any term, covenant or condition contained in any agreement with any of our respective Affiliates; or

24.4.8. you default in the payment when due, of any material indebtedness for borrowed money; or

24.4.9. you file a petition or have a petition filed by another party under the U.S. bankruptcy code or any other laws relating to bankruptcy, insolvency or similar arrangement for adjustment of debts; consent to or fail to contest in a timely and appropriate manner any petition filed against you in an involuntary case under such laws; apply for or consent to, or fail to contest in a timely and appropriate manner, the appointment of, or the taking of possession by, a receiver, custodian, trustee or liquidator of you or of a substantial part of your property; or make a general assignment for the benefit of creditors; or take any action for the purpose of authorizing any of the foregoing; or

24.4.10. your independent certified accountants shall refuse to deliver an unqualified opinion with respect to your annual financial statements and your consolidated subsidiaries; or

24.4.11. a violation by you of any applicable law or Card Organization Rule or our reasonable belief that termination of this Agreement or suspension of Services is necessary to comply with any law including without limitation the rules and regulations promulgated by the Office of Foreign Assets Control of the U.S. Department of the Treasury or your

breach, as determined by Servicers, of Section 39.2 ("Compliance with Laws"), then, upon the occurrence of (1) an Event of Default specified in subsections 24.4.4, 24.4.9 or 24.4.11, we may consider this Agreement to be terminated immediately, without notice, and all amounts payable hereunder shall be immediately due and payable in full without demand or other notice of any kind, all of which are expressly waived by you, and (2) any other Event of Default, this Agreement may be terminated by us giving not less than 10 days' notice to you, and upon such notice all amounts payable hereunder shall be due and payable on demand.

24.5. Neither the expiration nor termination of this Agreement shall terminate the obligations and rights of the parties pursuant to provisions of this Agreement which by their terms are intended to survive or be perpetual or irrevocable. Such provisions shall survive the expiration or termination of this Agreement. All obligations by you to pay or reimburse us for any obligations associated with transactions you have submitted to us will survive termination of this Agreement until finally and irrevocably paid in full and settled.

24.6. If any Event of Default occurs, regardless of whether such Event of Default has been cured, we may, in our sole discretion, exercise all of our rights and remedies under applicable law, and this Agreement including, without limitation, exercising our rights under Section 25.

24.7. In the event you file for protection under the U.S. bankruptcy code or any other laws relating to bankruptcy, insolvency, assignment for the benefit of creditors or similar laws, and you continue to use our Services, it is your responsibility to open new accounts to distinguish pre and post filing obligations. You acknowledge that as long as you utilize the accounts you established prior to such filing, we will not be able to systematically segregate your post-filing transactions or prevent set-off of the pre-existing obligations. In that event, you will be responsible for submitting an accounting supporting any adjustments that you may claim.

24.8. The Card Organizations often maintain merchant lists such as the Member Alert To Control High-risk (Merchants) ("MATCH") who have had their merchant agreements or Card Acceptance rights terminated for cause. If this Agreement is terminated for cause, you acknowledge that we may be required to report your business name and the names and other information regarding its principals to the Card Organizations for inclusion on such list(s). You expressly agree and consent to such reporting if you are terminated as a result of the occurrence of an Event of Default or for any reason specified as cause by Visa, MasterCard, Discover Network or American Express. Furthermore, you agree to waive and hold us harmless from and against any and all claims which you may have as a result of such reporting.

24.9. After termination of this Agreement for any reason whatsoever, you shall continue to bear total responsibility for all Chargebacks, fees, Card Organization fines imposed on us as a result of your acts or omissions, Credits and adjustments resulting from Card transactions processed pursuant to this Agreement and all other amounts then due or which thereafter may become due under this Agreement.

25. Reserve Account; Security Interest

25.1. You expressly authorize us to establish a Reserve Account pursuant to the terms and conditions set forth in this Section 25. The amount of such Reserve Account shall be set by us, in our sole discretion, based upon your processing history and the potential risk of loss to us as we may determine from time to time.

25.2. The Reserve Account shall be fully funded upon three (3) days' notice to you, or in instances of fraud or suspected fraud or an Event of Default, Reserve Account funding may be immediate. Such Reserve Account may be funded by all or any combination of the following: (i) one or more debits to your Settlement Account or any other accounts held by Bank or any of its Affiliates, at any financial institution maintained in the name of Client, any of its principals, or any of its guarantors, or if any of same are authorized signers on such account; (ii) any payments otherwise due to you, including any amount due from TeleCheck; (iii) your delivery to us of a letter of credit; or (iv) if we so agree, your pledge to us of a freely transferable and negotiable certificate of deposit. Any such letter of credit or certificate of deposit shall be issued or established by a financial institution acceptable to us and shall be in a form satisfactory to us. In the event of termination of this Agreement by any party, an immediate Reserve Account may be established without notice in the manner provided above. Any Reserve Account will be held by us for the greater of ten (10) months after termination of this Agreement or for such longer period of time as is consistent with our liability for your Card transactions and Chargebacks in accordance with Card Organization Rules. We will hold funds pursuant to this Section 25 in master account(s) with your funds allocated to separate sub accounts. Unless specifically required by law, you shall not be entitled to interest on any funds held by us in a Reserve Account.

25.3. If your funds in the Reserve Account are not sufficient to cover the Chargebacks, adjustments, fees and other charges and amounts due from you, or if the funds in the Reserve Account have been released, you agree to promptly pay us such sums upon request.

25.4.1. To secure your obligations to us and our respective Affiliates under this Agreement and any other agreement for the provision of equipment, products or services (including any obligations for which payments on account of such obligations are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy act, state or federal law, common law or equitable cause), you grant to us a first priority lien and security interest in and to (i) the Reserve Account and (ii) any of your funds pertaining to the Card transactions contemplated by this Agreement now or hereafter in our possession, whether now or hereafter due or to become due to you from us. Any such funds, money or amounts now or hereafter in our possession may be commingled with other funds of ours, or, in the case of any funds held pursuant to the foregoing paragraphs, with any other funds of other customers of ours. In addition to any rights now or hereafter granted under applicable law

and not by way of limitation of any such rights, we are hereby authorized by you at any time and from time to time, without notice or demand to you or to any other Person (any such notice and demand being hereby expressly waived), to set off, recoup and to appropriate and to apply any and all such funds against and on account of your obligations to us and our respective Affiliates under this Agreement and any other agreement with us or our respective Affiliates for any related equipment or related services (including any check services), whether such obligations are liquidated, unliquidated, fixed, contingent, matured or unmatured. You agree to duly execute and deliver to us such instruments and documents as we may reasonably request to perfect and confirm the lien, security interest, right of set off, recoupment and subordination set forth in this Agreement.

25.4.2. For sake of clarification and notwithstanding anything in the Agreement to the contrary, in the event Servicers deduct, holdback, suspend, off set or set off any settlement monies or amounts otherwise due you pursuant to the terms of this Agreement (collectively "Set Off Funds"), you acknowledge that such Set Off Funds will be held in a commingled Reserve Account(s) of Servicers.

25.4.3. If in replacement of or in addition to the first priority lien and security interest in the Reserve Account, you grant to Servicers a first priority lien and security interest in and to one or more certificates of deposit, the certificates of deposit shall be uncertificated and shall be subject to an Acknowledgement of Pledge of Certificate of Deposit and Control Agreement (the "Certificate of Deposit Control Agreement") by, between and among Customers, Servicers and the financial institution that has established and issued the certificate of deposit. The form of the Certificate of Deposit Control Agreement and the financial institution that will establish and issue the certificate of deposit shall be satisfactory and acceptable to Servicers.

26. Financial and Other Information

26.1. Upon request, you will provide us and our Affiliates, quarterly financial statements within 45 days after the end of each fiscal quarter and annual audited financial statements within 90 days after the end of each fiscal year. Such financial statements shall be prepared in accordance with generally accepted accounting principles. You will also provide such other financial statements and other information concerning your business and your compliance with the terms and provisions of this Agreement as we may reasonably request. You authorize us and our Affiliates to obtain from third parties financial and credit information relating to you in connection with our determination whether to accept this Agreement and our continuing evaluation of your financial and credit status. We may also access and use information which you have provided to Bank for any other reason. Upon request, you shall provide, and/or cause to be provided, to us and our Affiliates, or our representatives or regulators (as well as those of the Card Organizations) reasonable access to your or your providers' facilities and records for the purpose of performing any inspection and/or copying of books and/or records deemed appropriate. In such event, you shall pay the costs incurred by us or our Affiliates for such inspection, including, but not limited to, costs incurred for airfare and hotel accommodations.

26.2. You will provide us with written notice of any judgment, writ, warrant of attachment, execution or levy against any substantial part (25% or more in value) of your total assets not later than three (3) days after you become aware of same.

27. Indemnification

27.1. You agree to indemnify and hold us and the Card Organizations harmless from and against all losses, liabilities, damages and expenses: (a) resulting from the inaccuracy or untruthfulness of any representation or warranty, breach of any covenant or agreement or any misrepresentation by you under this Agreement; (b) arising out of your or your employees' or your agents' negligence or willful misconduct, in connection with Card transactions or otherwise arising from your provision of goods and services to Cardholders; (c) arising out of your use of the Services; or (d) arising out of any third party indemnifications we are obligated to make as a result of your actions (including indemnification of any Card Organization or Issuer).

27.2. Subject to the limitations set forth in Section 21.4, we agree to indemnify and hold you harmless from and against all losses, liabilities, damages and expenses resulting from any breach of any warranty, covenant or agreement or any misrepresentation by us under this Agreement or arising out of our or our employees' gross negligence or willful misconduct in connection with this Agreement; provided that this indemnity obligation shall not apply to Bank with respect to Non-Bank Services.

28. Special Provisions Regarding Non-Bank Cards

28.1. Non-Bank Card transactions are provided to you by Processor and not by Bank and include transactions made using Discover Network, American Express, Voyager and WEX Card types. The Services provided, transactions processed and other matters contemplated under this Section 28 are subject to the rest of this Agreement, as applicable, except to the extent the terms of this Section 28 directly conflict with another provision of this Agreement, in which case the terms of this Section 28 will control; provided, however, that (i) Bank is not a party to this Agreement insofar as it relates to Non-Bank Card services, and Bank is not liable to you in any way with respect to such Services and (ii) you agree to pay Processor any per item processing, authorization and other fees described in the Application for any non-acquired transaction services you receive from Processor. For the purposes of this section, the words "we," "our" and "us" refer only to the Processor and not to the Bank. You authorize us to share information from your Application with American Express, Discover Network and any other Non-Bank Card Organization.

28.2. If you accept American Express, you understand that if, based upon your anticipated Card transaction volume you do not qualify for our full service program but have otherwise been approved for accepting American Express transactions, your authorizations will be obtained from and funded by American Express. American Express will provide you with its own agreement that governs those transactions. You understand and agree that we are not responsible and assume absolutely no liability with regard to any

such transactions, including but not limited to the funding and settlement of American Express transactions, and that American Express will charge additional fees for the services they provide.

28.3. If you accept JCB, Diners Club International, UnionPay, BCard, and Dinacard, you agree to be bound by the Discover Network provisions of this Agreement. You also acknowledge and agree that JCB, Diners Club International, UnionPay, BCard, and Dinacard transactions will be processed under and subject to Discover Network Card Organization Rules.

28.4. If you accept Voyager and/or WEX Cards, you agree to be bound by the WEX and/or Voyager rules. You also agree to be bound by all other provisions of this Agreement which are applicable to WEX and/or Voyager.

28.5. If you execute a separate WEX Merchant Agreement (WEX Non Full Service Program), you understand that we will provide such agreement to WEX, but that neither we nor WEX shall have any obligation whatsoever to you with respect to processing WEX Cards unless and until WEX executes your WEX Merchant Agreement. If WEX executes your WEX Merchant Agreement and you accept WEX Cards, you understand that WEX transactions are processed, authorized and funded by WEX. You understand that WEX is solely responsible for all agreements that govern WEX transactions and that we are not responsible and assume absolutely no liability with regard to any such agreements or WEX transactions, including but not limited to the funding and settlement of WEX transactions. You understand that WEX will charge additional fees for the services that it provides.

28.6. If you elect to participate in the WEX Full Service Program, the following terms and conditions shall apply:

- a) You shall provide, at your own expense, all equipment necessary to permit the electronic acceptance of the WEX Cards, including the operation and maintenance of the equipment, telecommunication link, and provision of all networking services;
- b) All authorization request data for WEX Card sales must include WEX Cardholder account number, vehicle number, Card expiration date, driver identification number; and the amount of the transaction, date and time of the transaction, quantity of goods sold, unit price, and product code (the "Authorization Request Data"). All manual WEX Card sales (i.e., sales facilitated by a card imprinter) must include an Authorization number or other approval code from WEX along with the aforementioned Authorization Request Data. The type of goods sold, quantity of goods sold, unit price/price per gallon (if applicable), taxes, and any coupons presented within the product detail of a transaction must be accurate. Product detail presented must also equal the total amount of the sale when calculated (i.e., Product qty x unit price must equal product amount. Sum of all product amounts including taxes minus any coupons must equal total transaction amount.);
- c) You shall not submit a WEX Card sale for processing when a WEX Card is not presented at the time of the WEX Card sale;
- d) You shall complete a WEX Card sale only upon the receipt of an Authorization approval message and not accept a WEX Card when an expired Card/decline message is received;
- e) You shall not submit a WEX Card sale for processing until the goods have been delivered or services performed;
- f) You shall not accept a WEX Card where the WEX Card appears to be invalid or expired or there is reasonable belief that the WEX Card is counterfeit or stolen;
- g) You shall provide a copy of the receipt for a WEX Card sale, upon the request of the Cardholder, to the extent permitted by applicable law, which shall not include the full account number or driver identification number;
- h) You shall require the Cardholder to sign a receipt when a WEX Card sale is not completed by an island Card reader;
- i) You shall take all commercially reasonable efforts to protect manual WEX Card sales data from fraud or misuse;
- j) You shall not divide the price of goods and services purchased in a single WEX Card sale among two or more sales receipts or permit a WEX Card sale when only partial payment is made by use of the WEX Card and the balance is made with another bank Card;
- k) Client acknowledges that fuel tax removal at the point of sale is not permitted. For all payment system product codes that are taxable, transaction dollar amount and price per gallon (PPG) must contain the sum of the fuel cost and PPG inclusive of all applicable Federal, State, County, Local and other fuel taxes.
 - l) You shall securely maintain a record of all WEX Card sales, including the Authorization Request Data, for a period of one year and produce such records upon the reasonable request of WEX;

 - n) You shall allow WEX to audit records, upon reasonable advance notice, related to the WEX Full Service; and
 - o) You shall retransmit WEX Card sales data when reasonably requested to do so.
- p) Client acknowledges and agrees that its sole remedies with respect to the WEX Full Acquiring services shall be against Processor for the WEX Full Acquiring Services and not WEX, except to the extent that WEX knows of any fraud related to the WEX Cards and fails to provide notice of such fraud or WEX commits fraud in respect to the WEX Full Acquiring Services.

28.7. If you accept Voyager Cards:

- In addition to the information stated in Section 1 (MasterCard, Visa, Discover Network, and American Express Acceptance) of the Operating Procedures, you should check Fleet Cards for any printed restrictions at the point of sale.
- In addition to the information provided under Section 1.5 (Special Terms) of the Operating Procedures, you shall establish a fair policy for the exchange and return of merchandise. You shall promptly submit credits to us for any returns that are to be credited to a Voyager Cardholder's account. Unless required by law, you shall not give any cash refunds to any Voyager Card holder in connection with a sale.
- In addition to the information required under Section 3.1 (Information Required) of the Operating Procedures, the following information must be contained on the single page document constituting the Sales Draft for Voyager transactions:
- All authorization request data for Voyager Card sales must include Voyager Cardholder account number, Card expiration date, driver identification number; and the amount of the transaction, date and time of the transaction, quantity of goods sold, unit price, and product code (the "Authorization Request Data"). All manual Voyager Card sales (i.e., sales facilitated by a card imprinter) must include an Authorization number or other approval code from Voyager along with the aforementioned Authorization Request Data. The type of goods sold, quantity of goods sold, unit price/price per gallon (if applicable), taxes, and any coupons presented within the product detail of a transaction must be accurate. Product detail presented must also equal the total amount of the sale when calculated (i.e., Product qty x unit price must equal product amount. Sum of all product amounts including taxes minus any coupons must equal total transaction amount.)
- Client acknowledges that fuel tax removal at the point of sale is not permitted. For all payment system product codes that are taxable, transaction dollar amount and price per gallon (PPG) must contain the sum of the fuel cost and PPG inclusive of all applicable Federal, State, County, Local and other fuel taxes
- If an increase in the number of Voyager transaction authorization calls from you not due to our or Voyager system outages in excess of 15% for a given month as compared to the previous month occurs, we may, in our discretion, deduct telephone charges, not to exceed \$.25 (25 cents) per call, for the increased calls, from your settlement of your Voyager transactions.
- In addition to the information provided under Section 7 (Settlement) of the Operating Procedures, settlement of Voyager transactions will generally occur by the fourth banking day after we process the applicable card transactions. We shall reimburse you for the dollar amount of sales submitted for a given day by you, reduced by the amount of Chargebacks, tax exemptions, discounts, credits, and the fees set forth in the Application. Notify processor of any errors contained with the Settlement Reports within thirty (30) calendar days of receipt of such report. Neither we nor Voyager shall be required to reimburse you for sales submitted more than sixty (60) calendar days from the date of purchase.
- For daily transmission of sales data, you shall securely maintain true and complete records in connection with the information required to be provided under this paragraph for a period of not less than thirty-six (36) months from the date of the generation of the data. You may store records on electronic media, if secure. You are responsible for the expense of retaining sales data records and Sales Drafts.
- In addition to the scenarios identified in Section 10.1.4 of this Program Guide that could cause an authorization related Chargeback to occur, with respect to Voyager transactions, Chargebacks shall be made in accordance with any other Voyager rules. Notwithstanding termination or expiration of this paragraph or the Agreement, you shall remain liable for all outstanding Chargebacks on Voyager transactions.
- In addition to the information provided under Section 21 (Representations; Warranties; Covenants; Limitations of Liability; Exclusion of Consequential Damages) of the General Terms, in no event shall our cumulative liability to you for losses, claims, suits, controversies, breaches or damages for any cause whatsoever in connection with Voyager transactions exceed the lesser of \$10,000.00 or the Voyager transaction fees paid by you to us for the two months prior to the action giving rise to the claim.
- Notwithstanding anything in this Agreement to the contrary, our obligation to provide services to you relating to any Fleet Card will terminate automatically without penalty to us or the related Card Organization upon the earlier of (i) the termination or expiration of our agreement with such Card Organization, (ii) at least twenty (20) days prior written notice by us to you; (iii) your failure to comply with material terms relating to such Fleet Card transactions, or (iv) written notice, if a Card Organization discontinues its Card.

29. Special Provisions for Debit Card

The special provisions outlined in this Section 29 apply only to those Debit Card transactions that are processed by a Cardholder entering a PIN unless the transaction is a network supported PINless transaction. A PINless transaction is a Debit card transaction that a merchant submits to us for settlement/funding transactions with neither a PIN nor Signature. The Services provided, transactions processed and other matters contemplated under this Section 29 are subject to the rest of this Agreement, as applicable, except to the extent the terms of this Section 29 directly conflict with another provision of this Agreement, in which case the terms of this Section 29 will control.

29.1. Debit Card Acceptance. Most, but not all, ATM Cards (Debit Cards) can be accepted at the point of sale at participating locations. Examine the back of the Debit Card to determine if the Card participates in a PIN Debit network that you are authorized to accept. PIN Debit network Mark(s) are usually printed on the back of the Card. If the Debit Card is valid and issued by a financial institution Issuer participating in a PIN Debit

network, you must comply with the following general requirements for all participating PIN Debit networks, in addition to the specific requirements of that PIN Debit network:

- You must honor all valid Debit Cards when presented that bear authorized PIN Debit network Marks.
- You must treat transactions by Cardholders from all Issuers in the same manner.
- You may not establish a minimum or maximum transaction amount for Debit Card acceptance.
- You may not require additional information, besides the PIN, for the completion of the transaction unless the circumstances appear suspicious. A signature is not required for Debit Card transactions.
- You shall not disclose transaction related information to any party other than your agent, a PIN Debit network, or Issuer and then only for the purpose of settlement or error resolution.
- You may not process a Credit Card transaction in order to provide a refund on a Debit Card transaction.

29.2. Transaction Processing. The following general requirements apply to all Debit Card transactions:

- All Debit Card transactions must be authorized and processed electronically. There is no Voice Authorization or Imprinter procedure for Debit Card transactions.
- You may not complete a Debit Card transaction that has not been authorized. If you cannot obtain an Authorization at the time of sale, you should request another form of payment from the Cardholder or process the transaction as a Store and Forward or Resubmission, in which case you assume the risk that the transaction fails to authorize or otherwise declines. The Cardholder should be instructed to contact the Issuer to find out why a transaction has been declined.
- Unless the transaction is a network supported PINless transaction, you may not complete a Debit Card transaction without entry of the PIN by the Cardholder. The PIN must be entered into the PIN pad only by the Cardholder. You cannot accept the PIN from the Cardholder verbally or in written form.
- The PIN Debit network used to process your transaction will depend upon, among other things, our own business considerations, the availability of the PIN Debit network at the time of the transaction and whether a particular Debit Card is enabled for a particular PIN Debit network. The PIN Debit network utilized to route your transaction may or may not be the lowest cost network available. We may, in our sole discretion (i) utilize any PIN Debit network available to us for a given transaction (including a PIN Debit network affiliated with Processor) and (ii) add and/or remove PIN Debit networks available to you based on a variety of factors including availability, features, functionality and our own business considerations.
- You must issue a receipt to the Cardholder upon successful completion of a transaction and effect PAN Truncation on it.
- You may not manually enter the account number. The account number must be read electronically from the Magnetic Stripe. If the Magnetic Stripe is unreadable, you must request another form of payment from the Cardholder.
- Any applicable tax must be included in the total transaction amount for which Authorization is requested. Tax may not be collected separately in cash.
- YOU ARE RESPONSIBLE TO SECURE YOUR TERMINALS AND TO INSTITUTE APPROPRIATE CONTROLS TO PREVENT EMPLOYEES OR OTHERS FROM SUBMITTING CREDITS AND VOIDS THAT DO NOT REFLECT BONA FIDE RETURNS OR REIMBURSEMENTS OF PRIOR TRANSACTIONS.

29.3. Cash Back From Purchase. You have the option of offering cash back to your customers when they make a PIN Debit Card purchase. You may set a minimum and maximum amount of cash back that you will allow. If you are not now offering this service, your terminal may require additional programming to begin offering cash back as long as it is supported by the PIN Debit Network.

29.4. Settlement. Within one Business Day of the original transaction, you must balance each location to our system for each Business Day that each location is open.

29.5. Adjustments. An adjustment is a transaction that is initiated to correct a Debit Card transaction that has been processed in error. You will be responsible for all applicable adjustment fees that may be charged by a Debit Card network. Some PIN Debit networks may have established minimum amounts for adjustments.

There are several reasons for adjustments being initiated:

- The Cardholder was charged an incorrect amount, either too little or too much.
- The Cardholder was charged more than once for the same transaction.
- A processing error may have occurred that caused the Cardholder to be charged even though the transaction did not complete normally at the point of sale.

All parties involved in processing adjustments are regulated by time frames that are specified in the operating rules of the applicable PIN Debit network, The Electronic Funds Transfer Act, Regulation E, and other applicable law.

30. Special Provisions Regarding EBT Transactions

If you elect to accept EBT Cards and engage in EBT transactions, the terms and conditions of this Section 30 shall apply.

EBT transactions are provided to you by Processor and not by Bank. The Services provided, transactions processed and other matters contemplated under this Section 30 are subject to

the rest of this Agreement, as applicable, except to the extent the terms of this Section 30 directly conflict with another section of this Agreement, in which case the terms of this Section 30 will control; provided, however, that Bank is not a party to this Agreement insofar as it relates to EBT transactions, and Bank is not liable to you in any way with respect to such Services. For the purposes of this section, the words “we,” “our” and “us” refer only to the Processor and not to the Bank.

We offer electronic interfaces to EBT networks for the processing, settlement and switching of EBT transactions initiated through the use of a state-issued EBT card (“EBT Card”) at your POS Terminal(s) for the provision of United States Department of Agriculture, Food and Nutrition Service (“FNS”), Supplemental Nutrition Assistance Program (“SNAP”) and Women, Infants and Children Benefits (“WIC Benefits”) and/or government delivered Cash Benefits (Cash Benefits, together with FNS, SNAP and WIC Benefits, collectively are referred to as the “EBT benefits”) to EBT benefit recipients (“EBT customers”), subject to the terms below.

30.1. Acceptance of EBT Benefits. You agree to accept EBT Cards and provide EBT benefits to EBT customers through the use of a POS Terminals, PIN pad and printer or other equipment that meet standards set forth in the EBT Rules (“Authorized Terminal”) applicable to such EBT benefits during your normal business hours, in a manner consistent with your normal business practices and in accordance with the EBT Rules.

The “EBT Rules” means (i) all procedures that we establish and provide to you from time-to-time regarding your acceptance of EBT Cards and provision of EBT benefits to EBT customers; (ii) the Quest Rules, as amended from time-to-time, issued by the National Automated Clearing House Association and as approved by the Financial Management Service of the U.S. Treasury Department, as necessary (and any rules that succeed or replace the Quest Rules); and (iii) other such laws, rules, regulations and procedures that are applicable to the acceptance of EBT Cards and the provision of EBT benefits by you under this Section 30, including without limitation, laws pertaining to delivery of services to EBT customers and EBT customer confidentiality, the federal Civil Rights Act of 1964, Rehabilitation Act of 1973, Americans with Disabilities Act of 1990, Clean Air Act, Clean Water Act, Energy Policy and Conservation Act, Immigration Reform and Control Act of 1986, regulations issued by the Department of Agriculture pertaining to Food Stamp Program, and, any additional procedures specified by the state regarding lost EBT Cards, forgotten PINs, discrepancies in benefits authorized and similar matters by providing EBT customers with information such as telephone numbers and addresses of the state or other appropriate agencies. The “Food Stamp Program” is the government benefits program operated under the authority of the Food Stamp Act of 1964.

You will provide EBT benefits to EBT customers, in accordance with the procedures set forth in the EBT Rules, in the amount authorized through your Authorized Terminal upon presentation by an EBT customer of an EBT Card and such EBT customer’s entry of a valid PIN. If the Authorized Terminal fails to print EBT benefit issuance information as approved and validated as a legitimate transaction, you will comply with the procedures set forth in the EBT Rules for authorization of EBT benefits in such instance. You are solely responsible for your provision of EBT benefits other than in accordance with authorizations timely received from EBT service provider. You will not resubmit any EBT Card transaction except as specifically permitted by the EBT Rules and procedures applicable to such EBT Card transaction. You must provide a receipt for each EBT transaction to the applicable EBT customer.

You will not accept any EBT Card for any purpose other than providing EBT Benefits, including without limitation accepting an EBT Card as security for repayment of any EBT customer obligation to you. In the event of any violation of this provision, you will be obligated to reimburse the state or us for any EBT benefits unlawfully received by either you or an EBT customer to the extent permitted by law. Cash should never be dispensed for FNS, SNAP and WIC Benefits.

30.2. Manual EBT Vouchers. In accordance with the procedures set forth in this Section 30 and the EBT Rules, you will manually accept EBT Cards during periods of time when your Authorized Terminal is not working or the EBT system is not available; you will manually provide EBT benefits in the amount authorized through the applicable EBT service provider to the EBT customers at no cost to the EBT customers upon presentation by an EBT customer of his/her EBT Card. All manual voucher authorizations must be cleared on your POS terminal for payment of voucher to be made to you. In addition to any procedures set forth in the EBT Rules, the following limitations will apply to manual issuance of FS Benefits by merchant:

- i. An authorization number for the amount of the purchase must be received by you from the applicable EBT service provider while the respective EBT customer is present and before you provide such EBT customer with any FNS, SNAP and WIC Benefits, or Cash Benefits, as applicable. You must not attempt to voice authorize a manual EBT transaction if the EBT customer is not present to sign the voucher. The EBT customer must sign the voucher. A copy of the voucher should be given to the EBT customer at the time of authorization and you should retain one copy for your records.
- ii. Specified EBT customer, clerk and sales information, including the telephone authorization number, must be entered properly and legibly on the manual sales draft.
- iii. All manual voucher authorizations must be cleared on your Authorized Terminal before payment of voucher will be made to you. Vouchers must be cleared within 10 Business Days after the date of applicable voice authorization. Vouchers cannot be cleared by any manner except by your Authorized Terminal therefore you should never mail vouchers requesting payment. If a voucher expires before it has been cleared by your

Authorized Terminal for payment, no further action can be taken to obtain payment for the voucher.

- iv. In the event that, due to EBT host failure, EBT benefit availability for an EBT customer cannot be determined at the time you request authorization, the maximum authorized manual transaction and benefit encumbrance will be \$40.00 or such other state specific floor limit as set forth in the most current version of the applicable EBT Rules.
- v. Except as specifically provided in the applicable EBT Rules, you will not be reimbursed and will be solely responsible for a manual transaction when you fail to obtain an authorization number from the applicable EBT service provider as set forth in this Section 30 or otherwise fail to process the manual transaction in accordance with the EBT Rules.
- vi. If you have not received an authorization number in accordance with paragraph 30.1 above, you may not “re-submit” a manual sales draft for payment for the same transaction.

30.3. Acceptance of Cash Benefits. If you agree to accept EBT Cards and to provide Cash Benefits, you agree to maintain adequate cash on hand to issue EBT service provider authorized Cash Benefits and will issue such Cash Benefits to EBT customers in the same manner and to the same extent cash is provided to your other customers. You may not require, and may not in your advertising suggest, that any EBT customers must purchase goods or services from you as a condition to receiving Cash Benefits, unless such condition applies to other customers as well. You may not designate and direct EBT customers to special checkout lanes restricted to use by EBT customers unless you also designate and direct other customers to special checkout lanes for Debit Cards or Credit Cards and/or other payment methods such as checks other than cash.

30.4. Interoperability. If you accept EBT Cards and provide EBT benefits (FNS, SNAP and WIC Benefits and/or Cash Benefits), you must do so for EBT customers from all states.

30.5. Required Licenses. If you provide FNS, SNAP and WIC Benefits under this Agreement, you represent and warrant to us that you are a FNS authorized merchant and are not currently disqualified or withdrawn from redeeming food stamp coupons or otherwise disqualified or withdrawn by FNS. You agree to secure and maintain at your own expense all necessary licenses, permits, franchises, or other authorities required to lawfully effect the issuance and distribution of EBT benefits under this Agreement, including without limitation, any applicable franchise tax certificate and non-governmental contractor’s certificate, and covenant that you will not accept EBT Cards or provide EBT benefits at any time during which you are not in compliance with the requirements of any EBT Rules.

30.6. Term and Termination. If you are disqualified or withdrawn from the Food Stamp Program, your authority to issue benefits will be terminated concurrently therewith. Such disqualification or withdrawal will be deemed a breach of this Agreement with respect to your authority to issue Cash Benefits and, in the event of such disqualification, we have the right to immediately terminate the provision of service under this Section 30 or the Agreement in its entirety. With respect to the issuance of Cash Benefits only, your authority to issue Cash Benefits may be suspended or terminated immediately at the sole discretion of us, the state or its EBT service provider, effective upon delivery of a notice of suspension or termination specifying the reasons for such suspension or termination if there will be (i) any suspension, injunction, cessation, or termination of the EBT service provider’s authority to provide EBT services to the state; (ii) failure by you, upon not less than thirty (30) days’ prior written notice, to cure any breach by you of these terms and conditions, including without limitation, your failure to support the issuance of EBT benefits during your normal business hours consistent with your normal business practices, your failure to comply with EBT benefit issuance procedures, your impermissible acceptance of an EBT Card, or your disqualification or withdrawal from the Food Stamp Program; or (iii) based on a state’s or its EBT service provider’s investigation of the relevant facts, evidence that you or any of your agents or employees are committing, participating in, or have knowledge of fraud or theft in connection with the dispensing of EBT benefits. If you fail to cure any breach as set forth above, you may appeal such suspension of termination to the applicable state for determination in its sole discretion.

In the event that your authority to accept benefits is suspended or terminated by a state or its EBT service provider, and you successfully appeal such suspension or termination to the state or its EBT service provider, we shall be under no obligation to reinstate the services previously provided under this Section 30 or the Agreement, as applicable.

The provision of services under this Section 30 shall terminate automatically if our agreement or our service provider’s agreement with any applicable state’s EBT service provider terminates for any reason.

You will give prompt notice to us if you plan to stop accepting EBT Cards and providing EBT benefits or if you are unable to comply with the terms of this Section 30.

30.7. Confidentiality of EBT System Information. All information related to EBT customers and/or the issuance of EBT benefits shall be considered confidential information.

Individually identifiable information relating to an EBT customer or applicant for EBT benefits will be held confidential and will not be disclosed by you or your directors, officers, employees or agents, without prior written approval of the applicable state.

You will: (a) implement appropriate measures designed to: (1) ensure the security and confidentiality of all non-public personal information or materials regarding customers (“NPPI”); (2) protect against any anticipated threats or hazards to the security or integrity of NPPI; (3) protect against unauthorized access to or use of NPPI that could result in substantial harm or inconvenience to any customer and (4) ensure the proper disposal of

NPPI; and (b) take appropriate actions to address incidents of unauthorized access to NPPI, including notification to us as soon as possible.

The use of information obtained by you in the performance of your duties under this Section 30 will be limited to purposes directly connected with such duties.

30.8. EBT Service Marks. You will adequately display any applicable state's service Marks or other licensed marks, including the Quest Marks, and other materials supplied by us (collectively the "Protected Marks") in accordance with the standards set by the applicable state. You will use the Protected Marks only to indicate that EBT benefits are issued at your location(s) and will not indicate that we, any state or its EBT service provider endorse your goods or services. Your right to use such Protected Marks pursuant to this Agreement will continue only so long as this Section 30 remains in effect or until you are notified by us, any state or its EBT service provider to cease their use or display. You will not use the Marks of any EBT service provider without prior written approval from such EBT service provider.

30.9. Miscellaneous.

30.9.1. Errors. You will fully cooperate with us and any other participants in the EBT system in the resolution of errors and disputes regarding EBT transactions processed pursuant to this Section 30. You will promptly notify us of any such errors or disputes.

30.9.2. Issuance Records.

- i. You agree to make available such informational materials as may be required by the state, its EBT service provider or any applicable regulations pertaining to the issuance of Benefits.
- ii. You will retain all EBT-related records (including but not limited to manual sales drafts or vouchers) in the manner required by the EBT Rules or otherwise reasonably requested by us for three (3) years following the date of the applicable EBT transaction, or for such additional period as may be required by the EBT Rules. Records involving matters in litigation will be kept by you for a period of not less than three (3) years following the termination of the applicable litigation. Copies of any documents in media other than paper (e.g., microfilm, etc.) related to this Section 30 may be substituted for the originals to the extent permitted under applicable EBT Rules and provided that legible paper copies can be reproduced within a reasonable time after such records are requested.
- iii. You will make all EBT-related records available for audit upon request to representatives of the state or its EBT service provider, or other authorized state or federal government agency during normal business hours.
- iv. To assure compliance with this Agreement, including without limitation this Section 30, the state, its EBT service provider, or other authorized state or federal government agency, will at all times, upon advance notice except in the case of suspected fraud or other similar activity, have the right to enter, during normal business hours, your premises to inspect or evaluate any work performed under this Agreement, or to obtain any other information required to be provided by you or otherwise related to this Agreement.

30.9.3. Training. You will train and permit your employees to receive training regarding the issuance of EBT benefits.

30.9.4. Amendments. Notwithstanding anything to the contrary in this Agreement, if any of these terms and conditions are found to conflict with the EBT Rules or federal or state policy, these terms and conditions are subject to reasonable amendment by us, a state or its EBT service provider to address such conflict upon written notice to you and such amendment shall become effective upon such notice.

30.9.5. State Action. Nothing contained herein shall preclude a state from commencing appropriate administrative or legal action against you or for making any referral for such action to any appropriate federal, state, or local agency.

30.9.6. Reference to State. Any references to state herein will mean the state in which you accept EBT benefits pursuant to this Section 30. If you accept EBT benefit in more than one state pursuant this Section 30, then the reference will mean each such state severally, not jointly.

30.9.7. Third Party Beneficiaries. These terms and conditions, do not create, and will not be construed as creating, any rights enforceable by any person not having any rights directly under this Agreement, except that the state and its Issuer, as defined in the Quest Rules, will be deemed third party beneficiaries of the representations, warranties, covenants and agreements made by you under the Agreement, including without limitation this Section 30.

31. Special Provisions Regarding Wireless Service

If you elect to purchase the Wireless Services from us as indicated on the Application, then the following terms and conditions of this Section 31, referred to as the "**Wireless Services Terms**," shall apply. THE WIRELESS SERVICES ARE BEING SOLD TO YOU FOR USE IN BUSINESS AND ARE NOT BEING SOLD TO YOU FOR HOUSEHOLD OR PERSONAL USE. Sale of Wireless Services is made by Processor and not the Bank. The Services provided, transactions processed and other matters contemplated under this Section 31 are subject to the rest of this Agreement, as applicable, except to the extent the terms of this Section 31 directly conflict with another section of this Agreement, in which case the terms of this Section 31 will control; provided, however, that Bank is not a party to this Agreement insofar as it relates to Wireless Services, and Bank is not liable to you in

any way with respect to such services. For the purposes of this section, the words "we," "our" and "us" refer only to the Processor and not to the Bank.

Through one or more third party vendors ("Wireless Vendor(s)") selected by us in our sole discretion, we have acquired the right to resell certain wireless data communication services that use radio base stations and switching offered by certain cellular telephone and data networks throughout the country (the "Wireless Networks") in order to allow you to capture and transmit to Processor and Bank certain wireless Card Authorization transactions or to transmit other communications to our system ("Wireless Services").

If you elect to purchase voice and/or data services directly from a third party provider for use with the Wireless Equipment as permitted by Processor, you acknowledge and agree that this Agreement does not address or govern those voice and/or data services or your relationship with that third party provider, and Servicers are in no way responsible for providing, maintaining, servicing or supporting such third party voice and/or data services.

31.1. Purchase of Wireless Services. The prices that you will pay for the Wireless Services are set forth on the Application. In connection with your purchase of Wireless Services, you will receive access to a certain Wireless Network(s).

- Licenses. You agree to obtain any and all licenses, permits or other authorizations required by the Federal Communications Commission ("FCC") or any other regulatory authority, if any, for the lawful operation of Wireless Equipment used by you in connection with your receipt of Wireless Services. You will promptly provide us with all such information as we may reasonably request with respect to matters relating to the rules and regulations of the FCC.
- Wireless Equipment. You agree that in order to access the Wireless Services, you must use wireless POS Terminals and accessories approved for use with the Wireless Services by Processor from time to time in its sole discretion (the "Wireless Equipment"). If Wireless Equipment is purchased by you from us as indicated on the Application, then the terms of this Agreement apply to your use of such Wireless Equipment.
- Improvements/General Administration. We and the Wireless Vendor(s) reserve the right to make changes, from time to time, in the configuration of the Wireless Services, Wireless Networks, Wireless Equipment, Wireless Software, rules of operation, accessibility periods, identification procedures, type and location of equipment, allocation and quantity of resources utilized, programming languages, administrative and operational algorithms and designation of the control center serving you at the particular address. In addition, we reserve the right to schedule, from time to time, interruptions of service for maintenance activities.
- Suspension of Wireless Services. We or a Wireless Network may suspend the Wireless Services to: (a) prevent damages to, or degradation of, our or a Wireless Network's network integrity that may be caused by a third party; (b) comply with any law, regulation, court order or other governmental request which requires immediate action; or (c) otherwise protect us or a Wireless Network from potential legal liability. To the extent commercially reasonable, we shall give notice to you before suspending the Wireless Services to you. If not commercially reasonable to give prior notice, we will give notice to you as soon as commercially practicable thereafter. Availability of the Wireless Services may vary due to events beyond the control of us or our Wireless Vendors. In the event of a suspension of the Wireless Services, we or the applicable Wireless Vendor will promptly restore the Wireless Services after the event giving rise to the suspension has been resolved.

31.2. Software Licenses. Processor hereby grants to you a non-exclusive, non-transferable, revocable limited sublicense to use any wireless software (including any documentation relating to or describing the wireless software) downloaded by you or your designee from Processor's systems onto the Wireless Equipment in connection with your purchase and use of the Wireless Services in accordance with the terms of this Agreement, including this Section 31. Anything in this Agreement to the contrary notwithstanding, we or certain third parties retain all ownership and copyright interest in and to all Wireless Software, related documentation, technology, know-how and processes embodied in or provided in connection with the Wireless Software, and you shall have only a nonexclusive, non-transferable license to use the Wireless Software in your operation of the Wireless Equipment for the purposes set forth in this Agreement. Nothing in this Agreement confers any title or ownership of any such Wireless Software to you or shall be construed as a sale of any rights in any such Wireless Software to you. You agree to accept, agree to and be bound by all applicable terms and conditions of use and other license terms applicable to such Wireless Software. You shall not reverse engineer, disassemble or decompile the Wireless Software. You shall not give any Person access to the Wireless Software without our prior written consent. Your obligations under this Section 31.2 shall survive the termination of this Agreement. You acknowledge that the only right you obtain to the Wireless Software is the right to use the Wireless Software in accordance with the terms in this Section.

31.3. Limitation on Liability. We shall have no liability for any warranties by any party with respect to uninterrupted Wireless Services, as set forth in Section 31.10, or for any Person's unauthorized access to Client's data transmitted through either the Wireless Equipment or Wireless Services (including the Wireless Software), or Wireless Networks, regardless of the form of action (whether in contract, tort (including negligence), strict liability or otherwise). The foregoing notwithstanding, for any other liability arising out of or in any way connected with these Wireless Services terms, including liability resulting solely from loss or damage caused by partial or total failure, delay or nonperformance of the Wireless Services or relating to or arising from your use of or inability to use the Wireless Services, Processor's, Bank's, and Wireless Vendor(s)' liability shall be limited to your direct

damages, if any, and, in any event, shall not exceed the lesser of the amount paid by you for the particular Wireless Services during any period of failure, delay, or nonperformance of the Wireless Services or \$50,000.00. In no event shall Servicers, Wireless Vendor(s) or our respective Affiliates be liable for any indirect incidental, special, consequential or punitive damages. The remedies available to you under these Wireless Services Terms will be your sole and exclusive remedies with respect to the Wireless Services.

31.4. Indemnification. In addition to any other indemnifications as set forth in this Agreement, you will indemnify and hold Servicers, Wireless Vendor(s) and our respective officers, directors, employees, and Affiliates harmless from and against any and all losses, claims, liabilities, damages, costs or expenses arising from or related to: (a) the purchase, delivery, acceptance, rejection, ownership, possession, use condition, liens against, or return of the Wireless Equipment or the Wireless Equipment (including the Wireless Software), as applicable; (b) your negligent acts or omissions; (c) any breach by you of any of your obligations under this Section 31; or (d) any Person's unauthorized access to Client's data and/or unauthorized financial activity occurring on your Merchant Account Number hereunder, except to the extent any losses, liabilities, damages or expenses result from our gross negligence or willful misconduct.

31.5. Confidentiality. All information or materials which could reasonably be considered confidential or competitively sensitive that you access from or relate to either Wireless Vendor(s) or Servicers related to the subject matter of these Wireless Services Terms will be considered confidential information. You will safeguard our confidential information with at least the same degree of care and security that you use for your confidential information, but not less than reasonable care.

31.6. Termination. In addition to any other provision in this Agreement, the Wireless Services being provided under this Section 31 may terminate:

- a) Immediately upon termination of the agreement between us (or our Affiliates) and Wireless Vendor(s), provided that we will notify you promptly upon our notice or knowledge of termination of such agreement, provided further that if Wireless Vendor(s) loses its authority to operate less than all of the Wireless Services or if the suspension of any authority or non-renewal of any license relates to less than all of the Wireless Services, then these Wireless Services Terms will terminate only as to the portion of the Wireless Services affected by such loss of authority, suspension or non-renewal; or
- b) Immediately if either we or our Affiliates or Wireless Vendor(s) are prevented from providing the Wireless Services by any law, regulation, requirement, ruling or notice issued in any form whatsoever by judicial or governmental authority (including without limitation the FCC).

31.7. Effect of Termination. Upon termination of these Wireless Services Terms for any reason, you will immediately pay to us all fees due and owing to us hereunder. If these Wireless Services terminate due to a termination of the agreement between us or our Affiliates and Wireless Vendor(s), then we may, in our sole discretion, continue to provide the Wireless Services through Wireless Vendor(s) to you for a period of time to be determined as long as you continue to make timely payment of fees due under these Wireless Services Terms.

31.8. Third Party Beneficiaries. Wireless Vendor(s) are third party beneficiaries of these Wireless Services Terms and may enforce its provisions as if a party hereto.

31.9. Other Applicable Provisions. You also agree to be bound by all other terms and conditions of this Agreement.

31.10. Disclaimer. Wireless Services use radio transmissions, so Wireless Services can't be provided unless your Wireless Equipment is in the range of one of the available Wireless Networks' transmission sites and there is sufficient network capacity available at that moment. There are places, particularly in remote areas, with no service at all. Weather, topography, buildings, your Wireless Equipment, and other conditions we don't control may also cause failed transmissions or other problems. PROCESSOR, BANK, AND WIRELESS VENDOR(S) DISCLAIM ALL REPRESENTATIONS AND WARRANTIES RELATING TO WIRELESS SERVICES. WE CANNOT PROMISE UNINTERRUPTED OR ERROR-FREE WIRELESS SERVICE AND DO NOT AUTHORIZE ANYONE TO MAKE ANY WARRANTIES ON OUR BEHALF.

If you subscribe only to TransArmor Data Protection or TransArmor Solution PCI as set forth in the Application, you will not receive other parts of TransArmor Solution including, without limitation, Liability Waiver.

32.1. Scanning Authority; Scanning Obligations. You represent and warrant that you have full right, power, and authority to consent for TransArmor Solution to scan for vulnerabilities in the IP address and/or URL and/or domain names identified to us by you for scanning, whether electronically or by any other means, whether during initial enrollment or thereafter. If applicable, you shall obtain all consents and authorizations from any third parties necessary for us or our vendors to perform the TransArmor Solution services, including, without limitation, third party data centers, co-locations and hosts. We will not be required to execute agreements with any such third parties. You agree to defend, indemnify and hold us and our vendors harmless from any third party claim that such access was not authorized. You may use TransArmor Solution and portals only to scan IP addresses, URLs and domain names owned by and registered to you. You understand that your failure to provide a complete list of and complete access to your IP addresses will significantly impair the scanning services and may result in incomplete or inaccurate

results. You agree that the TransArmor Solution services hereunder, including without limitation their functionality and contents, constitute confidential information, and your use and/or access to the TransArmor Solution is subject to the terms of confidentiality set forth in this Agreement.

32.2. Data Collection. In the course of providing the TransArmor Solution, we may collect information relating to activities on your network (the "Data") including, but not limited to: network configuration, TCP/IP packet headers and contents, log files, malicious codes, and Trojan horses. We retain the right to use the Data or aggregations thereof for any reasonable purpose.

32.3. Data Protection; Responsibilities of Client. Data Protection applies only to card transactions sent from you to us for authorization and settlement pursuant to the Agreement, and specifically excludes electronic check transactions. You are responsible to comply with the following regarding your use of Data Protection:

- (a) Data Protection can only be used with a point of sale device, gateway and/or equipment that is certified by us as Data Protection eligible. It is your responsibility to ensure that you have eligible equipment in order to use Data Protection.
- (b) You must demonstrate and maintain your current PCI DSS compliance certification. Compliance must be validated either by a Qualified Security Assessor (QSA) with corresponding Report on Compliance (ROC) or by successful completion of the applicable PCI DSS Self-Assessment Questionnaire (SAQ) or Report on Compliance (ROC), as applicable, and if applicable to your business, passing quarterly network scans performed by an Approved Scan Vendor, all in accordance with card organization rules and PCI DSS. Use of the Data Protection will not, on its own, cause you to be compliant or eliminate your obligations to comply with PCI DSS or any other Card Organization Rule. You must also ensure that all third parties and software that you use for payment processing comply with PCI DSS.
- (c) You must deploy Data Protection (including implementing any upgrades to such service within a commercially reasonable period of time after receipt of such upgrades) throughout your point of sale systems or any facility where you process and/or store transaction data ("Merchant Systems") including replacing existing Card numbers on your Merchant Systems with Tokens. Full Card numbers must never be retained, whether in electronic form or hard copy.
- (d) You must use the Token in lieu of the Card number for ALL activities subsequent to receipt of the authorization response associated with the transaction, including without limitation, settlement processing, retrieval processing, chargeback and adjustment processing and transaction reviews.
- (e) If you send or receive batch files containing completed Card transaction information to/from us, you must use the service provided by us to enable such files to contain only Tokens or truncated information.
- (f) You must use truncated report viewing and data extract creation within reporting tools provided by us.
- (g) You are required to follow rules or procedures we may provide to you from time to time related to your use of Data Protection ("Data Protection Rules and Procedures"). We will provide you with advance written notice of any such rules or procedures or changes to such rules or procedures.
- (h) You will use only unaltered version(s) of Data Protection and will not use, operate or combine Data Protection or any related software, materials or documentation, or any derivative works thereof with other products, materials or services in a manner inconsistent with the uses contemplated in this Agreement.
- (i) You will promptly notify us of a breach of any these terms.

32.4. Tokenization Limited Warranty. Subject to the terms of this Agreement, we (i) warrant that each token returned to you through Data Protection cannot be used to initiate a financial sale transaction by an unauthorized entity/person outside your point of sale systems and facilities where you process and/or store transaction data (the "Limited Warranty"); and (ii) agree to indemnify and hold you harmless from direct damages, including third party claims, resulting from our breach of the Limited Warranty. This express remedy for our breach of the Limited Warranty constitutes our entire liability and your sole and exclusive remedy for our breach of the Limited Warranty.

The Limited Warranty is void if (a) you use Data Protection in a manner not contemplated by, or you are otherwise in violation of, this Agreement or any other agreement relating to Cards eligible for Data Protection; (b) you are grossly negligent or engage in intentional misconduct; or (c) you no longer have a processing relationship with us.

33.5. Platform Matters

33.5.1. Integration with Your Systems. While we provide Software to you, you acknowledge that the Software itself is insufficient to allow Your Systems to function with the Platform. Programming, development and maintenance of Your Systems and their functionality are your sole responsibility. You have the sole responsibility to select and employ any competent programming agent(s) to accomplish the programming required to make Your Systems function correctly with the Platform and the payment services contemplated hereunder ("Integration"). You shall be responsible for all technical support for Your Systems and Integration related issues. You agree that you will use commercially reasonable efforts to complete the Integration as soon as possible. You will be responsible for all of your own development and implementation costs associated with such Integration. Notwithstanding any other provision of this Section 33, you acknowledge that unless and until you complete the Integration, no Services need be provided by us to you pursuant to this Agreement, except as otherwise specifically provided in Section 33.5.2 below. In addition, you acknowledge and agree that, even if you have completed Integration, if you have not entered into a valid merchant processing agreement with an authorized bank card processor, you cannot receive the Services through the Platform.

33.5.2. Set-Up Assistance Services. Subject to Section 33.5.1 above, upon your request to us, and upon payment of any applicable Fees, we will provide you with set-up services to assist with the Integration.

For purposes of this Section 33 the term "cause", in addition to cause as defined under the Agreement, shall mean that significant activity by you has been detected (which excludes a high volume of transactions) or the security or integrity of the Platform is materially compromised. We will make commercially reasonable efforts to provide prior notification to you of any such proposed suspension and provide you with a reasonable opportunity to cure, provided just you (and no other user) are affected, and provided such cure is allowed by the applicable law or the Card Organization Rules. If prior notification to you is not possible because such significant activity or security issue would materially and adversely affect other users of the Platform and Services, then we will provide notice of such suspension as promptly as possible thereafter with detailed information regarding the suspected fraudulent activity or security issue, as well as any other information that can assist you with identifying the root cause of the problem responsible for such suspension. Upon a determination by us that you are not responsible for the fraudulent activity or security issue resulting in the suspension or any security threat as abated, the Services and your license to the Software shall be promptly re-activated and the Services under this Section 33 shall recommence.

Regardless of the reason for such suspension, you shall be responsible for the payment of all fees due up to and including the effective date of the suspension.

33.6. Security of Information. We will use commercially reasonable efforts to maintain the security of the Services and the Platform. You may transfer the design template to a second store, if you close your first store. You are not permitted to transfer or sell a design template to any other Merchant's WebStore or any other website. You may modify the design template to suit your Merchant WebStore. Processor may modify

any design template at any time, for any reason, including to incorporate technical changes and updates. The intellectual property rights of the design template will remain the property of Processor. If you violate the rights granted to you by your use of a design template, Processor may take legal action against you, which may result in modifying or closing your Merchant WebStore.

34.8.4. Content, in general. With respect to Content (excluding Your Content), you shall: (i) not take any action of reverse engineering, decompiling, disabling, circumventing or disassembling of Content; (ii) not restrict use of any Content or enforce limitations on use of the Services or any Content; (iii) not make any modification, duplicate, copy, distribute, sublicense, retransmit, create derivative works from or resale such Content, except as specifically provided and allowed by Processor or these Terms; and (iv) not use the Content in a manner that is inconsistent with the restrictions set forth in these Terms, as may be updated from time to time.

With respect to all Content (including Your Content), you acknowledge and agree that Processor shall have the right, at any time, at its sole and exclusive discretion to: (i) disable access to Content; or (ii) demand that you immediately remove Content from your Merchant WebStore. If you do not obey such demand and you do not remove the Content from your Merchant WebStore within no later than 24 hours from the time in which Processor issued the demand, Processor shall have the right to terminate your use of the Services and suspend or permanently remove your Merchant WebStore, in its sole discretion, and you will not be entitled to damages or reimbursement. In the event of actual or suspected infringement activity on your Merchant WebStore, Processor will remove Content (including Your Content) without prior notice and Processor reserves the right to terminate your access to the Services or permanently remove your Merchant WebStore, in its sole discretion.

34.9. Fees and Payment. All fees related to Services are charged monthly, in conjunction with your payment gateway charges. While we look forward to providing you with excellent service for a long period of time, you may cancel your use of the Services (and we will delete your Merchant WebStore) at any time and for any reason, upon receipt of your notice of cancellation.

Upon termination or cancellation of the Services: (i) your Merchant WebStore will be immediately deleted and you will only be obligated to pay the fees owed during the month of such termination (ex: if you terminate on June 16th, you will be responsible for all fees owing in June and your obligation to pay fees will end on June 30th).

34.11. Intellectual Property Rights.

34.11.1. Processor IP Rights. In addition to our rights in Content, described in Paragraph 34.8 above, all right, title and interest (including copyrights) in and to the Services (which includes all information and data related to transactions on your Merchant WebStore) are owned by or licensed to Processor and its Affiliates, who reserve all rights in law and equity not expressly granted to you under the Terms, including Paragraph 34.8 above. Processor respects the intellectual property rights of others, and it is our policy to respond to claims of alleged infringement that complies with the Digital Millennium Copyright Act (the "DMCA"). If you believe that your work has been copied in a way that infringes your copyrights, please contact us and provide all relevant details, including the exact location

of the material claimed to be infringing your rights, reasonable evidence of such pleaded rights, and any other information as may be required.

34.12. Warranties; Limitation of Liability.

34.12.1. Your Warranties. You represent and warrant that the products and services that are made available to your customers on your Merchant WebStore comply with all applicable law or regulation in any jurisdiction in or to which you are making the products and services available and you have all necessary licenses and permits in place to engage in the advertising and provision of the products and services on your Merchant WebStore. You represent and warrant that you are not currently subject to an order, litigation or investigation by any federal, state, local or international regulatory or law enforcement organization arising out of or relating to your activities and your Merchant WebStore.

Processor is not responsible for the accuracy, usefulness, safety or intellectual property rights related to such Third Party Content and third party websites. When you access third party websites, you do so at your own risk. Accordingly, we encourage you to be aware when you access such websites and to read the terms and conditions and privacy policy of each third party website that you visit.

The Services are controlled from Processor's facilities in the United States. Processor makes no representation that the Services are appropriate or available for use in other locations. Those who access or use the Services from other jurisdictions do so of their own volition and at their own risk and are responsible for compliance with local law.

34.12.3. Limitation of Liability. In no event shall we, our Affiliates or our licensors be liable for any damage, claim or loss incurred by you, including without limitation direct, indirect, compensatory, incidental, special, consequential or exemplary damages, or damages for personal injury, business interruption, loss of information, loss of privacy, loss of profits or revenue incurred by you or any third party irrespective of whether we have been informed of, knew of, or should have known of the likelihood of such damages. This limitation applies to all causes of action in the aggregate including without limitation breach of contract, breach of warranty, defamation, negligence, strict liability, misrepresentation, and other torts, as well as third-party claims arising from your access to, or use of, or inability to use the Services or any Content. If the disclaimers or limitations of liability set forth above are for any reason held by a court or other tribunal of competent jurisdiction to be void, unenforceable or inapplicable, such provisions shall be limited or eliminated to the minimum extent necessary and replaced with a valid provision that best embodies the intent of these Terms, provided, in no event will the aggregate liability of Processor or its Affiliates to you and any third party in connection with these Terms or your access to and use of the Services or any Content exceed the amount of two hundred fifty dollars (\$250.00), regardless of the form or theory of the action or claim.

34.13. Indemnification and Waiver. By using the Services, you agree, to the fullest extent permitted by law, to indemnify and hold Processor, its directors, officers, employees, Affiliates, agents, contractors, principals, and licensors harmless with respect to any claims (including third party claims) arising out of your breach of these Terms, your use of the Services or Content, your Merchant WebStore, your customers access and use of your Merchant WebStore or claims that may arise from any action taken by Processor as part of its investigation of a suspected violation of these Terms or as a result of its finding or decision that a violation of these Terms has occurred.

You cannot sue or recover any damages from Processor, its directors, officers, employees, Affiliates, agent, contractors, principals, and licensors as a result of its decision to (a) remove Your Content or your Merchant WebStore, (b) refuse to process any information or Content, (c) warn you, suspend or terminate your access to the Services, or (d) take any other action during an investigation of a suspected violation or as a result of Processor's conclusion that a violation of these Terms has occurred. This indemnity and waiver provision applies to all violations described in or contemplated by these Terms.

34.14. Amendments. We reserve the right to make changes to these Terms at any time by emailing them to you. We last modified these Terms on the date stated

at the beginning of these Terms. If you are dissatisfied with the Services or any Terms (including as modified), you agree that your sole and exclusive remedy is to discontinue using the Services. The Terms are the entire agreement between you and Processor with respect to your use of the Services.

35. Special Provisions Regarding Global ePricing Services

If you elect to receive the Global ePricing Service, the terms and conditions of this Section 35 shall apply. The Global ePricing Service ("GeP Service") is provided to you by Processor and Bank.

Capitalized terms used in this Section 35 and not otherwise defined herein shall have the same meaning set forth in the Agreement.

35.1. Definitions.

Foreign Currency means the currency other than the Local Currency.

GeP Sales Transaction means a card not present transaction between Client and a Cardholder in which the Client presents the Transaction Price in a card not present environment and the Cardholder authorizes (i) the Transaction Price to be submitted to a Card Organization for settlement, and (ii) that the Cardholder's account will be charged for the Transaction Price.

GeP Service Provider has the meaning set forth in Section 35.2.2

GeP Services means the merchant pricing of goods and services in a Foreign Currency and the activity undertaken by Servicers and/or a GeP Service Provider to authorize, process, and settle GeP transactions initiated by Cardholders using a card type approved by Servicers for use with GeP Sales Transactions in a card not present environment established and maintained by a Client domiciled in the United States or United States territories, or other countries permitted by Servicers. Merchant acknowledges that Dynamic Currency Conversion as defined by Card Organization rules is not permitted or provided under GeP service.

GeP Sponsor Bank has the meaning set forth in Section 35.2.2

Local Currency means US Dollars (i.e., the currency associated with the domicile of the Merchant utilizing the GeP Service).

Transaction Price means the price for a product or service sold by the Client in a card not present environment as quoted by the Client to a Cardholder in a Foreign Currency.

Transaction Rate means the then-current Foreign Currency exchange rate used by the Card Organizations or their designee from time to time to convert the net funding amount into the Local Currency.

35.2. GeP Services.

35.2.1. We will provide GeP Services to you with respect to GeP transactions on the terms and conditions set forth in this Section. The list of foreign currencies supported under the GeP Services will be provided to you upon request and may be modified from time to time by us. Card types that we have approved for GeP Sales Transactions are VISA and Mastercard; we may modify the card types approved for GeP transactions from time to time on notice to you.

35.2.2. Client acknowledges that Client is solely responsible for all aspects of a GeP transaction (other than the performance of GeP Services hereunder), including without limitation, obtaining the Cardholder's consent to execute a GeP transaction, and complying with all Card Organization Rules applicable to merchants with respect to GeP transactions. The Foreign Currencies that Merchant has elected to support will be initially identified. Merchant shall notify us in writing of any additional Foreign Currencies that it wishes to support; if we support such currencies, we will work with the Merchant to implement such currencies for merchant within a commercially reasonable time frame.

35.2.3. Authorization and Settlement between Servicers and Client of GeP Sales Transactions shall be made in the Foreign Currency on the basis of the Transaction Price of the GeP Sales Transaction. The US Dollar amount funded for each such transaction will be based on the applicable Local currency exchange rate provided by the applicable card organization for use on the day such transaction is submitted by Merchant for entitlement. Merchant shall be subject to any and all Foreign Currency exchange rate exposure and bear all such exchange rate exposure risk in connection with each GeP Sale Transaction.

35.2.4. Refunds, Credits, returns and Chargebacks shall be treated as independent GeP transactions and the Transaction Rate used for refund, Credit, return and Chargeback transactions shall be determined by the applicable Card Organization. Merchant shall be subject to any and all Foreign Currency exchange rate exposure and bear all such exchange rate exposure in connection with refunds, credits, returns or Chargebacks.

35.2.5. For the avoidance of doubt, except as expressly provided in this Guide, the terms and conditions of this Guide with respect to a card transaction (including the rights and obligations of Servicers and Merchant with respect to such a transaction) shall apply to GeP transactions.

35.2.6. Upon written request from Merchant, and subject to written approval from American Express, we will support American Express multi-currency transactions on our platforms that have been certified by American Express for such purposes. Our support of American Express multi-currency transactions may be subject to additional fees.

35.2.7. Merchant acknowledges and agrees that all fees in the Agreement that apply to and are payable by Merchant with respect to a Card transaction also apply to and are payable by Merchant with respect to a GeP transaction or American Express multi-currency transaction; in addition, GeP fees apply and are payable by the Merchant.

35.2.8. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE GEP SERVICES AND, IF APPLICABLE, SUPPORT OF AMERICAN EXPRESS MULTI-CURRENCY TRANSACTIONS ARE PROVIDED TO MERCHANT “AS IS”, WITHOUT ANY REPRESENTATIONS OR WARRANTIES OF ANY KIND, INCLUDING WITHOUT LIMITATION, ANY EXPRESS OR IMPLIED WARRANTIES, WARRANTIES OF NON-INFRINGEMENTS, MERCHANT ABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND ANY WARRANTIES THAT ANY SUCH SERVICES WILL BE COMPLETELY ACCURATE, ERROR-FREE OR AVAILABLE WITHOUT INTERRUPTION.

35.5. Term; Suspension; Termination.

35.5.1. This GeP Service is co-terminous with the Agreement and may be terminated in conjunction with or separate from the Agreement in accordance with the terms of this Section. If this GeP Service terminates prior to the termination of the Agreement, such termination shall not terminate the obligations or rights of the parties pursuant to provisions of this Section which are to survive or be perpetual or irrevocable. Such provisions (including payment or reimbursement obligations) shall survive termination of this Section.

35.5.2. Client may terminate its participation in the GeP Services, and Servicers may cease to offer the GeP Services to Client with respect to the Card Organizations: (i) without cause upon not less than thirty (30) days’ written notice to the other party; or (ii) immediately upon written notice to the other party if Client or Servicers determine that continuing to utilize the GeP Services as provided herein will violate any applicable law or any provision of the Card Organization Rules. Termination of Client’s participation in the GeP Services by Client or Servicers shall terminate this Section.

35.5.3. If Servicers reasonably suspect that Client is not in compliance with Card Organization Rules or the terms of this Section (including Section 35.2.4 above), Servicers, in their sole discretion, may: (a) immediately cease processing Client’s GeP Sales Transactions until such time as the Client verifies compliance to Servicer’s satisfaction, and/or (b) terminate this Addendum immediately.

35.5.4. Servicers may terminate this Service:

- a) Immediately upon a breach by Client of its confidentiality obligations under this Section;
- b) For any of the reasons set forth in the Agreement that permit Servicers to terminate the Agreement if applicable to the GeP Services; or
- c) As otherwise set forth in this Section.

35.5.5. Client may terminate this GeP Service for any of the reasons set forth in the Agreement that permit Client to terminate the Agreement if applicable to the GeP Services, or as otherwise set forth in this Section.

35.5.6. Termination of the Agreement shall effect a termination of this GeP Service.

35.6. Third Party Beneficiaries. Servicers are direct and intended third party beneficiaries to the Global ePricing Service, and may enforce their rights under this Section directly against Client.

35.7. Indemnification.

35.7.1. All limitations of liability and liability disclaimers set forth in the Agreement shall apply to any liability of Servicers and the liability of Servicers shall be limited to the same amount and to the same extent as Servicers’ limitations set forth in the Agreement.

35.7.2. In addition to the indemnification obligations in the Agreement, Client agrees to indemnify and hold harmless Servicers from and against all losses, liabilities, damages, and expenses (including reasonable attorneys’ fees and collection costs) resulting from third party claims related to any acts or omissions of Client in connection with any GeP Sales Transaction or other GeP transaction, including any alleged misrepresentation or deceptive or unlawful trade practice, a violation of applicable law or the Card Organization Rules, or a breach of any of Client’s obligations under this Section. Any limitations on Client’s liability which may be specified in the Agreement shall not be applicable to Client’s indemnification obligation set forth in the preceding sentence.

36. Special Provisions Regarding Insightics Services

If you elect to utilize the First Data InsighticsSM Solution (“**Insightics**”) the terms and condition in this Section 36 shall apply (“**Insightics Terms and Conditions**”); and if you were granted a First Data Insightics Temporary Demonstration License, an election for Services under this Section 36 shall serve to supersede it. 36.3.2. You shall not take any action inconsistent with the stated title and ownership in Section 36.2. You will not file any action in any forum that challenges the ownership of any part of Insightics, any related software, materials or User Documentation. 36.4.5. You shall at all times comply with the User Documentation.

36.4.6. You shall comply with the following requirements in connection with your use of Insightics:

36.4.6.1. In the event you are able to discern any information about a particular entity or individual from the information available from Insightics, either alone or with other information in your possession, you understand and acknowledge that the information may be subject to certain privacy, marketing, insider trading, or other applicable laws and you will limit your use thereof in accordance with all applicable laws.

36.4.8. In connection with Insightics, you shall receive a username and password to access Insightics. You are responsible for securely storing and keeping the username and password in accordance with this Section 36.10 below. You will not permit anyone unauthorized by you to use the username and password and you may only authorize your employees and agents with a business need to use the username and password. At such time as multiple usernames and passwords are available, you shall restrict the use of usernames and passwords to single individuals and you shall monitor use of Insightics to ensure compliance with this Section 36 by those to whom you have provided usernames and passwords and you shall keep records regarding who has access to which usernames and passwords at all times.

You release First Data, its affiliates, vendors, or third party provider(s) from all liability and obligations that may arise from the receipt, review, use or disclosure of any portion of any Idea.

36.17. Third Party Beneficiaries. First Data, its affiliates, vendors, or third party provider(s) used in providing Insightics are intended third party beneficiaries of this Section 36 as applicable, and each of them may enforce its provisions as if it was a party hereto. 37. Special Provisions Regarding Clover Service

If you elect to use the Clover Service, the following additional terms and conditions of this Section 37 shall apply.

The Clover Service is provided to you by Processor and not Bank. The Clover Service, transactions processed, and other matters contemplated under this Section 37 are subject to the terms and conditions of the Agreement, as applicable, except to the extent the terms of this Section 37 directly conflict with another provision of the Agreement, in which case the terms of this Section 37 will control; provided however, Bank is not a party to this Agreement insofar as it applies to the Clover Service, and you acknowledge that Bank is not liable to you in any way with respect to the Clover Service. For the purposes of this Section, 37, the words "we," "our" and "us" refer only to the Processor and not the Bank.

37.1. Definitions. Capitalized terms used herein shall have the meanings given to such terms as set forth in this Section 37 or as defined in the Glossary or elsewhere in this Agreement.

"Clover" means Clover Network, Inc.

"Clover Marks" means the trademarks or service marks of Clover, an affiliate of Processor.

"Clover Service" means the website associated with the Clover Service, the object code version of Clover software applications (whether owned or licensed by Clover) resident on a Device at the time we provide you with the Device and the object code version of the software that enables the applications resident on a Device at the time of provisioning, and any related updates (including software maintenance or bug fixes) that are designed to assist with the management of your business and enable payment processing at the point of sale, and any materials, documentation and derivative works released by Processor from time to time. For the avoidance of doubt, the term software in the preceding sentence does not include any software that may be obtained by you separately from the Clover Service (e.g., any applications downloaded by you through an application marketplace). The Clover Service is deemed part of the "Services," as defined in and provided under the Agreement.

"Customer" means a Person who makes a purchase of goods or services from you, the transaction for which utilizes the Clover Service.

"Customer Information" means information about your Customers (e.g., name, mailing address, e-mail address, telephone number) obtained in connection with your use of the Clover Service.

"Device" means a tablet, smartphone, or other mobile or fixed form factor identified by Processor from time to time as compatible with and capable of supporting the Clover Service.

"Third Party Services" are the services, products, promotions or applications provided by someone other than Processor.

37.2. License Grant. During the term of the Agreement, Processor grants you a personal, limited, non-exclusive, revocable, non-transferable license, without the right to sublicense or assign in any way, to electronically access and use the Clover Service solely in the United States to manage your establishment and conduct associated point of sale activities within the United States in accordance with the terms of this Section 37. For purposes of this Section 37, "United States" does not include U.S. Territories or possessions. The Clover Service is for your internal business use only. This Section 37 does not grant you any rights to the Clover Marks. All intellectual property and proprietary rights in or related to the Clover Service and the Clover Marks are and will remain our, our affiliates', our vendors', or our licensors' (as applicable) sole and exclusive property, and any and all right, title and interest associated with the Clover Service not expressly granted by Processor in this Section 37 are deemed withheld.

37.3. Restrictions. You may not, nor may you permit any third party to do any of the following: (a) access or attempt to access the Clover Service (or any part) that is not intended or made available for public use; (b) decompile, disassemble, reverse engineer, or otherwise attempt to reconstruct or discover by any means any source code, underlying ideas or algorithms of the Clover Service (or any part), except to the extent that such restriction is expressly prohibited by law; (c) modify, translate, or alter in any manner, the Clover Service (or any part) or the Clover Marks; (d) create derivative works of or based on the Clover Service (or any part) or the Clover Marks; (e) except for backup and archival purposes, directly or indirectly copy the Clover Service (or any part); (f) republish, upload, post, transmit, disclose, or distribute (in any format) the Clover Service (or any part) except as permitted herein; (g) access or use (in any format) the Clover Service (or any part) through any time-sharing service, service bureau, network, consortium, or other means; (h) rent, lease, sell, sublicense, assign, or otherwise transfer your license rights to any third party, whether by operation of law or otherwise; (i) use or ship the Clover Service (or any part) outside of the United States, or access the Clover Service (or any part) from outside the United States, without in any case obtaining our advance written consent; (j) remove, relocate, or otherwise alter any proprietary rights notices from the Clover Service (or any part) or the Clover Marks; (k) perform or attempt to perform any actions that would interfere with the proper working of the Clover Service, prevent access to or use of the Clover Service by other users, or in our reasonable judgment impose an unreasonable or disproportionately large load on our infrastructure, network capability or bandwidth; or (l) use the Clover Service (or any part) except as permitted in subsection 37.2 above.

You shall not take any action inconsistent with the stated title and ownership in subsection 37.2 above. You will not file any action, in any forum that challenges the ownership of any part of the Clover Service, any related software, materials or documentation. Failure to comply with this provision will constitute a material breach of this Agreement. We have the right to immediately terminate your access to and use of the Clover Service in the event of a challenge by you.

37.4. Clover Service Limitations and Requirements.

37.4.1. You may access the Clover Service through your Device using a wired (ethernet) or wireless (wifi or cellular) connection to the Internet. You are solely responsible for the payment of any fees that may be imposed by your Internet/data provider. Your use of the Clover Service may be subject to: (a) the terms of your agreements with your Internet/data provider; and (b) the availability or uptime of the services provided by your Internet/data provider.

37.4.2. You may use the Clover Service to conduct point of sale activities offline; transactions initiated offline will be queued and submitted for authorization when Internet connectivity to the Clover System is restored. However, you assume all risk, responsibility and liability associated with any transaction that you choose to conduct while the Clover Service is used offline.

37.4.3. The Clover Service does not function with every mobile device. Processor may alter which Devices are approved as compatible with the Clover Service in our discretion from time-to-time.

37.4.4. We may perform maintenance on the Clover Service from time to time which may result in service interruptions, delays, or errors. We will not be liable for any such interruptions, delays, errors, or bugs. You agree that we may contact you in order to assist you with the Clover Service and obtain information needed to identify and fix any errors.

37.4.5. You shall at all times comply with any operating procedures, requirements, or guidelines regarding your use of the Clover Service that are posted on the Clover website or otherwise provided or made available to you (collectively, "Clover Ops Guide").

37.4.6. You shall comply with the following requirements in connection with your use of the Clover Service:

- With respect to each Customer who requests the delivery of transaction receipts via text message or email, such Customer must enter his phone number or email address in the appropriate space displayed on the Device himself; you are NOT permitted to add or modify any Customer Information (including but not limited to phone number and email address) on behalf of a Customer.
- With respect to each Customer who desires to receive marketing material or other communications from you via text message or email, such Customer must check the

appropriate consent check box displayed on the Device himself; you are NOT permitted to add or modify a Customer's consent indication on his behalf.

- c) You (or your agents acting on your behalf) may only send marketing materials or other communications to the Customer's provided phone number, street address, and/or email address if the Customer has specifically consented by checking (himself) the applicable box displayed on the Device.
- d) NOTWITHSTANDING THE CAPABILITY OF THE CLOVER SERVICE TO COLLECT AND STORE CUSTOMER INFORMATION AND TO ALLOW YOUR CUSTOMERS TO ELECT TO RECEIVE MARKETING MATERIALS FROM YOU, SOME STATES MAY LIMIT YOUR USE OF SUCH INFORMATION ONCE COLLECTED, EVEN IF THE CUSTOMER HAS PROVIDED HIS CONSENT, AND/OR YOUR DISCLOSURE OF SUCH INFORMATION TO THIRD PARTIES. YOU ACKNOWLEDGE AND AGREE THAT (I) YOUR USE OF CUSTOMER INFORMATION OBTAINED IN CONNECTION WITH THE CLOVER SERVICE MAY BE SUBJECT TO LOCAL, STATE, AND/OR FEDERAL LAWS, RULES, AND REGULATIONS, (II) YOU ARE SOLELY RESPONSIBLE FOR KNOWING SUCH LAWS, RULES, AND REGULATIONS, AND (III) YOU WILL AT ALL TIME STRICTLY COMPLY WITH ALL SUCH LAWS, RULES, AND REGULATIONS.
- e) If TransArmor software is resident on your Device at the time we provide you with the Device and therefore part of the Clover Service, it will be used to perform such encryption and tokenization ("TransArmor Service") and the additional terms set forth in Section 32 apply. However you will only receive the applicable TransArmor service subscribed by you as set forth in the Application.
- f) You are responsible to provide and obtain any disclosures and consents related to the E-SIGN Act that may be required in connection with your communications and agreements with your Customers.

37.5. Fees. You shall pay Processor the fees for Clover Service as set forth on the Application.

37.6. Term and Termination. The Clover Service may be terminated at any time by either party upon thirty (30) days' written notice to the other party. Notwithstanding the foregoing sentence, upon as much advance notice as is commercially practicable, we may suspend or terminate the Clover Service if (a) we determine that you are using Clover Service for any fraudulent, illegal, or unauthorized purpose, (b) you violate the terms of this Section 37 or an Event of Default occurs under the Agreement, (c) we terminate our agreement with any third parties that are involved in providing the Clover Service, or (d) Processor otherwise decides to discontinue providing the Clover Service. You acknowledge and agree that an occurrence of (a) or (b) above may be deemed an Event of Default under the Agreement, thereby affording Processor and Bank all rights and remedies as set forth in the Agreement triggered by such an Event of Default, which may include immediate termination of the Agreement without notice.

37.7. Third Party Services. The Clover Service may contain links to Third Party Services (e.g., an application marketplace). If you decide to use Third Party Services, you will be responsible for reviewing and understanding the terms and conditions associated with Third Party Services (including obtaining and maintaining any required third party hardware and/or software that is required for the Third Party Services to work with the Clover Service). Your access of any Third Party Services is at your own risk. Third Party Services are not governed by the terms and conditions of this Section 37 or the Agreement. ANY CONTENT DOWNLOADED OR OTHERWISE OBTAINED THROUGH THE USE OF THIRD PARTY SERVICES (E.G., APPLICATION MARKETPLACE AND ANY APPS AVAILABLE AT SUCH APPLICATION MARKETPLACE) IS DOWNLOADED AT YOUR OWN RISK. PROCESSOR WILL NOT BE RESPONSIBLE FOR ANY ACTIONS OR ANY FAILURES TO ACT OF ANY THIRD PARTY, AND PROCESSOR EXPRESSLY DISCLAIMS ANY LIABILITY RELATED TO ALL THIRD PARTY SERVICES. PROCESSOR DOES NOT WARRANT, ENDORSE, GUARANTEE, OR ASSUME RESPONSIBILITY FOR ANY THIRD PARTY SERVICE OR PRODUCT ADVERTISED OR OFFERED THROUGH THE CLOVER SERVICE OR ANY HYPERLINKED WEBSITE OR SERVICE, OR FEATURED IN ANY BANNER OR OTHER ADVERTISING, AND PROCESSOR WILL NOT BE A PARTY TO OR IN ANY WAY MONITOR ANY TRANSACTION BETWEEN YOU AND PROVIDERS OF THIRD PARTY SERVICES OR PRODUCTS.

37.8. Account Registration. We may require you to register and create a "Member" or "Merchant" account to use the Clover Service. If and when prompted by our registration process, you agree to (a) provide true, accurate, current and complete information about yourself and/or your business, and (b) maintain and update this information to keep it true, accurate, current and complete. If any information provided by you is untrue, inaccurate, not current or incomplete, we have the right to terminate your Clover Service account ("Account") and refuse any and all current or future use of the Clover Service.

37.9. Privacy and Data Use. All data collected from you at www.clover.com or in connection with your use of the Clover Service, including Customer Information and information about your business and employees used with or stored in or by the Clover Services (collectively, "Account Data"), is collected by Clover and not Processor or Bank; therefore, the use and sharing of such Account Data is controlled by the Clover Privacy Policy (available at https://www.clover.com/privacy_policy). You acknowledge and agree that we may access your Account Data upon our request to Clover, and our use of your Account Data is governed by the terms set forth in the Agreement.

37.10. Protecting Your Information. When we receive communications containing

Account Data, we assume you sent it to us. You must immediately notify us if you become aware of any loss, theft or unauthorized use of any Account Data. We reserve the right to deny you access to the Clover Service, in whole or in part, if we believe that any loss, theft or unauthorized use of any Account Data or access information has occurred.

37.11. Accuracy of Information. You are solely responsible for ensuring the accuracy of all information and data regarding your business that you provide to us or our service providers in connection with the Clover Service (e.g., menus loaded onto the Device). In addition, you are solely responsible for verifying that all information and data loaded onto a Device by us or our service providers at your request are accurate prior to your business use of such Device. We and our service providers disclaim any and all liability arising out of any inaccuracies with respect to such information or data.

37.12. Clover Service Disclaimer. USE OF THE CLOVER SERVICE OR ANY EQUIPMENT PROVIDED WITH THE CLOVER SERVICE IS AT YOUR OWN RISK. Any use of the Clover Service after our publication of any such changes shall constitute your acceptance of this Agreement as modified.

37.16. Ideas. You may choose or we may invite you to submit comments or ideas about the Clover Service, including, without limitation, about how to improve the Clover Service ("Ideas"). By submitting any Idea, you agree that: (a) we expressly disclaim any confidentiality obligations or use restrictions, express or implied, with respect to any Idea, (b) your submission will be non-confidential, and (c) we are free to use and disclose any Idea on an unrestricted basis without notifying or compensating you. 3. ECA Warranty Service.

3.1. Description. The TeleCheck ECA Warranty Service provides Subscriber with: (a) coded information to assist Subscriber in deciding whether or not to accept an Item; (b) processing services; and (c) warranty services for ECA Warranty Transactions that comply with the warranty requirements of Section 3.3, all in accordance with this Agreement.

3.2. Processing Services. For each ECA Warranty Transaction that TeleCheck issues a TeleCheck Approval Code that is processed by TeleCheck as an electronic funds transfer or remotely created check, TeleCheck shall, via an electronic funds transfer, effect a credit to Subscriber’s Account for the amount of such transaction as part of a batch credit. Such credit shall typically occur within 2 banking days following Subscriber’s regular close-out of the point of sale terminal and transmission of the saved ECA Warranty Transactions to TeleCheck for settlement processing, provided that the Batch is closed and received by TeleCheck by 9:00 p.m. Central Time. Subscriber authorizes TeleCheck on its behalf to initiate debits to the Consumers’ accounts for each such ECA Warranty Transaction. TeleCheck may reduce such credit, or initiate a debit, by the amount of any necessary adjustments for ECA Warranty Transactions, including, without limitation, chargebacks or partial adjustments, to Subscriber’s Account. TeleCheck reserves the right to decline to process any transaction as an ECA Warranty Transaction. As required by the NACHA Rules, TeleCheck’s Originating Depository Financial Institution (as defined by the NACHA Rules) shall have the right to audit Subscriber’s compliance with this Agreement and the NACHA Rules.

TeleCheck shall not be liable for any delays in receipt of funds or errors in debit and credit entries caused by third parties, including, without limitation, any ACH Network participant or Subscriber’s financial institution. In addition to any other remedies available to TeleCheck under this Agreement, Subscriber agrees that, if Subscriber breaches or fails to comply with this Agreement, TeleCheck may, with notice to be provided within 3 business days following such action, change processing or payment terms, suspend settlement or other payments of any amounts now due, or hereafter to become due, until TeleCheck has had reasonable opportunity to investigate such event. Continuance of service and payment processing during any period of delinquency shall not constitute a waiver of TeleCheck’s rights of suspension or termination. In the event TeleCheck makes a partial adjustment to an Item or a credit to a Consumer’s account at the request of Subscriber or as a result of a Subscriber error, and the Item becomes a Return Item, TeleCheck may recover all such amounts from Subscriber. TeleCheck may also recover from Subscriber the amount of any fees paid by a Consumer to Consumer’s financial institution which resulted from a Subscriber error.

3.3. Warranty Requirements. TeleCheck warrants the accuracy of its information provided that all requirements set forth in this Section are strictly met. TeleCheck agrees to purchase from Subscriber one Item per ECA Warranty Transaction for which a TeleCheck Approval Code was inaccurate; provided, however, that TeleCheck’s liability shall be limited by the Warranty Maximum and warranty requirements, and shall not exceed the amount of the Item. (Checks may not pre-date or post-date by more than 1 calendar day the date of the inquiry call and the transaction date);
- Subscriber has no reason to question or have notice of any fact, circumstance or defense which would impair the validity or collectability of Consumer’s obligation or relieve Consumer from liability;
- The transaction is not subject to any stop payment, dispute or set-off;
- Subscriber has complied with and shall comply with all applicable laws, rules, regulations, and NACHA Rules including, without limitation, its obligations as an Originator under the NACHA Rules, posting notice to authorize the ECA Warranty Transaction and the Return Item Fee in a prominent and conspicuous location, and providing a copy of the notice to the Consumer, all in accordance with Regulation E (12 C.F.R. - c) The transaction is for any reason illegal, void or invalid; or purchase by or transfer to TeleCheck of the Item is not permitted by applicable law; or a court of law determines that the Item is, in whole or in part, not due and payable by Consumer, unless such determination results from Consumer's bankruptcy proceeding;
- d) Any of the representations made by Subscriber as set forth in Section 3.3 are or become false or inaccurate;
- e) Subscriber failed to comply with this Agreement;
- f) Subscriber, or any of Subscriber's owners, agents or employees: (i) materially altered either the check or the Authorization Receipt; or (ii) processed the transaction with reason to know that the Item was likely to be dishonored (including failure to receive a TeleCheck Approval Code) or that the identification used was forged, altered or did not belong to Consumer; or (iii) processed the transaction in a manner which was an attempt to avoid the warranty requirements or Warranty Maximum. "Knowledge" shall be presumed in the presence of facts or circumstances which, if known, would cause a non-subscribing merchant, using commercially reasonable judgment, to independently refuse to accept a check. "Knowledge" is also presumed where there is evidence of Subscriber's attempt to avoid warranty limitations through manipulation of transactions, including, but not limited to the splitting of a single transaction into smaller components or resubmission of a previously denied transaction;
- g) The Authorization Receipt was incomplete or unsigned, or a legible copy of the Authorization Receipt was not received by TeleCheck within 7 days of a request by TeleCheck;
- h) A duplicate ECA Warranty Transaction relating to the same transaction was received and processed, or the original paper check was deposited, thereby creating a duplicate entry against Consumer's financial institution account;
- i) Consumer disputes authorizing the ECA Warranty Transaction or the validity or accuracy of the transaction;
- j) Subscriber received notice that Consumer filed bankruptcy and Subscriber failed to notify TeleCheck of the bankruptcy within 3 business days of Subscriber's receipt of such notice; or
- k) The closeout of the Batch and transmission of the ECA Warranty Transaction to TeleCheck for settlement processing did not occur within 7 days from the date the TeleCheck Approval Code was issued for the transaction.

Subscriber agrees to notify TeleCheck promptly of any discrepancy between Subscriber's records and the information provided in the reports, or of any funding failures or errors. In the event any ECA Warranty Transaction is not funded or otherwise paid by TeleCheck in accordance with Section 3.2, Subscriber is required to notify TeleCheck in writing within 30 days from the date of such transaction. If Subscriber fails to notify TeleCheck within such 30 day period of the discrepancy, funding failure or error, TeleCheck shall have no liability and Subscriber is precluded from asserting any claims, damages or losses arising from such discrepancy, funding failure or error.

TeleCheck, in its sole discretion, may voluntarily elect not to chargeback or reassign to Subscriber a specific non-compliance Item which fails to comply with the warranty requirements set forth in Section 3.3. Such discretionary election by TeleCheck shall not (a) constitute a course of dealing or a waiver of TeleCheck's right to chargeback or reassign any other Return Item, or (b) relate to any other past or subsequent Return Item, or (c) act as a waiver of TeleCheck's right to decline to pay any other Return Item.

3.9. Reserve Account Establishment and Funding. Subscriber expressly authorizes TeleCheck to establish a reserve account for ECA Warranty Transactions. The amount of the reserve account shall be set by TeleCheck, in its sole discretion, based upon Subscriber's processing history and the anticipated risk of loss to TeleCheck. The reserve account may be funded by all or any combination of the following: (a) one or more debits to Subscriber's Account (and TeleCheck is hereby authorized to make such debits); (b) one or more deductions or offsets to any payments otherwise due to Subscriber from TeleCheck or any of its affiliates; or (c) Subscriber's delivery to TeleCheck of a letter of credit issued or established by a financial institution acceptable to, and in a form satisfactory to, TeleCheck. In the event of termination of this Agreement by either TeleCheck or Subscriber, an immediate reserve account may be established without notice in the manner provided above. Any reserve account will be held by TeleCheck for 10 months after termination of this Agreement. Subscriber's funds may be held in a commingled reserve account for the reserve funds of TeleCheck's subscribers without involvement by an independent escrow agent, and shall not accrue interest. If Subscriber's funds in the reserve account are not sufficient to cover the delinquent fees, chargebacks or rejected and reassigned warranty Items, or any other fees and charges due from Subscriber to TeleCheck or its affiliates, or if the funds in the reserve account have been released, Subscriber shall immediately pay TeleCheck such sums upon request. In the event of a failure by Subscriber to fund the reserve account, TeleCheck may fund such reserve account in the manner set forth above.

Any notice under this section to increase fees or modify obligations will be effective 30 days from the date notice is mailed to Subscriber, and in such event Subscriber may terminate this Agreement upon written notice received by TeleCheck within such 30 day period.

The parties' addresses may be changed by written notice to the other party as provided herein.

Subscriber certifies that it has not been suspended by NACHA or any credit card association, or cancelled by an ODFI or Third Party Sender (as defined in the NACHA Rules). This Agreement, plus any addenda attached hereto, constitutes the entire Agreement between the parties concerning subject matter hereof and supersedes all prior and contemporaneous understandings, representations and agreements in relation to its subject matter. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF TEXAS, WITHOUT REGARD TO THE CONFLICT OF LAWS PRINCIPLES THEREOF.

ALL PARTIES IRREVOCABLY WAIVE ANY AND ALL RIGHTS THEY MAY HAVE TO A TRIAL BY JURY IN ANY JUDICIAL PROCEEDING INVOLVING ANY CLAIM RELATING TO OR ARISING UNDER THIS AGREEMENT.

33. Severability and Interpretation, Third Party Beneficiaries. If any provision, in whole or in part, of this Agreement is held invalid or unenforceable for any reason, the invalidity shall not affect the validity of the remaining provisions of this Agreement, and the

parties shall substitute for the invalid provision a valid provision which most closely approximates the intent and economic effect of the invalid provision. Neither this Agreement, nor any addenda or TeleCheck Operational Procedures, shall be interpreted in favor or against any party because such party or its counsel drafted such document. No course of dealing, usage, custom of trade or communication between the parties shall modify or alter any of the rights or obligations of the parties under this Agreement. This Agreement is solely for the benefit of TeleCheck (and its affiliates) and Subscriber and no other person or entity shall have any right, interest or claim under this Agreement.

No waiver of any rights hereunder shall be deemed effective unless in writing executed by the waiving party. No waiver by any party of a breach or any provision of this Agreement shall constitute a waiver of any prior or subsequent breach of the same or any other provision of this Agreement. The parties agree that no failure or delay in exercising any right hereunder shall operate as a waiver of any such right. All of TeleCheck's rights are cumulative, and no single or partial exercise of any right hereunder shall preclude further exercise of such right or any other right.

35. Damages. Upon Subscriber's breach of this Agreement, including any unauthorized termination, TeleCheck shall be entitled to recover from Subscriber liquidated damages in an amount equal to ninety percent (90%) of the aggregate Monthly Minimum Fees and Monthly Statement/ Processing Fees payable for the unexpired portion of the then current term of this Agreement. TeleCheck and Subscriber hereby acknowledge and agree that, after giving due consideration to the costs TeleCheck may incur by reason of Subscriber's breach of this Agreement, to the possibility that TeleCheck will not be able to mitigate its damages, and to the expense savings that TeleCheck may obtain by not having to provide services or maintenance, the liquidated damages specified herein constitute a realistic pre-estimate of the loss to TeleCheck in the event of such breach.

36. Financial and Other Information

36.1. Upon request, you will provide us and our affiliates, quarterly financial statements within 45 days after the end of each fiscal quarter and annual audited financial statements within 90 days after the end of each fiscal year. You authorize us and our affiliates to obtain from third parties financial and credit information relating to you in connection with our determination whether to accept this Agreement and our continuing evaluation of your financial and credit status. Upon request, you shall provide, and/or cause to be provided, to us and our affiliates, or our representatives or regulators reasonable access to your or your service provider's facilities and records for the purpose of performing any inspection and/or copying of books and/or records deemed appropriate. In such event, you shall pay the costs incurred by us or our affiliates for such inspection, including, but not limited to, costs incurred or airfare and hotel accommodations.

38. IRS Reporting. Pursuant to Section 6050W of the Internal Revenue Code, merchant acquiring entities and third party settlement organizations are required to file an information return for each calendar year beginning January 1, 2011 reporting all payment card transactions and third party network transactions with payees occurring in that calendar year. Accordingly, you will receive a Form 1099 reporting your gross transaction amounts for each calendar year beginning with transactions processed in calendar year 2011. In addition, amounts reportable under Section 6050W are subject to backup withholding requirements. Payors are required to perform backup withholding by deducting and withholding income tax from reportable transactions if (a) the payee fails to provide the payee's taxpayer identification number (TIN) to the payor, or (b) if the IRS notifies the payor that the TIN (when matched with the name) provided by the payee is incorrect. Accordingly, to avoid backup withholding, it is very important that you provide us with the correct name and TIN that you use when filing your tax return that includes the transactions for your business.

A.4. 6050W of the Internal Revenue Code

Pursuant to Section 6050W of the Internal Revenue Code, merchant acquiring entities and third party settlement organizations are required to file an information return for each calendar year reporting all payment card transactions and third party network transactions with payees occurring in that calendar year. Accordingly, you will receive a Form 1099-K reporting your gross transaction amounts for each calendar year. Your gross transaction amount refers to the gross dollar amount of the card transactions processed through your merchant account with us. In addition, amounts reportable under Section 6050W are subject to backup withholding requirements. Payors will be required to perform backup withholding by deducting and withholding income tax from reportable transactions if (a) the payee fails to provide the payee’s taxpayer identification number (TIN) to the payor, or (b) if the IRS notifies the payor that the TIN (when matched with the name) provided by the payee is incorrect. Accordingly, to avoid backup withholding, it is very important that you provide us with the correct name and TIN that you use when filing your tax return that includes the transactions for your business.
